A. Welcome to Community First Medicare Advantage D-SNP

Community First Medicare Advantage D-SNP is a specialized Medicare Advantage Plan (a Medicare “Special Needs Plan”), which means its benefits are designed to provide extra help and support for people with low incomes or certain conditions.

A Medicare Advantage Plan is an organization made up of doctors, hospitals, pharmacies, other supports and services, and other providers. It also has Care Coordinators and Interdisciplinary Care Teams to help you manage all your providers and services. They all work together to provide the care you need.

Community First Health Plans, Inc. was established in 1995 by University Health to provide health care coverage to the citizens of Bexar and surrounding counties. As the only locally owned and managed non-profit health plan in the area, our commitment to our Members is to provide great health care benefits backed by outstanding service, delivered by people who live right here in South Texas.

B. Information about Medicare and Medicaid

B1. Medicare

Medicare is the federal health insurance program for:

- people 65 years of age or older,
- some people under age 65 with certain disabilities, and
- people with end-stage renal disease (kidney failure).

Medicare must approve Community First Medicare Advantage D-SNP each year. You can get Medicare services through our plan as long as:

- we offer the plan in your county, and
- Medicare and the State of Texas approve the plan

Even if our plan stops operating in the future, your eligibility for Medicare services will not change.

B2. Texas Medicaid

Texas Medicaid is a program run by the federal government and the state that helps people with limited incomes and resources pay for supports and services, and medical costs. It covers extra services and drugs not covered by Medicare.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week). The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

Each state has its own Medicaid program and decides:

- what counts as income and resources,
- who qualifies,
- what services are covered, and
- the cost for services.

In addition, there are programs offered through Medicaid that help people with Medicare pay their Medicare costs, such as their Medicare premiums. These “Medicare Savings Programs” help people with limited income and resources save money each year:

- Qualified Medicare Beneficiary (QMB): Helps pay Medicare Part A and Part B premiums and other cost-sharing (like deductibles, coinsurance, and copayments). (Some people with QMB are also eligible for full Medicaid benefits (QMB+).)
- Qualified Medicare Beneficiary Plus (QMB+): Helps pay Medicare Part A and Part B premiums and other cost-sharing (like deductibles, coinsurance, and copayments). Generally, people with QMB+ are also eligible for full Medicaid benefits

States can decide how to run their programs as long as they follow federal rules.

C. Advantages of this plan

You will now get all your covered Medicare services from Community First Medicare Advantage D-SNP, including prescription drugs. **You do not pay extra to join these health plans.**

Some advantages of these plans include the following:

- You will be able to work with **one** health plan for **all** of your health insurance needs.
- You will have an Interdisciplinary Care Team (ICT) that you helped put together. Your ICT may include doctors, nurses, counselors, or other health professionals who are there to help you get the care you need.
- You will have a Care Coordinator. This is a person who works with you, with Community First Medicare Advantage D-SNP, and with your care providers to make sure you get the care you need.
- You will be able to direct your own care with help from your Interdisciplinary Care Team and Care Coordinator.
- The Interdisciplinary Care Team and Care Coordinator will work with you to come up with an Individualized Care Plan (ICP) specifically designed to meet your health

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week). The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

needs. The ICT will be in charge of coordinating the services you need. This means, for example:

- Your ICT will make sure your doctors know about all medicines you take so they can reduce any side effects.
- Your ICT will make sure your test results are shared with all your doctors and other providers.

D. Community First Medicare Advantage D-SNP's service area

Our service area includes these counties in Texas: Atascosa, Bandera, Bexar, Comal, Guadalupe, Kendall, Medina, and Wilson.

Only people who live in one of these counties in our service area can get Community First Medicare Advantage D-SNP.

If you move outside of our service area, you cannot stay in this plan. See Chapter 8, Section I for more information about the effects of moving out of our service area.

E. What makes you eligible to be a plan Member

You are eligible for Community First Medicare Advantage D-SNP as long as:

- you live in our service area, **and**
- you have both Medicare Part A and Medicare Part B, **and**
- you are a United States citizen or are lawfully present in the United States, **and**
- you meet the special eligibility requirements described below

Special Eligibility Requirements

Community First Medicare Advantage D-SNP is designed to meet the needs of people who receive certain Medicaid benefits. (Medicaid is a joint federal and state government program that helps with medical costs for certain people with limited incomes and resources. To learn more about Medicaid, see Section B2 in this chapter.) To be eligible for Community First Medicare Advantage D-SNP, you must be eligible for Medicare and full cost-sharing assistance under Medicaid.

Please note: If you lose your eligibility but can reasonably be expected to regain eligibility within six months, then you are still eligible for membership in our plan.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week). The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

F. What to expect when you first join a health plan

When you first join the plan, you will get a health risk assessment within the first 90 days.

A Community First Medicare Advantage D-SNP Assessment Nurse will contact you via phone or through your preferred method of contact to conduct your health risk assessment (HRA). The Assessment Nurse may complete the assessment in more than one session to accommodate the Member's preferences or ability.

The HRA will:

- Help identify Members with the most urgent needs
- Be an important part of the Member's care coordination
- Help create an Individualized Care Plan (ICP) for qualifying Members
- Assess the Member's medical, psychosocial, cognitive, mental health, and functional needs.
- May be done off cycle if Member requests it or experiences a significant change in condition or situation such as new diagnosis or exacerbated condition, loss of caregiver or housing

In addition to gathering information and assessing the Member's status and needs, the HRA process is an important step in building a relationship with the Member. HRAs are conducted in a thoughtful manner with consideration for the Member.

If Community First Medicare Advantage D-SNP is new for you, you can keep seeing the doctors you go to now for 90 days or until the new health risk assessment is finished.

After 90 days for most services but six months for long-term services and supports, you will need to see doctors and other providers in the Community First Medicare Advantage D-SNP network. A network provider is a provider who works with the health plan. See Chapter 3, Section A for more information on getting care.

G. Individualized Care Plan

After your health risk assessment, your Interdisciplinary Care Team (ICT) will meet with you to talk about what health services you need and want. Members will receive an Individualized Care Plan (ICP). The ICP is the plan for what services you get and how you will get them. Together, you and your ICT will make your ICP.

Your ICP consists of the following:

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week). The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

- Member-specific health issues, goals, and interventions addressing issues discovered during the HRA and/or any team interactions
- Laboratory results, pharmacy, emergency department, and hospital claims data
- An outline of the Member's personal goals
- An identification of barriers to care or to meet Member's goals and plans on how to address them
- A schedule for future follow-up and updates from the care team

Every year, your ICT will work with you to update your ICP if the health services you need and want change.

H. Community First Medicare Advantage D-SNP monthly plan premium

Members of Community First Medicare Advantage D-SNP do not pay a separate monthly plan premium.

As long as you are a Member of our plan, you do not need to use your red, white, and blue Medicare card or your Texas Benefits Medicaid Card to get services. Keep those cards in a safe place in case you need them later. If you show your Medicare card instead of your Community First Medicare Advantage D-SNP card, the provider may bill Medicare instead of our plan, and you may get a bill. See Chapter 7, Section A to see what to do if you get a bill from a provider.

The only exceptions are:

- If you need hospice care, then you will use your Original Medicare card, or
- If you need non-emergency transportation services, then you will use your Texas Benefits Medicaid Card.

J2. Provider and Pharmacy Directory

The *Provider Directory* and *Pharmacy Directory* lists the providers and pharmacies in your Community First Medicare Advantage D-SNP network. While you are a Member of our plan, you must use network providers to get covered services. There are some exceptions when you first join our plan.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week). The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.communityfirstmedicare.com).

You can ask for a *Provider Directory* and/or *Pharmacy Directory* by calling Member Services at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. (TTY 7-1-1, 24 hours a day, 7 days a week). You can also view or download *Provider Directory* and *Pharmacy Directory* by visiting CommunityFirstMedicare.com and clicking on “Member Resources.”

The *Provider Directory* lists current network providers such as health care professionals, hospitals, and other supports and services that you may see/have access to as a Community First Medicare Advantage D-SNP Member. The *Pharmacy Directory* lists the current network pharmacies that you may use to get your prescription drugs.

Definition of network providers

- Network providers include:
 - Doctors, nurses, and other health care professionals that you can go to as a Member of our plan;
 - Clinics, hospitals, nursing facilities, and other places that provide health services in our plan and;
 - Home health agencies, durable medical equipment (DME) suppliers, and others who provide goods and services that you get through Medicare or Texas Medicaid.

Network providers have agreed to accept payment from our plan for covered services as payment in full.

Definition of network pharmacies

- Network pharmacies are pharmacies (drug stores) that have agreed to fill prescriptions for our plan Members. Use the *Pharmacy Directory* to find the network pharmacy you want to use.
- Except during an emergency, you must fill your prescriptions at one of our network pharmacies if you want our plan to help you pay for them.

Call Member Services at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. (TTY 7-1-1, 24 hours a day, 7 days a week) for more information. Both Member Services and the plan’s website, CommunityFirstMedicare.com, can give you the most up-to-date information about changes in our network pharmacies and providers.

J3. List of Covered Drugs

The plan has a *List of Covered Drugs*. We call it the “Drug List” or “Formulary” for short. It tells which Part D prescription drugs are covered under the Part D benefit included in your Community First Medicare Advantage D-SNP.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week). The call is free. **For more information**, visit CommunityFirstMedicare.com.

The Drug List also tells you if there are any rules or restrictions on any drugs, such as a limit on the amount you can get. See Chapter 5, Section C for more information on these rules and restrictions.

Each year, we will send you information about how to access the Drug List, but some changes may occur during the year. To get the most up-to-date information about which drugs are covered, visit CommunityFirstMedicare.com or call 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. (TTY 7-1-1, 24 hours a day, 7 days a week).

J4. The *Explanation of Benefits*

When you use your Part D prescription drug benefits, we will send you a summary report to help you understand and keep track of payments for your Part D prescription drugs. This summary report is called the *Explanation of Benefits* (or EOB).

The EOB tells you the total amount you, or others on your behalf, have spent on your Part D prescription drugs and the total amount we have paid for each of your Part D prescription drugs during the month. The EOB has more information about the drugs you take, such as increases in price and other drugs with lower cost-sharing that may be available. You can talk to your prescriber about these lower cost options. Chapter 6, Section A gives more information about the EOB and how it can help you keep track of your drug coverage.

An EOB is also available when you ask for one. To get a copy, contact Member Services at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. (TTY 7-1-1, 24 hours a day, 7 days a week).

K. How to keep your membership record up to date

You can keep your membership record up to date by letting us know when your information changes.

The plan's network providers and pharmacies need to have the right information about you. **They use your membership record to know what services and drugs you get and how much it will cost you.** Because of this, it is very important that you help us keep your information up to date.

A. Information about “services,” “covered services,” “providers,” and “network providers.”

Services are health care, services and supports, supplies, behavioral health, prescription, and over-the-counter drugs, equipment, and other services. Covered services are any of these services that our plan pays for. Covered health care and long-term services and supports are listed in the Benefits Chart in Chapter 4, Section D.

Providers are doctors, nurses, and other people who give you services and care. The term providers also includes hospitals, home health agencies, clinics, and other places that give you health care services, medical equipment, and long-term services and supports.

Network providers are providers who work with the health plan. These providers have agreed to accept our payment and any plan cost-sharing as payment in full. Network providers bill us directly for care they give you. When you see a network provider, you usually pay nothing for covered services.

B. Rules for getting your health care, behavioral health, and other services and supports covered by the plan

As a Medicare health plan, Community First Medicare Advantage D-SNP must cover all services covered by Original Medicare and must follow Original Medicare’s coverage rules.

Community First Medicare Advantage D-SNP may offer other services in addition to those covered under Original Medicare.

Community First Medicare Advantage D-SNP will generally pay for the health care and services you get if you follow plan rules. To be covered by our plan:

- The care you get must be a **plan benefit**. This means that it must be included in the plan’s Benefits Chart. (The charts are in Chapter 4, Sections D and E of this handbook).
- The care must be **medically necessary**. Medically necessary means reasonable and necessary to prevent or treat illnesses or health conditions, or disabilities. This includes care that keeps you from going into a hospital or nursing home. It also means the services, supplies, or drugs meet accepted standards of medical practice.
- You must have a network **primary care provider (PCP)** who has ordered the care or has told you to see another doctor. As a plan Member, you must choose a network provider to be your PCP. If you do not choose a PCP, one will be selected for you.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

- In some cases, our plan must give you approval before you can see someone that is not your PCP or use other providers in the plan's network. This is called **prior authorization**. If you don't get prior authorization, Community First Medicare Advantage D-SNP may not cover the services.
- A **referral** is a written order from your primary care provider (PCP) to see a specialist for a specific medical service. You do not need a referral from your PCP for emergency care or urgently needed care or to see a woman's health provider. You can get other kinds of care without having a referral from your PCP.
- **NOTE:** In your first 90 days with our plan, you may continue to see your current providers at no cost if they are not a part of our network. During the 90 days, our Care Coordinator will contact you to help you find providers in our network. After 90 days, we will no longer cover your care if you continue to see out-of-network providers.
- **You must get your care from network providers.** Usually, the plan will not cover care from a provider who does not work with the health plan. Here are some cases when this rule does not apply:
 - The plan covers emergency or urgently needed care from an out-of-network provider. To learn more and to see what emergency or urgently needed care means, see Section I.
 - If you need care that our plan covers and our network providers cannot give it to you, you can get the care from an out-of-network provider. Prior authorization should be obtained from the plan prior to seeking care. In this situation, we will cover the care as if you got it from a network provider. To learn about getting approval to see an out-of-network provider, see Section D.
 - The plan covers kidney dialysis services when you are outside the plan's service area for a short time. You can get these services at a Medicare-certified dialysis facility.
 - When you first join the plan, you can continue seeing the providers you see now for at least 90 days.

C. Information about your Care Coordinator

Community First Medicare Advantage D-SNP Members are assigned a Care Coordinator upon enrollment.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. D. Care from primary care providers, specialists, other network providers, out-of-network providers, and how to change health plans

D1. Care from a primary care provider

You must choose a primary care provider (PCP) to provide and manage your care.

What is a “PCP”?

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

A Primary Care Provider is also known as a PCP. A PCP is an in-network physician whom you select and provides your covered services.

What type of providers may be a PCP?

The types of providers that are generally PCPs include:

- General Practice
- Family Practice
- Internal Medicine
- **What is the role of my PCP?**

Your relationship with your PCP is an important one because your PCP is responsible for the following:

- your routine health care needs
- coordinating all of your covered services
- maintaining your medical records
- ensuring your continuity of care.

If you need an appointment with a network specialist or other network provider who is not your PCP, you should talk with your PCP first.

How do I choose my PCP?

When you enroll with Community First Medicare Advantage D-SNP, you select a PCP from the Provider Directory.

For a copy of the most recent Community First Medicare Advantage D-SNP Provider Directory or for help in selecting a PCP, call Member Services at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. You can also visit CommunityFirstMedicare.com for the most up-to-date information about our network providers.

If you do not select a PCP at the time of enrollment, Community First Medicare Advantage D-SNP may pick one for you.

Option to change your PCP

You may change your PCP for any reason at any time during the year. Also, it's possible that your PCP might leave our plan's network. We can help you find a new PCP if the one you have now leaves our network.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit CommunityFirstMedicare.com.

If you want to change your PCP, call Member Services at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free.

If the PCP is accepting additional patients, the PCP change will become effective immediately. You will receive a new Community First Medicare Advantage D-SNP Member ID card that shows this change.

Services you can get without first getting approval from your PCP

In most cases, you will need approval from your PCP before seeing other providers. This approval is called a referral. You can get services like the ones listed below without first getting approval from your PCP:

- Emergency services from network providers or out-of-network providers.
- Urgently needed care from network providers.
- Urgently needed care from out-of-network providers when you can't get to network providers (for example, when you are outside the plan's service area).
- Kidney dialysis services that you get at a Medicare-certified dialysis facility when you are outside the plan's service area. (Please call Member Services before you leave the service area. We can help you get dialysis while you are away.)

- Covered supplemental benefits such as our health and fitness programs.
- Covered Medicare preventive and education services.
- Preventive and comprehensive dental services from a network provider.
- Eye examinations and eyewear from a network provider.
- Hearing exams and hearing aids from a network provider.
- Additionally, if you are eligible to get services from Indian health providers, you may use these providers without a referral.

D2. Care from specialists and other network providers

A specialist is a doctor who provides health care for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:

- Oncologists care for patients with cancer.
- Cardiologists care for patients with heart problems.
- Orthopedists care for patients with bone, joint, or muscle problems.

Some care from specialists and other network providers may require advanced approval (also called “prior authorization”) from Community First Medicare Advantage D-SNP in order to be covered. Obtaining prior authorization is the responsibility of your PCP or treating provider.

Ask your PCP or contact Member Services to ensure that the services a specialist will provide are a covered benefit. Neither the plan nor Medicare will pay for services, supplies, treatments, surgeries, and/or drug therapies for specialty services when an authorization is required, but was not obtained from Community First Medicare Advantage D-SNP, except for emergency services, urgently needed services, out-of-area dialysis, and post-stabilization care services, or when you have a prior authorization for an out-of-network provider.

Please refer to the Provider Directory for a listing of plan specialists available through your network. The Provider Directory is available online at CommunityFirstMedicare.com.

D3. What to do when a provider leaves our plan

A network provider you are using might leave our plan. If one of your providers does leave our plan, you have certain rights and protections that are summarized below:

- Even though our network of providers may change during the year, we must give you uninterrupted access to qualified providers.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit CommunityFirstMedicare.com.

- We will make a good faith effort to give you at least 30 days' notice so that you have time to select a new provider.
- We will help you select a new qualified provider to continue managing your health care needs.
- If you are undergoing medical treatment, you have the right to ask for, and we will work with you to ensure that the medically necessary treatment you are getting is not interrupted.
- If you believe we have not replaced your previous provider with a qualified provider or that your care is not being appropriately managed, you have the right to file an appeal of our decision.

If you find out one of your providers is leaving our plan, please contact us so we can assist you in finding a new provider and managing your care. Call Member Services at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free.

D4. How to get care from out-of-network providers

If you need care that Community First Medicare Advantage D-SNP covers, but our network providers cannot give it to you, you can get the care from an out-of-network provider. You must obtain prior authorization from Community First Medicare Advantage D-SNP prior to seeking care. In this situation, we will cover the care as if you got it from a network provider. To learn about getting approval to see an out-of-network provider, see Section D.

Community First Medicare Advantage D-SNP also covers kidney dialysis services that you get at a Medicare-certified dialysis facility when you are temporarily outside the plan's service area.

Care that you receive from any other out-of-network providers unless the care meets one of the three exceptions described below:

- emergency medical care,
- urgently needed services, and
- care during a disaster

See Section I in this Chapter for more information about these exceptions.

If you go to an out-of-network provider, the provider must be eligible to participate in Medicare and/or Texas Medicaid.

- We cannot pay a provider who is not eligible to participate in Medicare and/or Texas Medicaid.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

- If you go to a provider who is not eligible to participate in Medicare, you must pay the full cost of the services you get.
- Providers must tell you if they are not eligible to participate in Medicare.

G. How to get covered services when you have a medical emergency or urgent need for care, or during a disaster

G1. Care when you have a medical emergency

Definition of a medical emergency

A medical emergency is a medical condition with symptoms such as severe pain or serious injury. The condition is so serious that if it doesn't get immediate medical attention, you or anyone with an average knowledge of health and medicine could expect it to result in: the following

- serious risk to your health or to that of your unborn child; **or**
- serious harm to bodily functions; **or**
- serious dysfunction of any bodily organ or part; **or**
- in the case of a pregnant woman in active labor, when:
 - there is not enough time to safely transfer you to another hospital before delivery.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

- a transfer to another hospital may pose a threat to your health or safety of that of your unborn child.

What to do if you have a medical emergency

If you have a medical emergency:

- **Get help as fast as possible.** Call 911 or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You do **not** need to get approval or a referral first from your PCP.
- **Tell Community First Medicare Advantage D-SNP about your emergency as soon as possible.** We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. Contact Member Services at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. (TTY 7-1-1, 24 hours a day, 7 days a week). However, you will not have to pay for emergency services because of a delay in telling us.

Covered services in a medical emergency

Community First Medicare Advantage D-SNP Standard Plan (HMO-DSNP) covers emergency care **anywhere in the United States and its territories.**

Covered emergency care includes:

- ambulance services in situations where getting to the emergency room in any other way could endanger your health
- follow-up care after the emergency is over to be sure your condition continues to be stable
 - If your emergency care is provided by out-of-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

If you have an emergency, we will talk with the doctors who give you emergency care. Those doctors will tell us when your medical emergency is over.

Definition of post-stabilization

Post-stabilization care services are services that keep your condition stable following emergency medical care.

After the emergency is over, you may need follow-up care to be sure you get better. Your follow-up care will be covered by our plan. If you get your emergency care from out-of-network providers, we will try to get network providers to take over your care as soon as possible.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

What to do if you have a behavioral health emergency

Contact the Behavioral Health & Substance Abuse hotline at 1-877-221-2226, 24 hours, 7 days a week. The phone line is staffed by trained personnel. Call to talk to someone if you need help right away.

If you need emergency services, please call 9-1-1.

Getting emergency care if it wasn't an emergency

Sometimes it can be hard to know if you have a medical or behavioral health emergency. You might go in for emergency care and have the doctor say it wasn't really an emergency. As long as you reasonably thought your health was in serious danger, we will cover your care.

However, after the doctor says it was not an emergency, we will cover your additional care only if:

- you go to a network provider, **or**
- the additional care you get is considered “urgently needed care,” and you follow the rules for getting this care. (Refer to the next section.)

G2. Urgently needed care

Definition of urgently needed care

Urgently needed care is care you get for a sudden illness, injury, or condition that isn't an emergency but needs care right away. For example, you might have a flare-up of an existing condition and need to have it treated.

Urgently needed care when you are in the plan's service area

In most situations, we will cover urgently needed care only if:

- you get this care from a network provider, **and**
- you follow the other rules described in this chapter.

However, if you can't get to a network provider, we will cover urgently needed care you get from an out-of-network provider.

For information on how to access urgent care centers, call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. (TTY 7-1-1, 24 hours a day, 7 days a week.) You can also check your Provider Directory or access it online at CommunityFirstMedicare.com for a list of network Urgent Care Centers.

Urgently needed care when you are outside the plan's service area

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit CommunityFirstMedicare.com.

When you are outside the plan's service area, you might not be able to get care from a network provider. In that case, our plan will cover urgently needed care you get from any provider.

Community First Medicare Advantage D-SNP Standard Plan (HMO-DSNP) covers urgently needed care **anywhere in the United States and its territories.**

G3. Care during a disaster

If the Governor of your state, the U.S. Secretary of Health and Human Services, or the President of the United States declares a state of disaster or emergency in your geographic area, you are still entitled to care from Community First Medicare Advantage D-SNP.

Please visit our website for information on how to obtain needed care during a declared disaster: CommunityFirstMedicare.com.

During a declared disaster, if you cannot use a network provider, we will allow you to get care from out-of-network providers at in-network cost sharing. If you cannot use a network pharmacy during a declared disaster, you will be able to fill your prescription drugs at an out-of-network pharmacy. Please see Chapter 5, Section A for more information.

H. What to do if you are billed directly for services covered by our plan

If a provider sends you a bill instead of sending it to the plan, you can ask us to pay our share of the bill.

You should not pay the bill yourself. If you do, the plan may not be able to pay you back.

If you have already paid a bill to a network provider, but you feel that you paid too much, or if you have gotten a bill for the full cost of covered medical services, see Chapter 7, Section A to learn what to do.

H1. What to do if services are not covered by our plan

Community First Medicare Advantage D-SNP covers all services:

- that are medically necessary, **and**
- that are listed in the plan's Benefits Charts (see Chapter 4, Sections D and E), **and**
- that you get by following plan rules.

If you get services that aren't covered by our plan, **you must pay the full cost yourself.**

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit CommunityFirstMedicare.com.

If you want to know if we will pay for any medical service or care, you have the right to ask us. You also have the right to ask for this in writing. If we say we will not pay for your services, you have the right to appeal our decision.

Chapter 9, Section E explains what to do if you want the plan to cover a medical item or service. It also tells you how to appeal the plan's coverage decision. You may also call Member Services to learn more about your appeal rights.

We will pay for some services up to a certain limit. If you go over the limit, you will have to pay the full cost to get more of that type of service. Call Member Services to find out what the limits are and how close you are to reaching them.

I. Coverage of health care services when you are in a clinical research study

I1. Definition of a clinical research study

A clinical research study (also called a clinical trial) is a way doctors test new types of health care or drugs. They ask for volunteers to help with the study. This kind of study helps doctors decide whether a new kind of health care or drug works and whether it is safe.

Once Medicare approves a study you want to be in, someone who works on the study will contact you. That person will tell you about the study and see if you qualify to be in it. You can be in the study as long as you meet the required conditions. You must also understand and accept what you must do for the study.

While you are in the study, you may stay enrolled in our plan. That way, you continue to get care from our plan not related to the study.

If you want to participate in a Medicare-approved clinical research study, you do not need to get approval from us or your primary care provider. The providers that give you care as part of the study do not need to be network providers.

You do need to tell us before you start participating in a clinical research study. If you plan to be in a clinical research study, you or your Care Coordinator should contact Member Services to let us know you will be in a clinical trial.

I2. Payment for services when you are in a clinical research study

If you volunteer for a clinical research study that Medicare approves, you will pay nothing for the services covered under the study, and Medicare will pay for services covered under the study as well as routine costs associated with your care. Once you join a Medicare-approved clinical research study, you are covered for most items and services you get as part of the study. This includes:

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

- Room and board for a hospital stay that Medicare would pay for even if you weren't in a study.
- An operation or other medical procedure that is part of the research study.
- Treatment of any side effects and complications of the new care.

If you are part of a study that Medicare has **not approved**, you will have to pay any costs for being in the study.

I3. Learning more about clinical research studies

You can learn more about joining a clinical research study by reading “Medicare & Clinical Research Studies” on the Medicare website (www.medicare.gov/Pubs/pdf/02226-Medicare-and-Clinical-Research-Studies.pdf). You can also call 1-800-MEDICARE (1-800-633-4227) 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

J. How your health care services are covered when you get care in a religious non-medical health care institution

J1. Definition of a religious non-medical health care institution

A religious non-medical health care institution is a place that provides care you would normally get in a hospital or skilled nursing facility. If getting care in a hospital or a skilled nursing facility is against your religious beliefs, we will cover care in a religious non-medical health care institution.

You may choose to get health care at any time for any reason. This benefit is only for Medicare Part A inpatient services (non-medical health care services). Medicare will only pay for non-medical health care services provided by religious non-medical health care institutions.

J2. Getting care from a religious non-medical health care institution

To get care from a religious non-medical health care institution, you must sign a legal document that says you are against getting medical treatment that is “non-excepted.”

- “Non-excepted” medical treatment is any care that is voluntary and not required by any federal, state or local law.
- “Excepted” medical treatment is any care that is not voluntary and is required under federal, state, or local law.

To be covered by our plan, the care you get from a religious non-medical health care institution must meet the following conditions:

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit CommunityFirstMedicare.com.

- The facility providing the care must be certified by Medicare.
- Our plan's coverage of services is limited to non-religious aspects of care.
- If you get services from this institution that are provided to you in a facility, the following applies:
 - You must have a medical condition that would allow you to get covered services for inpatient hospital care or skilled nursing facility care.
 - You must get approval from our plan before you are admitted to the facility, or your stay will not be covered.

You are covered for unlimited days in the hospital as long as your stay meets Medicare coverage guidelines. The coverage limits are described under Inpatient Hospital Care in the Medical Benefits Chart in Chapter 4.

K. Durable medical equipment (DME)

K1. DME, as a Member of our plan

DME means certain items ordered by a provider for use in your own home. Examples of these items are wheelchairs, crutches, powered mattress systems, diabetic supplies, hospital beds ordered by a provider for use in the home, intravenous (IV) infusion pumps, speech-generating devices, oxygen equipment and supplies, nebulizers, and walkers.

You will always own certain items, such as prosthetics.

In this section, we discuss DME you must rent. As a Member of Community First Medicare Advantage D-SNP, you usually will not own DME, no matter how long you rent it. In certain situations, we will transfer ownership of the DME item to you. Call Member Services to find out about the requirements you must meet and the papers you need to provide.

Our plan will pay for some durable medical equipment (DME) and products normally found in a pharmacy. Community First Medicare Advantage D-SNP pays for nebulizers, ostomy supplies, and other covered supplies and equipment if they are medically necessary. Call Member Services for more information about these benefits.

K2. DME ownership when you switch to Original Medicare

In the Original Medicare program, people who rent certain types of DME own it after 13 months.

Note: You can find definitions of Original Medicare in Chapter 12. You can also find more information about Original Medicare in the *Medicare & You* Handbook. If you don't have a copy of this booklet, you can get it at the Medicare website (www.medicare.gov) or by calling

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit CommunityFirstMedicare.com.

1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

If you did not acquire ownership of the DME item while in our plan, you will have to make 13 new consecutive payments after you switch to Original Medicare in order to own the item. Payments you made while in our plan do not count toward these 13 consecutive payments.

If you made fewer than 13 payments for the DME item under Original Medicare before you joined our plan, **those Original Medicare plan payments do not count toward the payments you need to make after leaving our plan.**

- You will have to make 13 new payments in a row under Original Medicare or a number of new payments in a row set by the Medicare Advantage plan to own the DME item.
- There are no exceptions to this when you return to Original Medicare

K3. Oxygen equipment benefits as a Member of our plan

If you qualify for oxygen equipment covered by Medicare and you are a Member of our plan, we will cover the following:

- Rental of oxygen equipment
- Delivery of oxygen and oxygen contents
- Tubing and related accessories for the delivery of oxygen and oxygen contents
- Maintenance and repairs of oxygen equipment

Oxygen equipment must be returned to the owner when it's no longer medically necessary for you or if you leave our plan.

K4. Oxygen equipment when you switch to Original Medicare

When oxygen equipment is medically necessary, and **you leave our plan and switch to Original Medicare**, you will rent it from a supplier for 36 months. Your monthly rental payments cover the oxygen equipment and the supplies and services listed above.

If oxygen equipment is medically necessary **after you rent it for 36 months**:

- your supplier must provide the oxygen equipment, supplies, and services for another 24 months.
- your supplier must provide oxygen equipment and supplies for up to 5 years if medically necessary.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

If oxygen equipment is still medically necessary **at the end of the 5-year period**:

- your supplier no longer has to provide it, and you may choose to get replacement equipment from any supplier.
- a new 5-year period begins.
- you will rent from a supplier for 36 months.
- your supplier must then provide the oxygen equipment, supplies, and services for another 24 months.
- a new cycle begins every 5 years as long as oxygen equipment is medically necessary.

When oxygen equipment is medically necessary, and **you leave our plan and switch to a Medicare Advantage plan**, the plan will cover at least what Original Medicare covers. You can ask your Medicare Advantage plan what oxygen equipment and supplies it covers and what your costs will be.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

A. Your covered services and your out-of-pocket costs

This chapter tells you what services Community First Medicare Advantage D-SNP pays for. It also tells how much you pay for each service. You can also learn about services that are not covered. Information about drug benefits is in Chapter 5. This chapter also explains limits on some services.

- For some services, you will be charged an out-of-pocket cost called a copay. This is a fixed amount (for example, \$5) you pay each time you get that service. You pay the copay at the time you get the medical service.
- For some services, you will be charged an out-of-pocket amount called coinsurance. This is a percentage of the cost of the service that you will need to pay at the time you get the service.

If you need help understanding what services are covered, call your Care Coordinator and/or Member Services at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free.

A1. During public health emergencies

NOTE: Community First Health Plans provides required coverage and permissible flexibilities to plan enrollees while subject to a public health emergency declaration resulting from the COVID-19 pandemic for all or part of contract year 2023. Enrollees with questions pertaining to the extent of the required COVID-19 coverages and flexibilities may contact Member Services to receive further details. COVID-19 benefits are contingent upon the duration of the public health emergency, which may or may not last for the duration of the full contract year.

B. Rules against providers charging you for services

We do not allow Community First Medicare Advantage D-SNP providers to bill you for covered services. We pay our providers directly, and we protect you from any charges. This is true even if we pay the provider less than the provider charges for a service.

You should never get a bill from a provider for covered services. If you do, see Chapter 7, Section A, or call Member Services.

C. Our plan's Benefits Chart

The Benefits Chart in Section D tells you which services Community First Medicare Advantage D-SNP pays for.

The chart lists categories of services in alphabetical order and explains the covered services.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

We will pay for the services listed in the Benefits Chart only when the following rules are met.

- Your Medicare and Texas Medicaid covered services must be provided according to the rules set by Medicare and Texas Medicaid.
- The services (including medical care, services, supplies, equipment, and drugs) must be medically necessary. Medically necessary means you need the services to prevent, diagnose, or treat a medical condition or to maintain your current health status. This includes care that keeps you from going into a hospital or nursing home. It also means the services, supplies, or drugs meet accepted standards of medical practice and follow the guidelines below:
 - Services must be in accordance with Generally Accepted Standards of Medical Practice.
 - Services must be most appropriate in terms of type, frequency, extent, site, and duration and considered effective for your sickness, injury, or illness.
 - Services must not be mainly for your convenience or that of your doctor or other health care provider.
 - Services must meet, but not exceed, your medical need, are at least as beneficial as an existing and available medically appropriate alternative and are furnished in the most cost-effective manner that may be provided safely and effectively.
- You get your care from a network provider. A network provider is a provider who works with the health plan. In most cases, our plan will not pay for care you get from an out-of-network provider. Chapter 3, Section D has more information about using network and out-of-network providers.
- To obtain services, contact your primary care provider (PCP). You can find your PCP on your Member ID card. Your PCP, along with your Care Coordinator, can help plan and schedule your covered services. Your PCP also contacts your other plan providers for updates about your care and/or treatments.
- You have a primary care provider (PCP) or an Interdisciplinary Care Team that is providing and managing your care. In most cases, your PCP must give you approval before you can see someone that is not your PCP or use other providers in the plan's network. This is called a referral. Chapter 3, Section B has more information about getting a referral and explains when you do not need a referral.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

- Some of the services listed in the Benefits Chart are covered only if your doctor or other network provider gets approval from us first. This is called prior authorization. Covered services that need prior authorization are marked in the Benefits Chart by an asterisk (*).
- All preventive services are free. You will see this apple 🍏 next to preventive services in the Benefits Chart.

NOTE: Community First Medicare Advantage D-SNP Members are covered by both Medicare and Medicaid. Medicare covers health care and prescription drugs. Medicaid covers your cost-sharing for Medicare services, including Medicare copayments or coinsurance amounts for inpatient and outpatient hospital services. Medicaid also covers services Medicare does not cover, like long-term care, over-the-counter drugs, and home and community-based services.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Chapter 5: Getting your outpatient prescription drugs through the plan

Introduction

This chapter explains rules for getting your outpatient prescription drugs. These are drugs that your provider orders for you that you get from a pharmacy or by mail order. They include drugs covered under Medicare Part D and some prescription and over-the-counter drugs covered under Texas Medicaid. Chapter 6 tells you what you pay for these drugs. Key terms and their definitions appear in alphabetical order in the last chapter of the Member Handbook.

Community First Medicare Advantage D-SNP also covers the following drugs, although they will not be discussed in this chapter:

- Drugs covered by Medicare Part A. These include some drugs given to you while you are in a hospital or nursing facility.
- Drugs covered by Medicare Part B. These include some chemotherapy drugs, some drug injections given to you during an office visit with a doctor or other provider, certain home health supply products (test strips, lancets, spacers), and drugs you are given at a dialysis clinic. To learn more about what Medicare Part B drugs are covered, see the Benefits Charts in Chapter 4.

Rules for the plan's outpatient drug coverage

The plan will usually cover your drugs as long as you follow the rules in this section.

1. You must have a doctor or other provider write your prescription. This person often is your primary care provider (PCP). It could also be another provider if your primary care provider has referred you for care.
2. You generally must use a network pharmacy to fill your prescription.
3. Your prescribed drug must be on the plan's *List of Covered Drugs*. We call it the "Drug List" for short.
 - If it is not on the Drug List, we may be able to cover it by giving you an exception.
 - See Chapter 9, Section F, to learn about asking for an exception.
4. Your drug must be used for a medically accepted indication. This means that the use of the drug is either approved by the Food and Drug Administration (FDA) or supported by certain medical references.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. A. Getting your prescriptions filled

A1. Filling your prescription at a network pharmacy

In most cases, the plan will pay for prescriptions only if they are filled at the plan's network pharmacies. A network pharmacy is a drug store that has agreed to fill prescriptions for our plan Members. You may go to any of our network pharmacies.

To find a network pharmacy, you can look in the *Pharmacy Directory*, visit our website [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com), or contact Member Services at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free.

A2. Using your Member ID Card when you fill a prescription

To fill your prescription, **show your Member ID Card** at your network pharmacy. The network pharmacy will bill the plan for our share of the cost of your covered prescription drug. You may need to pay the pharmacy a copay when you pick up your prescription.

If you do not have your Member ID Card with you when you fill your prescription, ask the pharmacy to call the plan to get the necessary information.

In some cases, **if the pharmacy is not able to get the necessary information, you may have to pay the full cost of the prescription when you pick it up.** You can then ask us to pay you back for our share. If you cannot pay for the drug, contact Member Services right away. We will do what we can to help.

- To learn how to ask us to pay you back, see Chapter 7, Section B.
- If you need help getting a prescription filled, you can contact Member Services at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free.

A3. What to do if you change to a different network pharmacy

If you change pharmacies and need a refill of a prescription, you can either ask to have a new prescription written by a provider or ask your pharmacy to transfer the prescription to the new pharmacy if there are any refills left.

If you need help changing your network pharmacy, you can contact Member Services at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free.

A4. What to do if your pharmacy leaves the network

If the pharmacy you use leaves the plan's network, you will have to find a new network pharmacy.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

To find a new network pharmacy, you can look in the *Provider and Pharmacy Directory*, visit our website, or contact Member Services at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free.

A5. Using a specialized pharmacy

Sometimes prescriptions must be filled at a specialized pharmacy. Specialized pharmacies include:

- Pharmacies that supply drugs for home infusion therapy.
- Pharmacies that supply drugs for residents of a long-term care facility, such as a nursing home.
 - Usually, long-term care facilities have their own pharmacies. If you are a resident of a long-term care facility, we must make sure you can get the drugs you need at the facility's pharmacy.
 - If your long-term care facility's pharmacy is not in our network or you have any difficulty accessing your drug benefits in a long-term care facility, please contact Member Services at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free.
- Pharmacies that serve the Indian Health Service/Tribal/Urban Indian Health Program. Except in emergencies, only Native Americans or Alaska Natives may use these pharmacies.
- Pharmacies that supply drugs requiring special handling and instructions on their use.

To find a specialized pharmacy, you can look in the *Pharmacy Directory*, visit our website, or contact Member Services at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free.

A6. Using mail-order services to get your drugs

For certain kinds of drugs, you can use the plan's network mail-order services. Generally, the drugs available through mail-order are drugs that you take on a regular basis for a chronic or long-term medical condition.

Our plan's mail-order service requires you to order at least a 30-day supply of the drug and no more than a 90-day supply. A 90-day supply has the same copay as a one-month supply.

Filling prescriptions by mail

To get order forms and information about filling your prescriptions by mail, please call Novixus at (877) 668-4987, Monday–Friday, 8 a.m. to 8 p.m. EST, and Saturdays, 9 a.m. to 5 p.m. EST. You can also visit www.novixus.com.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit CommunityFirstMedicare.com.

Usually, a mail-order prescription will get to you within 14 days. If a mail order is delayed, go to your local pharmacy to fill the prescription (if your prescription is on file). If your delayed prescription is not on file at your local pharmacy, then please ask your doctor to call in a new prescription to your pharmacist. Or your pharmacist can call the doctor's office for you to request the prescription.

Your pharmacist can also call the Pharmacy Help Desk at (866) 333-2757, 24 hours a day, 7 days a week, if they have any problems, questions, concerns, or need a claim override for a delayed prescription.

Mail-order processes

The mail-order service has different procedures for new prescriptions it gets from you, new prescriptions it gets directly from your provider's office, and refills on your mail-order prescriptions:

1. New prescriptions the pharmacy gets from you

The pharmacy will automatically fill and deliver new prescriptions it gets from you.

2. New prescriptions the pharmacy gets directly from your provider's office

After the pharmacy gets a prescription from a health care provider, it will contact you to see if you want the medication filled immediately or at a later time.

- This will give you an opportunity to make sure the pharmacy is delivering the correct drug (including strength, amount, and form) and, if needed, allow you to stop or delay the order before you are billed, and it is shipped.
- It is important that you respond each time you are contacted by the pharmacy to let them know what to do with the new prescription and to prevent any delays in shipping.

3. Refills on mail-order prescriptions

For refills, please contact your pharmacy 15 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.

So the pharmacy can reach you to confirm your order before shipping, please make sure to let the pharmacy know the best way to contact you. You can do this by calling the mail-order pharmacy at (877) 668-4987, Monday–Friday, 8 a.m. to 8 p.m. EST and Saturdays, 9 a.m. to 5 p.m. EST to set up your communication preferences.

A7. Getting a long-term supply of drugs

You can get a long-term supply of maintenance drugs on our plan's Drug List. Maintenance drugs are drugs that you take on a regular basis for a chronic or long-term medical condition. When you get a long-term supply of drugs, your cost-sharing may be lower.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

Some network pharmacies allow you to get a long-term supply of maintenance drugs. A 90-day supply has the same copay as a one-month supply. The *Pharmacy Directory* tells you which pharmacies can give you a long-term supply of maintenance drugs. You can also call Member Services for more information.

You can use the plan's network mail-order services to get a long-term supply of maintenance drugs. See the section above to learn about mail-order services.

A8. Using a pharmacy that is not in the plan's network

Generally, we pay for drugs filled at an out-of-network pharmacy only when you are not able to use a network pharmacy. We have network pharmacies outside of our service area where you can get your prescriptions filled as a Member of our plan.

We will pay for prescriptions filled at an out-of-network pharmacy in the following cases:

- When experiencing a medical emergency.
 - Prescriptions filled at an out-of-network pharmacy for up to a 29-day supply will be covered if the prescriptions are related to care for a medical emergency or urgently needed care, are included in our Drug List without restrictions, and are not excluded from Medicare Part D coverage.
- When traveling or out of the service area.
 - When traveling within the U.S., you have access to network pharmacies nationwide. Bring your prescriptions and medication with you and be sure to check the pharmacy directory for your travel plans to locate a network pharmacy while traveling.
 - If you are leaving the country, you may be able to obtain a greater day supply to take with you before leaving the country where there are no network pharmacies available.
- If you are unable to obtain a covered drug in a timely manner within the service area because a network pharmacy is not within reasonable driving distance that provides 24-hour service.
- If you are trying to fill a prescription drug not regularly stocked at an accessible network retail or preferred mail-order pharmacy (including high-cost and unique drugs).
- If you need a prescription while a patient in an emergency department, provider-based clinic, outpatient surgery, or other outpatient setting.
- During a federally declared natural disaster or other emergency when you couldn't reasonably be expected to get medicines from a network pharmacy

In these cases, please check first with Member Services to see if there is a network pharmacy nearby. Call 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

A9. Paying you back if you pay for a prescription

If you must use an out-of-network pharmacy, you will generally have to pay the full cost instead of a copay when you get your prescription. You can ask us to pay you back for our share of the cost.

To learn more about this, see Chapter 7, Section B.

B. The plan's Drug List

The plan has a *List of Covered Drugs*. We call it the "Drug List" for short.

The drugs on the Drug List are selected by the plan with the help of a team of doctors and pharmacists. The Drug List also tells you if there are any rules you need to follow to get your drugs.

We will generally cover a drug on the plan's Drug List as long as you follow the rules explained in this chapter.

B1. Drugs on the Drug List

The Drug List includes the drugs covered under Medicare Part D and prescription and over-the-counter drugs and items covered under your Texas Medicaid benefits.

The Drug List includes both brand name and generic drugs. Generic drugs have the same active ingredients as brand-name drugs. Generally, they work just as well as brand-name drugs and usually cost less.

We will generally cover a drug on the plan's Drug List as long as you follow the rules explained in this chapter.

Our plan also covers certain over-the-counter drugs and products. Some over-the-counter drugs cost less than prescription drugs and work just as well. For more information, call Member Services at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free.

B2. How to find a drug on the Drug List

To find out if a drug you are taking is on the Drug List, you can:

- Check the most recent Drug List we sent you in the mail.
- Visit the plan's website at [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com). The Drug List on the website is always the most current one.
- Call Member Services to find out if a drug is on the plan's Drug List or to ask for a copy of the list.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

B3. Drugs that are not on the Drug List

The plan does not cover all prescription drugs. Some drugs are not on the Drug List because the law does not allow the plan to cover those drugs. In other cases, we have decided not to include a drug on the Drug List.

Community First Medicare Advantage D-SNP will not pay for the drugs listed in this section. These are called excluded drugs. If you get a prescription for an excluded drug, you must pay for it yourself. If you think we should pay for an excluded drug because of your case, you can file an appeal. (To learn how to file an appeal, see Chapter 9, Section F).

Here are three general rules for excluded drugs:

1. Our plan's outpatient drug coverage (which includes Medicare Part D and Texas Medicaid drugs) cannot pay for a drug that would already be covered under Medicare Part A or Part B.
2. Our plan cannot cover a drug purchased outside the United States and its territories.
3. The use of the drug must be either approved by the Food and Drug Administration (FDA) or supported by certain medical references as a treatment for your condition. Your doctor might prescribe a certain drug to treat your condition, even though it was not approved to treat the condition. This is called off-label use. Our plan usually does not cover drugs when they are prescribed for off-label use.

Also, by law, the types of drugs listed below are not covered by Medicare.

- Drugs used to promote fertility
- Drugs used for cosmetic purposes or to promote hair growth
- Drugs used for the treatment of sexual or erectile dysfunction, such as Viagra®, Cialis®, Levitra®, and Caverject®
- Drugs used for the treatment of anorexia, weight loss, or weight gain
- Outpatient drugs when the company who makes the drugs says that you have to have tests or services done only by them

B4. Drug List tiers

Every drug on the plan's Drug List is in one of five cost-sharing tiers. A tier is a group of drugs of generally the same type (for example, brand name, generic, or over-the-counter drugs). In general, the higher the cost-sharing tier, the higher your cost for the drug.

- Tier 1 is the lowest tier, and Tier 5 is the highest tier.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

- Tier 1: Preferred Generic Drugs. Includes lower cost, commonly used generic drugs.
- Tier 2: Generic Drugs. Includes many generic drugs.
- Tier 3: Preferred Brand Drugs. Includes common brand name drugs, called preferred brands, and some higher-cost generic drugs.
- Tier 4: Non-Preferred Brand Drugs. Includes non-preferred generic and non-preferred brand name drugs.
- Tier 5: Specialty Drugs. Includes unique and/or very high-cost drugs.

To find out which cost-sharing tier your drug is in, look for the drug in the plan's Drug List.

Chapter 6, Section C tells the amount you pay for drugs in each cost-sharing tier.

C. Limits on some drugs

For certain prescription drugs, special rules limit how and when the plan covers them. In general, our rules encourage you to get a drug that works for your medical condition and is safe and effective. When a safe, lower-cost drug will work just as well as a higher-cost drug, the plan expects your provider to prescribe the lower-cost drug.

If there is a special rule for your drug, it usually means that you or your provider will have to take extra steps for us to cover the drug. For example, your provider may have to tell us your diagnosis or provide results of blood tests first. If you or your provider think our rule should not apply to your situation, you should ask us to make an exception. We may or may not agree to let you use the drug without taking the extra steps.

To learn more about asking for exceptions, see Chapter 9, Section F.

1. Limiting use of a brand name drug when a generic version is available

Generally, a generic drug works the same as a brand name drug and usually costs less. In most cases, if there is a generic version of a brand name drug, our network pharmacies will give you the generic version.

- We usually will not pay for the brand name drug when there is a generic version.
- However, if your provider has told us the medical reason that the generic drug will not work for you **or** has written "No substitutions" on your prescription for a brand name drug, **or** has told us the medical reason that neither the generic drug nor other covered drugs that treat the same condition will work for you, then we will cover the brand name drug.
- Your copay may be greater for the brand name drug than for the generic drug.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

2. Getting plan approval in advance

For some drugs, you or your doctor must get approval from Community First Medicare Advantage D-SNP before you fill your prescription. If you don't get approval, the plan may not cover the drug.

3. Trying a different drug first

In general, the plan wants you to try lower-cost drugs (that often are as effective) before the plan covers drugs that cost more. For example, if Drug A and Drug B treat the same medical condition, and Drug A costs less than Drug B, the plan may require you to try Drug A first.

If Drug A does not work for you, the plan will then cover Drug B. This is called step therapy.

4. Quantity limits

For some drugs, we limit the amount of the drug you can have. This is called a quantity limit. For example, the plan might limit how much of a drug you can get each time you fill your prescription.

To find out if any of the rules above apply to a drug you take or want to take, check the Drug List. For the most up-to-date information, call Member Services or check our website at CommunityFirstMedicare.com.

D. Reasons your drug might not be covered

We try to make your drug coverage work well for you, but sometimes a drug might not be covered in the way that you would like it to be. For example:

- The drug you want to take is not covered by the plan. The drug might not be on the Drug List. A generic version of the drug might be covered, but the brand name version you want to take is not. A drug might be new, and we have not yet reviewed it for safety and effectiveness.
- The drug is covered, but there are special rules or limits on coverage for that drug. As explained in Section C above, some of the drugs covered by the plan have rules that limit their use. In some cases, you or your prescriber may want to ask us for an exception to a rule.

There are things you can do if your drug is not covered in the way that you would like it to be.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit CommunityFirstMedicare.com.

D1. Getting a temporary supply

In some cases, the plan can give you a temporary supply of a drug when the drug is not on the Drug List or when it is limited in some way. This gives you time to talk with your provider about getting a different drug or to ask the plan to cover the drug.

To get a temporary supply of a drug, you must meet the two rules below:

1. The drug you have been taking:
 - is no longer on the plan's Drug List, **or**
 - was never on the plan's Drug List, **or**
 - is now limited in some way.

2. You must be in one of these situations:
 - You were in the plan last year.
 - We will cover a temporary supply of your drug **during the first 90 days of the calendar year.**
 - This temporary supply will be for up to 30 days.
 - If your prescription is written for fewer days, we will allow multiple refills to provide up to a maximum of 30 days of medication. You must fill the prescription at a network pharmacy.
 - Long-term care pharmacies may provide your prescription drug in small amounts at a time to prevent waste.
 - You are new to the plan.
 - We will cover a temporary supply of your **drug during the first 90 of your membership in the plan.**
 - This temporary supply will be for up to 30 days.
 - If your prescription is written for fewer days, we will allow multiple refills to provide up to a maximum of 30 days of medication. You must fill the prescription at a network pharmacy.
 - Long-term care pharmacies may provide your prescription drug in small amounts at a time to prevent waste.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

- You have been in the plan for more than 90 days and live in a long-term care facility and need a supply right away.
 - We will cover one 31-day supply or less if your prescription is written for fewer days. This is in addition to the above temporary supply.
 - To ask for a temporary supply of a drug, call Member Services.

When you get a temporary supply of a drug, you should talk with your provider to decide what to do when your supply runs out. Here are your choices:

- You can change to another drug.

There may be a different drug covered by the plan that works for you. You can call Member Services to ask for a list of covered drugs that treat the same medical condition. The list can help your provider find a covered drug that might work for you.

OR

- You can ask for an exception.

You and your provider can ask the plan to make an exception. For example, you can ask the plan to cover a drug even though it is not on the Drug List. Or you can ask the plan to cover the drug without limits. If your provider says you have a good medical reason for an exception, they can help you ask for one.

- To ask for a temporary supply of a drug, call Member Services at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free.

plan to cover the drug without limits. If your provider says you have a good medical reason for an exception, he or she can help you ask for one.

If a drug you are taking will be taken off the Drug List or limited in some way for next year, we will allow you to ask for an exception before next year.

- We will tell you about any change in the coverage for your Medicare Part D drug for next year. You can then ask us to make an exception and cover the drug in the way you would like it to be covered for next year.
- We will answer your request for an exception within 72 hours after we get your request (or your prescriber's supporting statement).

To learn more about asking for an exception, see Chapter 9, Section F.

If you need help asking for an exception, you can contact Member Services at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. (TTY 7-1-1, 24 hours a day, 7 days a week.)

E. Changes in coverage for your drugs

Most changes in drug coverage happen on January 1, but Community First Medicare Advantage D-SNP may add or remove drugs on the Drug List during the year. We may also change our rules about drugs. For example, we could:

- Decide to require or not require prior approval for a drug. (Prior approval is permission from Community First Medicare Advantage D-SNP before you can get a drug.)
- Add or change the amount of a drug you can get (called quantity limits).
- Add or change step therapy restrictions on a drug. (Step therapy means you must try one drug before we will cover another drug.)

For more information on these drug rules, see Section C earlier in this chapter.

If you are taking a drug that was covered at the **beginning** of the year, we will generally not remove or change coverage of that drug **during the rest of the year** unless:

- a new, cheaper drug comes on the market that works as well as a drug on the Drug List now, **or**
- we learn that a drug is not safe, **or**
- a drug is removed from the market.

To get more information on what happens when the Drug List changes, you can always:

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

- Check Community First Medicare Advantage D-SNP's up-to-date Drug List online at [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com) or
- Call Member Services to check the current Drug List at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free.

Some changes to the Drug List will happen **immediately**.

For example:

- A new generic drug comes on the market that works as well as a brand name drug on the Drug List now. When this happens:
 - we may remove the brand name drug and add the new generic drug. Your cost for the new drug will stay the same or will be lower.
 - we may decide to keep the brand name drug on the list (in addition to the new generic drug) but change its coverage rules or limits.

We may not tell you before we make this change, but we will send you information about the specific change we made once it happens.

You or your provider can ask for an “exception” from these changes. We will send you a notice with the steps you can take to ask for an exception. Please see Chapter 9 of this handbook for more information on exceptions.

- **A drug is taken off the market.** If the Food and Drug Administration (FDA) says a drug you are taking is not safe or the drug's manufacturer takes a drug off the market, we will take it off the Drug List. When this happens:
 - if you are taking the drug, we will let you know. Your prescribing doctor will also know about this change and can work with you to find another drug for your condition.

We may make other changes that affect the drugs you take. We will tell you in advance about these other changes to the Drug List. These changes might happen if:

- The FDA provides new guidance, or there are new clinical guidelines about a drug.
- We add a generic drug that is not new to the market, **and**
 - Replace a brand name drug currently on the Drug List, **or**
 - Change the coverage rules or limits for the brand name drug.

When these changes happen, we will:

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

- Tell you at least 30 days before we make the change to the Drug List **or**
- Let you know and give you a 30-day supply of the drug after you ask for a refill.

This will give you time to talk to your doctor or other prescriber. He or she can help you decide:

- If there is a similar drug on the Drug List, you can take instead or
- Whether to ask for an exception from these changes. To learn more about asking for exceptions, see Chapter 9.

We may make changes that do not affect the drugs you take now. For such changes, if you are taking a drug we covered at the **beginning** of the year, we generally will not remove or change coverage of that drug **during the rest of the year**.

For example, if we remove a drug you are taking, increase what you pay for the drug, or limit its use, then the change will not affect your use of the drug or what you pay for the drug for the rest of the year.

F. Drug coverage in special cases

F1. If you are in a hospital or a skilled nursing facility for a stay that is covered by the plan

If you are admitted to a hospital or skilled nursing facility for a stay covered by the plan, we will generally cover the cost of your prescription drugs during your stay. You will not have to pay a copay. Once you leave the hospital or skilled nursing facility, the plan will cover your drugs as long as the drugs meet all of our rules for coverage.

To learn more about drug coverage and what you pay, see Chapter 6.

F2. If you are in a long-term care facility

Usually, a long-term care facility, such as a nursing home, has its own pharmacy or a pharmacy that supplies drugs for all of its residents. If you are living in a long-term care facility, you may get your prescription drugs through the facility's pharmacy if it is part of our network.

Check your *Provider and Pharmacy Directory* to find out if your long-term care facility's pharmacy is part of our network. If it is not, or if you need more information, please contact Member Services.

F3. If you are in a Medicare-certified hospice program

Drugs are never covered by both hospice and our plan at the same time.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

- If you are enrolled in a Medicare hospice and require a pain medication, anti-nausea, laxative, or antianxiety drug not covered by your hospice because it is unrelated to your terminal prognosis and related conditions, our plan must get notification from either the prescriber or your hospice provider that the drug is unrelated before our plan can cover the drug.
- To prevent delays in getting any unrelated drugs that should be covered by our plan, you can ask your hospice provider or prescriber to make sure we have the notification that the drug is unrelated before you ask a pharmacy to fill your prescription.

If you leave hospice, our plan should cover all of your drugs. To prevent any delays at a pharmacy when your Medicare hospice benefit ends, you should bring documentation to the pharmacy to verify that you have left hospice. See the previous parts of this chapter that tell about the rules for getting drug coverage under Medicare Part D.

To learn more about the hospice benefit, see Chapter 4, Section F.

G. Programs on drug safety and managing drugs

G1. Programs to help Members use drugs safely

Each time you fill a prescription, we look for possible problems, such as drugs errors or drugs that:

- May not be needed because you are taking another drug that does the same thing
- May not be safe for your age or gender
- Could harm you if you take them at the same time
- Have ingredients that you are or may be allergic to
- Have unsafe amounts of opioid pain medications

If we see a possible problem in your use of prescription drugs, we will work with your provider to correct the problem.

G2. Programs to help Members manage their drugs

If you take medications for different medical conditions and/or you are in a Drug Management Program to help you use your opioid medications safely, you may be eligible to get services, at no cost to you, through a medication therapy management (MTM) program. This program helps you and your provider make sure that your medications are working to improve your health. A pharmacist or other health professional will give you a comprehensive review of all your medications and talk with you about:

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

- How to get the most benefit from the drugs you take
- Any concerns you have, like medication costs and drug reactions
- How best to take your medications
- Any questions or problems you have about your prescription and over-the-counter medication

You'll get a written summary of this discussion. The summary has a medication action plan that recommends what you can do to make the best use of your medications. You'll also get a personal medication list that will include all the medications you're taking and why you take them. In addition, you'll get information about safe disposal of prescription medications that are controlled substances.

It's a good idea to schedule your medication review before your yearly "Wellness" visit, so you can talk to your doctor about your action plan and medication list. Bring your action plan and medication list with you to your visit or anytime you talk with your doctors, pharmacists, and other health care providers. Also, take your medication list with you if you go to the hospital or emergency room.

Medication therapy management programs are voluntary and free to Members that qualify. If we have a program that fits your needs, we will enroll you in the program and send you information. If you do not want to be in the program, please let us know, and we will take you out of the program.

If you have any questions about these programs, please contact Member Services or your Care Coordinator.

G3. Drug management program to help Members safely use their opioid medications

Community First Medicare Advantage D-SNP has a program that can help Members safely use their prescription opioid medications and other medications that are frequently misused. This program is called a Drug Management Program (DMP).

If you use opioid medications that you get from several doctors or pharmacies or if you had a recent opioid overdose, we may talk to your doctors to make sure your use of opioid medications is appropriate and medically necessary. Working with your doctors, if we decide your use of prescription opioid or benzodiazepine medications is not safe, we may limit how you can get those medications. Limitations may include:

- Requiring you to get all prescriptions for those medications **from certain pharmacies and/or from certain doctors.**
- **Limiting the amount** of those medications we will cover for you

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

If we think that one or more limitations should apply to you, we will send you a letter in advance. The letter will explain the limitations we think should apply.

You will have a chance to tell us which doctors or pharmacies you prefer to use and any information you think is important for us to know. If we decide to limit your coverage for these medications after you have a chance to respond, we will send you another letter that confirms the limitations.

If you think we made a mistake, you disagree that you are at risk for prescription drug misuse, or you disagree with the limitation, you and your prescriber can file an appeal. If you file an appeal, we will review your case and give you our decision. If we continue to deny any part of your appeal related to limitations to your access to these medications, we will automatically send your case to an Independent Review Entity (IRE). (To learn how to file an appeal and to find out more about the IRE, see Chapter 9.)

The DMP may not apply to you if you:

- have certain medical conditions, such as cancer or sickle cell disease,
- are getting hospice, palliative, or end-of-life care, **or**
- live in a long-term care facility.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

Chapter 6: What you pay for your Medicare prescription drugs

Introduction

This chapter tells what you pay for your outpatient prescription drugs. By “drugs,” we mean Medicare Part D prescription drugs.

Not all drugs are Part D drugs – some drugs are covered under Medicare Part A or Part B under Medicaid. Other drugs are excluded from Medicare coverage by law.

Some Members are eligible for Texas Medicaid. This means you are getting “Extra Help” from Medicare to help pay for your Medicare Part D prescription drugs. If are in the “Extra Help” program, some information in this chapter about the costs for Part D prescription drugs may not apply to you. We sent you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also known as the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug coverage. If you don’t have this insert, please call Member Services and ask for the “LIS Rider.”

Extra Help is a Medicare program that helps people with limited incomes and resources reduce Medicare Part D prescription drug costs, such as premiums, deductibles, and copays. Extra Help is also called the “Low-Income Subsidy” or “LIS.”

Other key terms and their definitions appear in alphabetical order in the last chapter of the *Member Handbook*.

To learn more about prescription drugs, you can look in these places:

- The plan’s *List of Covered Drugs* or Formulary
 - We call this the “Drug List.” It tells you:
 - Which drugs the plan pays for
 - Which of the five cost-sharing tiers each drug is in
 - Whether there are any limits on the drugs
 - If you need a copy of the Drug List, call Member Services at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

- You can also find the Drug List on our website at CommunityFirstMedicare.com. The Drug List on the website is always the most current.

 - Chapter 5 tells how to get your outpatient prescription drugs through the plan.
 - It includes rules you need to follow. It also tells which types of prescription drugs are not covered by our plan.
- The plan's Provider and Pharmacy Directory.
 - In most cases, you must use a network pharmacy to get your covered drugs. Network pharmacies are pharmacies that have agreed to work with our plan.
 - The Provider and Pharmacy Directory has a list of network pharmacies. You can read more about network pharmacies in Chapter 5.

A. The *Explanation of Benefits* (EOB)

Our plan keeps track of your prescription drugs. We keep track of two types of costs:

- Your **out-of-pocket costs**. This is the amount of money you, or others on your behalf, pay for your prescriptions.
- Your **total drug costs**. This is the amount of money you, or others on your behalf, pay for your prescriptions, plus the amount the plan pays.

When you get prescription drugs through the plan, we send you a report called the *Explanation of Benefits*. We call it the EOB for short. The EOB has more information about the drugs you take, such as increases in price and other drugs with lower cost-sharing that may be available. You can talk to your prescriber about these lower cost options. The EOB includes:

- **Information for the month**. The report tells what prescription drugs you got. It shows the total drug costs, what the plan paid, and what you and others paying for you paid.
- **“Year-to-date” information**. This is your total drug costs and the total payments made since January 1.
- **Drug price information**. This is the total price of the drug and the percentage change in the drug price since the first fill.
- **Lower cost alternatives**. When available, they appear in the summary below your current drugs. You can talk to your prescriber to find out more.

We offer coverage of drugs not covered under Medicare.

- Payments made for these drugs will not count toward your total out-of-pocket costs.
- To find out which drugs our plan covers, see the Drug List.

B. How to keep track of your drug costs

To keep track of your drug costs and the payments you make, we use records we get from you and from your pharmacy. Here is how you can help us:

1. Use your Member ID Card.

Show your Member ID Card every time you get a prescription filled. This will help us know what prescriptions you fill and what you pay.

2. Make sure we have the information we need.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

Give us copies of receipts for drugs that you have paid for. You can ask us to help you get paid back for our share of the cost of the drug. Contact your Care Coordinator or Member Services for information on how to get paid back.

Here are some times when you should give us copies of your receipts:

- When you buy a covered drug at a network pharmacy at a special price or using a discount card that is not part of our plan's benefit
- When you pay a copay for drugs that you get under a drug maker's patient assistance program
- When you buy covered drugs at an out-of-network pharmacy
- When you pay the full price for a covered drug

To learn how to ask us to pay you back for our share of the cost of the drug, see Chapter 7, Section A.

3. Send us information about the payments others have made for you.

Payments made by certain other people and organizations also count toward your out-of-pocket costs. For example, payments made by a state pharmaceutical assistance program, an AIDS drug assistance program, the Indian Health Service, and most charities count toward your out-of-pocket costs. This can help you qualify for catastrophic coverage. When you reach the Catastrophic Coverage Stage, Community First Medicare Advantage D-SNP pays most of the costs of your Medicare Part D drugs for the rest of the year.

4. Check the EOBs we send you.

When you get an EOB in the mail, please make sure it is complete and correct. If you think something is wrong or missing from the report, or if you have any questions, please call Member Services. Be sure to keep these reports. They are an important record of your drug expenses.

C. Drug Payment Stages for Medicare Part D drugs

There are four drug payment stages for your Medicare Part D prescription drug coverage under Community First Medicare Advantage D-SNP. How much you pay depends on which stage you are in when you get a prescription filled or refilled.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

Stage 1: Yearly Deductible Stage	Stage 2: Initial Coverage Stage	Stage 3: Coverage Gap Stage	Stage 4: Catastrophic Coverage Stage
<p>Because there is no deductible for the plan, this payment stage does not apply to you.</p> <p>If you receive “Extra Help” to pay your prescription drugs, this payment stage does not apply to you.</p> <p>If you do not receive “Extra Help,” you begin in this payment stage when you fill your first prescription of the year.</p> <p>During this stage, you pay the full cost of your drugs.</p> <p>You stay in this stage until you have paid \$505 for your drugs (\$505 is the amount of your deductible).</p>	<p>During this stage, the plan pays its share of the cost of your drugs, and you pay your share of the cost.</p> <p>You stay in this stage until your year-to-date “total drug costs” (your payments plus any Part D plan’s payments) total \$4,460.</p>	<p>During this stage, you pay 25% of the price for brand name drugs (plus a portion of the dispensing fee) and 25% of the price for generic drugs.</p> <p>You stay in this stage until your year-to-date “out-of-pocket costs” (your payments) reach a total of \$7,400. This amount and rules for counting costs toward this amount have been set by Medicare.</p>	<p>During this stage, the plan will pay most of the cost of your drugs for the rest of the calendar year (through December 31, 2023).</p>

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

C1. The plan's cost-sharing tiers

Cost-sharing tiers are groups of drugs with the same copay. Every drug in the plan's Drug List is in one of five cost-sharing tiers. In general, the higher the tier number, the higher the copay. To find the cost-sharing tiers for your drugs, you can look in the Drug List.

Tier 1 is the lowest tier, and Tier 5 is the highest tier.

- Tier 1: Preferred Generic Drugs. Includes lower cost, commonly used generic drugs.
- Tier 2: Generic Drug. Includes many generic drugs.
- Tier 3: Preferred Brand Drugs. Includes common brand name drugs, called preferred brands, and some higher-cost generic drugs.
- Tier 4: Non-Preferred Brand Drugs. Includes non-preferred generic and non-preferred brand name drugs.
- Tier 5: Specialty Drugs. Includes unique and/or very high-cost drugs.

C2. Your pharmacy choices

How much you pay for a drug depends on whether you get the drug from:

- a network pharmacy, **or**
- an out-of-network pharmacy.

In limited cases, we cover prescriptions filled at out-of-network pharmacies. Refer to Chapter 5 to find out when we will do that.

To learn more about these pharmacy choices, refer to Chapter 5 in this handbook and the plan's *Pharmacy Directory*.

C3. Getting a long-term supply of a drug

For some drugs, you can get a long-term supply (also called an "extended supply") when you fill your prescription. A long-term supply is up to a 90-day supply.

For details on where and how to get a long-term supply of a drug, see Chapter 5, Section A or the *Pharmacy Directory*. For information about which pharmacies can give you long-term supplies, see the plan's *Pharmacy Directory*.

C4. What you pay

You may pay a copay when you fill a prescription. If your covered drug costs less than the copay, you will pay the lower price.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

You can contact Member Services to find out how much your copay is for any covered drug.

D. Stage 1: The Yearly Deductible Stage

The Yearly Deductible Stage is the first payment stage for your drug coverage.

NOTE: Most Community First Medicare Advantage D-SNP Members receive “Extra Help” with their prescription drug costs. This means that the Deductible Stage does not apply to most Community First Medicare Advantage D-SNP Members. If you receive “Extra Help,” this payment stage DOES NOT apply to you.

If you do not receive “Extra Help,” the Yearly Deductible Stage is the first payment stage for your drug coverage. It begins when you fill your first prescription in the year. The deductible amount for Medicare Advantage D-SNP is **\$505**.

D1. Your pharmacy choices

How much you pay for a drug depends on whether you get the drug from:

- a network pharmacy, **or**
- an out-of-network pharmacy.

In limited cases, we cover prescriptions filled at out-of-network pharmacies. Refer to Chapter 5 to find out when we will do that.

To learn more about these pharmacy choices, refer to Chapter 5 in this handbook and the plan’s *Pharmacy Directory*.

D2. Getting a long-term supply of a drug

For some drugs, you can get a long-term supply (also called an “extended supply”) when you fill your prescription. A long-term supply is up to a 90-day supply. It costs you the same as a one-month supply.

For details on where and how to get a long-term supply of a drug, refer to Chapter 5 or the *Pharmacy Directory*.

D3. What you pay

When you are in this payment stage, you must pay the full cost of your Tier 1 through Tier 5 drugs until you reach the plan’s deductible amount, which is **\$505** for 2023.

- Your “full cost” is usually lower than the normal full price of the drug since our plan has negotiated lower costs for most drugs.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

- The “deductible” is the amount you must pay for your Part D prescription drugs before the plan begins to pay its share.

D4. End of the Yearly Deductible Coverage Stage

Once you have paid **\$505** for your drugs, you leave the Yearly Deductible Stage and move on to the next drug payment stage, which is the Initial Coverage Stage.

E. Stage 2: The Initial Coverage Stage

During the Initial Coverage Stage, the plan pays a share of the cost of your covered prescription drugs, and you pay your share. Your share is called the copay or coinsurance. The copay or coinsurance amount depends on what cost-sharing tier the drug is in and where you get it.

E1. Getting a long-term supply of a drug

For some drugs, you can get a long-term supply (also called an “extended supply”) when you fill your prescription. A long-term supply is up to a 90-day supply.

For details on where and how to get a long-term supply of a drug, see Chapter 5, Section A or the Pharmacy Directory. For information about which pharmacies can give you long-term supplies, see the plan’s *Pharmacy Directory*.

E2. What you pay

During the Initial Coverage Stage, you will pay either a copay or coinsurance each time you fill a prescription. If your covered drug costs less than the copay or coinsurance, you will pay the lower price.

You can contact Member Services to find out how much your copay or coinsurance is for any covered drug.

The Initial Coverage Stage ends when your total out-of-pocket costs reach **\$4,460**.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit CommunityFirstMedicare.com.

Your Explanation of Benefits reports will help you keep track of how much you have paid for your drugs during the year. We will let you know if you reach the **\$4,460** limit. Many people do not reach it in a year.

If you do reach this amount, you will leave the Initial Coverage Stage and move on to the Coverage Gap Stage.

F. Stage 3: The Coverage Gap Stage

When you are in the Coverage Gap Stage, the Medicare Coverage Gap Discount Program provides manufacturer discounts on brand name drugs. You pay 25% of the negotiated price and a portion of the dispensing fee for brand name drugs. Both the amount you pay, and the amount discounted by the manufacturer count toward your out-of-pocket costs as if you had paid them and moves you through the coverage gap.

You also receive some coverage for generic drugs. You pay no more than 25% of the cost for generic drugs, and the plan pays the rest. The amount paid by the plan for generic drugs (75%) does not count toward your out-of-pocket costs. Only the amount you pay counts and moves you through the coverage gap.

You continue paying the discounted price for brand name drugs and no more than 25% of the costs of generic drugs until your yearly out-of-pocket payments reach a maximum amount that Medicare has set. In 2023, that amount is **\$7,400**.

Medicare has rules about what counts and what does not count as your out-of-pocket costs. When you reach an out-of-pocket limit of **\$7,400**, you leave the Coverage Gap Stage and move on to the Catastrophic Coverage Stage.

G. Stage 4: The Catastrophic Coverage Stage

When you reach the out-of-pocket limit of **\$7,400** for your prescription drugs, the Catastrophic Coverage Stage begins. You will stay in the Catastrophic Coverage Stage until the end of the calendar year. During this stage, the plan will pay most of the cost for your drugs.

Your share of the cost for a covered drug will be either coinsurance or a copayment, whichever is the larger amount:

- either coinsurance of 5% of the cost of the drug, or
- \$4.15 for a generic drug or a drug that is treated like a generic and \$10.35 for all other drugs.

Our plan pays the rest of the cost.

H. Your drug costs if your doctor prescribes less than a full month's supply

Typically, you pay a copay to cover a full month's supply of a covered drug. However, your doctor can prescribe less than a month's supply of drugs.

- There may be times when you want to ask your doctor about prescribing less than a month's supply of a drug (for example, when you are trying a drug for the first time that is known to have serious side effects).
- If your doctor agrees, you will not have to pay for the full month's supply for certain drugs.

When you get less than a month's supply of a drug, the amount you pay will be based on the number of days of the drug that you get. We will calculate the amount you pay per day for your drug (the "daily cost-sharing rate") and multiply it by the number of days of the drug you get.

- Here's an example: Let's say the copay for your drug for a full month's supply (a 30-day supply) is \$1.30. This means that the amount you pay for your drug is a little more than \$0.04 per day. If you get a 7-day supply of the drug, your payment will be a little more than \$0.04 per day multiplied by 7 days, for a total payment of \$0.30.
- Daily cost sharing allows you to make sure a drug works for you before you have to pay for an entire month's supply.
- You can also ask your provider to prescribe less than a full month's supply of a drug if this will help you:
 - better plan when to refill your drugs,
 - coordinate refills with other drugs you take, and
 - take fewer trips to the pharmacy.

I. Vaccinations

Our plan covers Medicare Part D vaccines. There are two parts to our coverage of Medicare Part D vaccinations:

1. The first part of coverage is for the cost of **the vaccine itself**. The vaccine is a prescription drug.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

2. The second part of coverage is for the cost of **giving you the vaccine**. This is sometimes called the “administration” of the vaccine. For example, sometimes you may get the vaccine as a shot given to you by your doctor.

I1. What you need to know before you get a vaccination

We recommend that you call us first at Member Services whenever you are planning to get a vaccination.

- We can tell you about how your vaccination is covered by our plan and explain your share of the cost.
- We can tell you how to keep your costs down by using network pharmacies and providers. Network pharmacies are pharmacies that have agreed to work with our plan. A network provider is a provider who works with the health plan. A network provider should work with Community First Medicare Advantage D-SNP to ensure that you do not have any upfront costs for a Medicare Part D vaccine.

I2. What you pay for a Medicare Part D vaccination

What you pay for a vaccination depends on the type of vaccine (what you are being vaccinated for).

- Some vaccines are considered health benefits rather than drugs. These vaccines are covered at no cost to you. To learn about coverage of these vaccines, see the Benefits Charts in Chapter 4, Section D.
- Other vaccines are considered Medicare Part D drugs. You can find these vaccines listed in the plan’s Drug List. You may have to pay a copay for Medicare Part D vaccines.

Here are three common ways you might get a Medicare Part D vaccination.

1. You get the Medicare Part D vaccine at a network pharmacy and get your shot at the pharmacy.
 - You will pay the pharmacy the amount of your copayment and/or coinsurance for the vaccine and the cost of giving you the vaccine.
2. You get the Medicare Part D vaccine at your doctor’s office, and the doctor gives you the shot.
 - You will pay the entire cost of the vaccine and the cost of giving you the vaccine
 - You can then ask our plan to pay our share of the cost (See Chapter 7 to find out how to ask us to pay our share of the cost)

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

- You will be reimbursed the amount you paid less your normal copayment and/or coinsurance for the vaccine (including administration), less any difference between the amount the doctor charges and what we normally pay. (If you get “Extra Help,” we will reimburse you for this difference.)
3. You get the Medicare Part D vaccine itself at a pharmacy and take it to your doctor’s office to get the shot.
- You will pay a copay or coinsurance for the vaccine.
 - You will pay for the cost of giving you the vaccine.
 - You can then ask our plan to pay our share of the cost (See Chapter 7 to find out how to ask us to pay our share of the cost)
 - You will be reimbursed the amount charged by the doctor for administering the vaccine, less any difference between the amount the doctor charges and what we normally pay. (If you get “Extra Help,” we will reimburse you for this difference.)

Chapter 7: Asking us to pay our share of a bill you have gotten for covered services or drugs

Introduction

This chapter tells you how and when to send us a bill to ask for payment. It also tells you how to make an appeal if you do not agree with a coverage decision. Key terms and their definitions appear in alphabetical order in the last chapter of the *Member Handbook*.

Table of Contents

A. Asking us to pay for your services or drugs	137
B. Sending a request for payment.....	139
C. Coverage decisions.....	140
D. Appeals	141

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

A. Asking us to pay for your services or drugs

Our network providers must bill the plan for the services and drugs you already got. A network provider is a provider who works with the health plan.

If you get a bill for the full cost of health care or drugs, send the bill to us.

- If the services or drugs are covered, we will pay the provider directly.
 - If the services or drugs are covered, and you already paid more than your share of the cost, it is your right to be paid back.
 - If the services or drugs are **not** covered, we will tell you.
- Contact Member Services or your Care Coordinator if you have any questions. If you do not know what you should have paid or if you get a bill and you do not know what to do about it, we can help. You can also call if you want to tell us information about a request for payment you already sent to us.

Here are examples of times when you may need to ask our plan to pay you back or to pay a bill you got:

1. When you get emergency or urgently needed health care from an out-of-network provider

You should ask the provider to bill the plan.

- If you pay the full amount when you get the care, ask us to pay you back for our share of the cost. Send us the bill and proof of any payment you made.
- You may get a bill from the provider asking for payment that you think you do not owe. Send us the bill and proof of any payment you made.
 - If the provider should be paid, we will pay the provider directly.
 - If you have already paid more than your share of the cost for the service, we will figure out how much you owed and pay you back our share of the cost.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

2. When a network provider sends you a bill

Network providers must always bill the plan. Show your Community First Medicare Advantage D-SNP Member ID Card when you get any services or prescriptions. Improper/inappropriate billing occurs when a provider (such as a doctor or hospital) bills you more than the plan's cost-sharing amount for services. **Call Member Services if you get any bills.**

- As a Community First Medicare Advantage D-SNP, you only have to pay the copay when you get services covered by our plan. We do not allow providers to bill you more than this amount. This is true even if we pay the provider less than the provider charged for a service. If we decide not to pay for some charges, you still do not have to pay them.
- Whenever you get a bill from a network provider that you think is more than you should pay, send us the bill. We will contact the provider directly and take care of the problem.
- If you have already paid a bill from a network provider, but you feel that you paid too much, send us the bill and proof of any payment you made. We will pay you back for your covered services or for the difference between the amount you paid and the amount you owed under the plan.

3. When you use an out-of-network pharmacy to get a prescription filled

If you go to an out-of-network pharmacy, you will have to pay the full cost of your prescription.

- We may cover prescriptions filled at out-of-network pharmacies. Send us a copy of your receipt when you ask us to pay you back for our share of the cost.
- Please see Chapter 5 to learn more about out-of-network pharmacies.

4. When you pay the full cost for a prescription because you do not have your Member ID Card with you

If you do not have your Member ID Card with you, you can ask the pharmacy to call the plan or to look up your plan enrollment information.

- If the pharmacy cannot get the information they need right away, you may have to pay the full cost of the prescription yourself.
- Send us a copy of your receipt when you ask us to pay you back for our share of the cost.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

5. When you pay the full cost for a prescription for a drug that is not covered

You may pay the full cost of the prescription because the drug is not covered.

- The drug may not be on the plan's *List of Covered Drugs* (Drug List), or it could have a requirement or restriction that you did not know about or do not think should apply to you. If you decide to get the drug, you may need to pay the full cost for it.
 - If you do not pay for the drug but think it should be covered, you can ask for a coverage decision (see Chapter 9).
 - If you and your doctor or other prescriber think you need the drug right away, you can ask for a fast coverage decision (see Chapter 9).
- Send us a copy of your receipt when you ask us to pay you back. In some situations, we may need to get more information from your doctor or other prescriber in order to pay you back for our share of the cost of the drug.

When you send us a request for payment, we will review your request and decide whether the service or drug should be covered. This is called making a “coverage decision.” If we decide it should be covered, we will pay for our share of the cost of the service or drug. If we deny your request for payment, you can appeal our decision.

To learn how to make an appeal, see Chapter 9.

B. Sending a request for payment

Send us your bill and proof of any payment you have made. Proof of payment can be a copy of the check you wrote or a receipt from the provider. **It is a good idea to make a copy of your bill and receipts for your records.** You can ask your Care Coordinator for help.

To make sure you are giving us all the information we need to make a decision, you can fill out our claim form to make your request for payment.

- You do not have to use the form, but it will help us process the information faster.
- You can get a copy of the form on our website [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com), or you can call Member Services at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. (TTY 7-1-1, 24 hours a day, 7 days a week.) and ask for the form.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

C. Coverage decisions

When we get your request for payment, we will make a coverage decision. This means that we will decide whether your health care or drug is covered by the plan. We will also decide the amount, if any, you have to pay for the health care or drug.

- We will let you know if we need more information from you.
- If we decide that the health care or drug is covered and you followed all the rules for getting it, we will pay our share of the cost for it. If you have already paid for the service or drug, we will mail you a check for our share of the cost. If you have not paid for the service or drug yet, we will pay the provider directly.
- Chapter 3 explains the rules for getting your services covered. Chapter 5 explains the rules for getting your Medicare Part D prescription drugs covered.
 - If we decide not to pay for our share of the cost of the service or drug, we will send you a letter explaining why not. The letter will also explain your rights to make an appeal.
 - To learn more about coverage decisions, see Chapter 9.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

D. Appeals

If you think we made a mistake in turning down your request for payment, you can ask us to change our decision. This is called making an appeal. You can also make an appeal if you do not agree with the amount we pay.

The appeals process is a formal process with detailed procedures and important deadlines. To learn more about appeals, see Chapter 9.

 - Rules you must follow to get covered services and drugs
- Why something is not covered and what you can do about it, including asking us to:
 - Put in writing why something is not covered
 - Change a decision we made
 - Pay for a bill you have got

E. Inability of network providers to bill you directly

Doctors, hospitals, and other providers in our network cannot make you pay for covered services. They also cannot charge you if we pay for less than the provider charged us. To learn what to do if a network provider tries to charge you for covered services, see Chapter 7.

F. Your right to leave the plan

No one can make you stay in our plan if you do not want to. You can leave the plan at any time during the year.

- You have the right to get most of your health care services through Original Medicare or a Medicare Advantage plan.
- You can get your Medicare Part D prescription drug benefits from a prescription drug plan or from a Medicare Advantage plan.
- Refer to Chapter 10 for more information about when you can join a new Medicare Advantage or prescription drug benefit plan.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit CommunityFirstMedicare.com.

G. Your right to make decisions about your health care

G1. Your right to know your treatment options and make decisions about your health care

You have the right to get full information from your doctors and other health care providers when you get services. Your providers must explain your condition and your treatment choices in a way that you can understand. You have the right to:

- **Know your choices.** You have the right to be told about all the kinds of treatment.
- **Know the risks.** You have the right to be told about any risks involved. You must be told in advance if any service or treatment is part of a research experiment. You have the right to refuse experimental treatments.
- **Get a second opinion.** You have the right to see another doctor before deciding on treatment.
- **Say “no.”** You have the right to refuse any treatment. This includes the right to leave a hospital or other medical facility, even if your doctor advises you not to. You also have the right to stop taking a drug. If you refuse treatment or stop taking a drug, you will not be dropped from the plan. However, if you refuse treatment or stop taking a drug, you accept full responsibility for what happens to you.
- **Ask us to explain why a provider denied care.** You have the right to get an explanation from us if a provider has denied care that you believe you should get.
- **Ask us to cover a service or drug that was denied or is usually not covered.** This is called a coverage decision. Chapter 9 how to ask the plan for a coverage decision.

G2. Your right to say what you want to happen if you are unable to make health care decisions for yourself

Sometimes people are unable to make health care decisions for themselves. Before that happens to you, you can:

- Fill out a written form to **give someone the right to make health care decisions for you.**
- **Give your doctor written instructions** about how you want them to handle your health care if you become unable to make decisions for yourself.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

The legal document that you can use to give your directions is called an advance directive. There are different types of advance directives and different names for them. Examples are a living will and a power of attorney for health care.

You do not have to use an advance directive, but you can if you want to. Here is what to do:

- **Get the form.** You can get a form from your doctor, a lawyer, a legal services agency, or a social worker. Organizations that give people information about Medicare or Texas Medicaid, such as State Health Insurance Assisted Programs (SHIP), and Texas Health and Human Services Commission, may also have advance directive forms. You can also contact Member Services to ask for the form.
- **Fill it out and sign the form.** The form is a legal document. You should consider having a lawyer help you prepare it.
- **Give copies to people who need to know about it.** You should give a copy of the form to your doctor. You should also give a copy to the person you name as the one to make decisions for you. You may also want to give copies to close friends or family Members. Be sure to keep a copy at home.
- If you are going to be hospitalized and you have signed an advance directive, **take a copy of it to the hospital.**

The hospital will ask you whether you have signed an advance directive form and whether you have it with you.

If you have not signed an advance directive form, the hospital has forms available and will ask if you want to sign one.

Remember, it is your choice to fill out an advance directive or not.

G3. What to do if your instructions are not followed

If you have signed an advance directive, and you believe that a doctor or hospital did not follow the instructions in it, you may file a complaint with the Texas Medical Board or the Texas Health and Human Services Commission. See Chapter 2 for contact information regarding your state-specific agencies.

Chapter 9 tells what you can do if you have any problems or concerns about your covered services or care. For example, you could ask us to make a coverage decision, make an appeal to us to change a coverage decision, or make a complaint. You also have the right to a fair hearing from the state at any time.

You have the right to get information about appeals and complaints that other Members have filed against our plan. To get this information, call Member Services.

You have the right to get a timely answer to a complaint.

H1. What to do if you believe you are being treated unfairly or you would like more information about your rights

If you believe you have been treated unfairly – and it is **not** about discrimination for the reasons listed in Chapter 11 – or you would like more information about your rights, you can get help by calling:

- Member Services at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free.
- The State Health Insurance Assistance Program (SHIP). For details about this organization and how to contact it, see Chapter 2.
- Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048. (You can also read or download “Medicare Rights & Protections,” found on the Medicare website at www.medicare.gov/Pubs/pdf/11534-Medicare-Rights-and-Protections.pdf.)

I. Your responsibilities as a Member of the plan

As a Member of the plan, you have a responsibility to do the things that are listed below. If you have any questions, call Member Services.

- **Read the *Member Handbook*** to learn what is covered and what rules you need to follow to get covered services and drugs. For details about your:
 - Covered services, see Chapters 3 and 4. Those chapters tell you what is covered, what is not covered, what rules you need to follow, and what you pay.
 - Covered drugs, see Chapters 5 and 6.
- **Tell us about any other health or prescription drug coverage** you have. We are required to make sure you are using all of your coverage options when you get health care. Please call Member Services if you have other coverage.
 - We are required to follow rules set by Medicare and Medicaid to make sure that you are using all of your coverage in combination when you get your covered services from our plan. This is called “coordination of benefits” because it involves coordinating the health and drug benefits you get from our plan with any other health and drug benefits available to you. We’ll help you coordinate your benefits.
- **Tell your doctor and other health care providers** that you are enrolled in our plan. Show your Member ID Card whenever you get services or drugs.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit CommunityFirstMedicare.com.

- **Help your doctors** and other health care providers give you the best care.
 - Give them the information they need about you and your health. Learn as much as you can about your health problems. Follow the treatment plans and instructions that you and your providers agree on.
 - Make sure your doctors and other providers know about all of the drugs you are taking. This includes prescription drugs, over-the-counter drugs, vitamins, and supplements.
 - If you have any questions, be sure to ask. Your doctors and other providers must explain things in a way you can understand. If you ask a question and you do not understand the answer, ask again.
- **Be considerate.** We expect all our Members to respect the rights of other patients. We also expect you to act with respect in your doctor's office, hospitals, and other providers' offices. We expect you to cancel appointments in advance when you cannot keep them and to keep your scheduled appointments.
- **Pay what you owe.** As a plan Member, you are responsible for these payments:
 - Medicare Part A and Medicare Part B premiums. Some plan Members must pay a premium for Medicare Part A. Most plan Members must pay a premium for Medicare Part B to remain a Member of the plan.

NOTE: For most Community First Medicare Advantage D-SNP Standard Plan (HMO D-SNP) Members, Medicaid pays for your Part A premium (if you don't qualify for it automatically) and for your Part B premium. If Medicaid is not paying your Medicare premiums for you, you must continue to pay your Medicare premiums to remain a Member of the plan.

- For most of your drugs covered by the plan, you must pay your share of the cost when you get the drug. This will be a copay (a fixed amount) or coinsurance (a percentage of the total cost). Chapter 4 tells what you must pay for your long-term services and supports. Chapter 6 tells what you must pay for your drugs.
- **If you get any services or drugs that are not covered by our plan, you must pay the full cost.** If you disagree with our decision to not cover a service or drug, you can make an appeal. Please see Chapter 9 to learn how to make an appeal.
- If you are required to pay a late enrollment penalty, you must pay the penalty to keep your prescription drug coverage.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

- If you are required to pay the extra amount for Part D because of your yearly income, you must pay the extra amount directly to the government to remain a Member of the plan.
- **Tell us if you move.** If you are going to move, it is important to tell us right away. Call Member Services.
 - **If you move outside of our service area, you cannot stay in this plan.** Only people who live in our service area can get Community First Medicare Advantage D-SNP. Chapter 1 tells about our service area.
 - We can help you figure out whether you are moving outside our service area. During a special enrollment period, you can switch to Original Medicare or enroll in a Medicare health or prescription drug plan in your new location. We can let you know if we have a plan in your new area.
 - Also, be sure to let Medicare and Texas Medicaid know your new address when you move. See Chapter 2 for phone numbers for Medicare and Texas Medicaid.
 - **If you move within our service area, we still need to know.** We need to keep your membership record up to date and know how to contact you.
- Call Member Services for help if you have questions or concerns.
- You must abide by the health plan's policies and procedures. That includes the responsibility to:
 - Be sure you have approval from your primary care provider before going to a specialist.
- You must share information about your health with your primary care provider and learn about service and treatment options. That includes the responsibility to:
 - Help your providers get your medical records.
 - Work as a team with your care coordinator in deciding what health care is best for you.
- You are responsible when using Nonemergency Medical Transportation (NEMT) Services. That includes the responsibility to:
 - Provide information requested by the person arranging or verifying your transportation. (You also must contact the person as soon as possible if something changes and you no longer need the NEMT Service.)

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

- Follow all rules and regulations affecting your NEMT Services.
 - Be respectful. (Do not verbally, sexually, or physically abuse or harass anyone while asking for or getting NEMT Services.)
 - Return unused advanced funds. (Provide proof that you kept your medical appointment before you get future advanced funds.)
 - Keep bus tickets or tokens safe. (Do not lose them. Only use the bus tickets or tokens to go to your medical appointment and return any that you do not use.)
 - Use NEMT Services **only** to travel to and from your medical appointments.
 - Contact the NEMT Services line right away if your tickets are lost or stolen.
- If you think you have been treated unfairly or discriminated against, call the U.S. Department of Health and Human Services (HHS) toll-free at 1-800-368-1019. You also can view information concerning the HHS Office of Civil Rights online at www.hhs.gov/ocr.

Chapter 9: What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

Introduction

This chapter has information about your rights. Read this chapter to find out what to do if:

- You have a problem with or complaint about your plan.
- You need a service, item, or medication that your plan has said it will not pay for.
- You disagree with a decision that your plan has made about your care.
- You think your covered services are ending too soon.

If you have a problem or concern, you only need to read the parts of this chapter that apply to your situation. This chapter is broken into different sections to help you easily find what you are looking for.

You should get the health care, drugs, and services and supports that your doctor and other providers determine are necessary for your care as a part of your Plan of Care. **If you are having a problem with your care, you can call the HHSC Ombudsman's Office at 1-866-566-8989 for help.** This chapter explains the options you have for different problems and complaints, but you can always call the HHSC Ombudsman's Office to help guide you through your problem.

For additional resources to address your concerns and ways to contact them, refer to Chapter 2 for more information on ombudsman programs.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) A. What to do if you have a problem

This chapter tells you what to do if you have a problem with your plan or with your services or payment. Medicare and Texas Medicaid approved these processes. Each process has a set of rules, procedures, and deadlines that must be followed by us and by you.

A1. About the legal terms

There are difficult legal terms for some of the rules and deadlines in this chapter. Many of these terms can be hard to understand, so we have used simpler words in place of certain legal terms. We use abbreviations as little as possible.

For example, we will say:

- “Making a complaint” rather than “filing a grievance”
- “Coverage decision” rather than “organization determination,” “benefit determination,” “at risk-determination,” or “coverage determination”
- “Fast coverage decision” rather than “expedited determination”

Knowing the proper legal terms may help you communicate more clearly, so we provide those too.

B. Where to call for help

B1. Where to get more information and help

Sometimes it can be confusing to start or follow the process for dealing with a problem. This can be especially true if you do not feel well or have limited energy. Other times, you may not have the knowledge you need to take the next step.

You can get help from the HHSC Ombudsman’s Office

If you need help, you can always call the HHSC Ombudsman’s Office. The HHSC Ombudsman’s Office can answer your questions and help you understand what to do to handle your problem. Refer to Chapter 2 for more information on ombudsman programs.

The HHSC Ombudsman’s Office is not connected with us or with any insurance company or health plan. They can help you understand which process to use. The phone number for the HHSC Ombudsman’s Office is 1-866-566-8989. The services are free.

You can get help from the State Health Insurance Assistance Program (SHIP)

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit CommunityFirstMedicare.com.

You can also call your State Health Insurance Assistance Program (SHIP). SHIP counselors can answer your questions and help you understand what to do to handle your problem. The SHIP is not connected with us or with any insurance company or health plan. The SHIP has trained counselors in every state, and services are free. In Texas, the SHIP is called the Health Information Counseling & Advocacy Program (HICAP). The HICAP phone number is 1-800-252-9240.

Getting help from Medicare

You can call Medicare directly for help with problems. Here are two ways to get help from Medicare:

- Call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY: 1-877-486-2048. The call is free.
- Visit the Medicare website at www.medicare.gov.

Getting help from Texas Medicaid

You can call Texas Medicaid directly for help with problems. Here are two ways to get help from Texas Medicaid:

- Call 1-800-252-8263 or 2-1-1. TTY users should call 1-800-735-2989 or 7-1-1. The call is free.
- Visit the Texas Medicaid website at www.yourtexasbenefits.com/Learn/Home.

C. Problems with your benefits

C1. Using the process for coverage decisions and appeals or for making a complaint

If you have a problem or concern, you only need to read the parts of this chapter that apply to your situation. The chart below will help you find the right section of this chapter for problems or complaints.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit CommunityFirstMedicare.com.

Is your problem or concern about your benefits or coverage?

(This includes problems about whether particular medical care or prescription drugs are covered or not, the way in which they are covered, and problems related to payment for medical care or prescription drugs.)

Yes.

My problem is about benefits or coverage.

Go to **Section D: “Coverage decisions and appeals”**

No.

My problem is not about benefits or coverage.

Skip ahead to **Section J: “How to make a complaint”**

D. Coverage decisions and appeals

D1. Overview of coverage decisions and appeals

The process for asking for coverage decisions and making appeals deals with problems related to your benefits and coverage. It also includes problems with payment.

What is a coverage decision?

A coverage decision is an initial decision we make about your benefits and coverage or about the amount we will pay for your medical services, items, or drugs. We are making a coverage decision whenever we decide what is covered for you and how much we pay.

If you or your doctor are not sure if a service, item, or drug is covered by Medicare or Texas Medicaid, either of you can ask for a coverage decision before the doctor gives the service, item, or drug.

What is an appeal?

An appeal is a formal way of asking us to review our decision and change it if you think we made a mistake. For example, we might decide that a service, item, or drug that you want is not covered or is no longer covered by Medicare or Texas Medicaid. If you or your doctor disagree with our decision, you can appeal.

D2. Getting help with coverage decisions and appeals

Who can I call for help asking for coverage decisions or making an appeal?

You can ask any of these people for help:

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit CommunityFirstMedicare.com.

- Call **Member Services** at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. (TTY 7-1-1, 24 hours a day, 7 days a week). The call is free.
- Call the **HHSC Ombudsman's Office** for free help. The HHSC Ombudsman's Office helps people enrolled in Texas Medicaid with service or billing problems. The phone number is 1-866-566-8989.
- Call the **State Health Insurance Assistance Program (SHIP)** for free help. The SHIP is an independent organization. It is not connected with this plan. In Texas, the SHIP is called the Health Information Counseling & Advocacy Program (HICAP). The phone number is 1-800-252-9240.
- Talk to **your doctor or other provider**. Your doctor or other provider can ask for a coverage decision or appeal on your behalf.
- Talk to a **friend or family member** and ask him or her to act for you. You can name another person to act for you as your “representative” to ask for a coverage decision or make an appeal.
 - If you want a friend, relative, or other person to be your representative, call Member Services and ask for the “Appointment of Representative” form.
 - You can also get the form by visiting www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf. The form gives the person permission to act for you. You must give us a copy of the signed form.
- **You also have the right to ask a lawyer** to act for you. You may call your own lawyer or get the name of a lawyer from the local bar association or other referral service. Some legal groups will give you free legal services if you qualify. If you want a lawyer to represent you, you will need to fill out the Appointment of Representative form.
 - However, **you do not have to have a lawyer** to ask for any kind of coverage decision or to make an appeal.

D3. Using the section of this chapter that will help you

There are four different types of situations that involve coverage decisions and appeals. Each situation has different rules and deadlines. We separate this chapter into different sections to help you find the rules you need to follow. **You only need to read the section that applies to your problem:**

- **Section E** gives you information if you have problems about services, items, and drugs (but **not** Part D drugs). For example, use this section if:

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit CommunityFirstMedicare.com.

- You are not getting medical care you want, and you believe our plan covers this care.
- We did not approve services, items, or drugs that your doctor wants to give you, and you believe this care should be covered.
 - **NOTE:** Only use Section E if these are drugs **not** covered by Part D. See Section F for Part D drug appeals.
- You got medical care or services you think should be covered, but we are not paying for this care.
- You got and paid for medical services or items you thought were covered, and you want to ask us to pay you back.
- You are being told that coverage for care you have been getting will be reduced or stopped, and you disagree with our decision.
 - **NOTE:** If the coverage that will be stopped is for hospital care, home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services, you need to read a separate section of this chapter because special rules apply to these types of care. See Sections G and H.
- **Section F** gives you information about Part D drugs. For example, use this section if:
 - You want to ask us to make an exception to cover a Part D drug that is not on our Drug List.
 - You want to ask us to waive limits on the amount of the drug you can get.
 - You want to ask us to cover a drug that requires prior approval.
 - We did not approve your request or exception, and you or your doctor or other prescriber thinks we should have.
 - You want to ask us to pay for a prescription drug you already bought. (This is asking for a coverage decision about payment.)
- **Section G** gives you information on how to ask us to cover a longer inpatient hospital stay if you think the doctor is discharging you too soon. Use this section if:
 - You are in the hospital and think the doctor asked you to leave the hospital too soon.

E. Problems about services, items, and drugs (not Part D drugs)

E1. When to use this section

This section is about what to do if you have problems with your benefits for your medical, behavioral health, and long-term care services. You can also use this section for problems with drugs that are **not** covered by Part D, including Medicare Part B drugs. Use Section F for Part D drug appeals.

This section tells what you can do if you are in any of the five following situations:

1. You think we cover a medical, behavioral health, or long-term care service you need but are not getting.

What you can do: You can ask us to make a coverage decision. Go to Section E2 for information on asking for a coverage decision.

2. We did not approve care your doctor wants to give you, and you think we should have.

What you can do: You can appeal our decision to not approve the care. Go to Section E3 for information on making an appeal.

3. You got services or items that you think we cover, but we will not pay.

What you can do: You can appeal our decision not to pay. Go to Section E3 for information on making an appeal.

4. You got and paid for services or items you thought were covered, and you want us to reimburse you for the services or items.

What you can do: You can ask us to pay you back. Go to Section E5 for information on asking us for payment.

5. We reduced or stopped your coverage for a certain service, and you disagree with our decision.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

What you can do: You can appeal our decision to reduce or stop the service. Go to Section E3 for information on making an appeal.

NOTE: If the coverage that will be stopped is for hospital care, home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services, special rules apply. Read Sections G or H to find out more.

E2. Asking for a coverage decision

How to ask for a coverage decision to get a medical, behavioral health, or long-term care service

To ask for a coverage decision, call, write, or fax us, or ask your representative or doctor to ask us for a decision.

- You can call us at 1-833-434-2347 (TTY 7-1-1).
- You can fax us at 210-358-6408 or 210-358-6409
- You can write to us at: Community First Medicare Advantage D-SNP
12238 Silicon Drive, Ste 100
San Antonio, TX 78249

How long does it take to get a coverage decision?

It usually takes up to 14 business days after you asked unless your request is for a Medicare Part B prescription drug. If your request is for a Medicare Part B prescription drug, we will give you a decision no more than 72 hours after we receive your request. If we don't give you our decision within 3 business days (or 72 hours for a Medicare Part B prescription drug), you can appeal.

Can I get a coverage decision faster?

Yes. If you need a response faster because of your health, ask us to make a “fast coverage decision.” If we approve the request, we will notify you of our decision within 1 business day (or within 24 hours for a Medicare Part B prescription drug).

The legal term for “fast coverage decision” is “**expedited determination.**”

Asking for a fast coverage decision:

- If you request a fast coverage decision, start by calling or faxing our plan to ask us to cover the care you want.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

- You can call us at 1-833-434-2347. (TTY 7-1-1) or fax us at 210-358-6040. For details on how to contact us, go to Chapter 2.
- You can also have your doctor or your representative call us.

Here are the rules for asking for a fast coverage decision:

You must meet the following two requirements to get a fast coverage decision:

1. You can get a fast coverage decision **only if you are asking for coverage for medical care or an item you have not yet received**. (You cannot ask for a fast coverage decision if your request is about payment for medical care or an item you already got.)
2. You can get a fast coverage decision **only if the standard 3 business day deadline (or the 72-hour deadline for Medicare Part B prescription drugs) could cause serious harm to your health or hurt your ability to function**.
 - If your doctor says that you need a fast coverage decision, we will automatically give you one.
 - If you ask for a fast coverage decision without your doctor's support, we will decide if you get a fast coverage decision.
 - If we decide that your health does not meet the requirements for a fast coverage decision, we will send you a letter. We will also use the standard 3 business day deadline (or the 72-hour deadline for Medicare Part B prescription drugs) instead.
 - This letter will tell you that if your doctor asks for the fast coverage decision, we will automatically give a fast coverage decision.
 - The letter will also tell how you can file a "fast complaint" about our decision to give you a standard coverage decision instead of a fast coverage decision. For more information about the process for making complaints, including fast complaints, see Section J.

If the coverage decision is No, how will I find out?

If the answer is **No**, we will send you a letter telling you our reasons for saying **No**.

- If we say **No**, you have the right to ask us to change this decision by making an appeal. Making an appeal means asking us to review our decision to deny coverage.
- If you decide to make an appeal, it means you are going on to Level 1 of the appeals process (read the next section for more information).

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

E3. Level 1 Appeal for services, items, and drugs (not Part D drugs)

What is an Appeal?

An appeal is a formal way of asking us to review our decision and change it if you think we made a mistake. If you or your doctor or other provider disagree with our decision, you can appeal.

If you need help during the appeals process, you can call the HHSC Ombudsman's Office at 1-866-566-8989. The HHSC Ombudsman's Office is not connected with us or with any insurance company or health plan.

What is a Level 1 Appeal?

A Level 1 Appeal is the first appeal to our plan. We will review your coverage decision to see if it is correct. The reviewer will be someone who did not make the original coverage decision. When we complete the review, we will give you our decision in writing.

If we tell you after our review that the service or item is not covered, your case can go to a Level 2 Appeal.

How do I make a Level 1 Appeal?

- To start your appeal, you, your doctor or other provider, or your representative must contact us. You can call us at 1-833-434-2347 (TTY 7-1-1).
- You can ask us for a "standard appeal" or a "fast appeal."
- If you are asking for a standard appeal or fast appeal, make your appeal in writing or call us.

For additional details on how to reach us for appeals, see Chapter 2.

At a glance: How to make a Level 1 Appeal

You, your doctor, or your representative may put your request in writing and mail or fax it to us. You may also ask for an appeal by calling us.

- Ask **within 60 calendar days** of the decision you are appealing. If you miss the deadline for a good reason, you may still appeal.
- If you appeal because we told you that a service you currently get will be changed or stopped, **you have fewer days to appeal** if you want to keep getting that service while your appeal is processing.
- Keep reading this section to learn about what deadline applies to your appeal.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

The legal term for “fast appeal” is “expedited reconsideration.”

Can someone else make the appeal for me?

Yes. Your doctor or other provider can make the appeal for you. Also, someone besides your doctor or other provider can make the appeal for you, but first, you must complete an Appointment of Representative form. The form gives the other person permission to act for you.

To get an Appointment of Representative form, call Member Services and ask for one, or visit www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf.

If the appeal comes from someone besides you or your doctor or other provider, we must get the completed Appointment of Representative form before we can review the appeal.

How much time do I have to make an appeal?

You must ask for an appeal **within 60 calendar days** from the date on the letter we sent to tell you our decision.

If you miss this deadline and have a good reason for missing it, we may give you more time to make your appeal. Examples of a good reason are: you had a serious illness, or we gave you the wrong information about the deadline for requesting an appeal. You should explain the reason your appeal is late when you make your appeal.

NOTE: If you appeal because we told you that a service you currently get will be changed or stopped, **you have fewer days to appeal** if you want to keep getting that service while your appeal is processing. Read “Will my benefits continue during Level 1 appeals” for more information.

Can I get a copy of my case file?

Yes. Ask us for a free copy by calling Member Services at 1-833-434-2347.

Can my doctor give you more information about my appeal?

Yes, you and your doctor may give us more information to support your appeal.

How will we make the appeal decision?

We take a careful look at all of the information about your request for coverage of medical care. Then, we check to see if we were following all the rules when we said **No** to your request. The reviewer will be someone who did not make the original decision. If the original decision was based on a lack of medical necessity, then the reviewer will be a physician.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information,** visit CommunityFirstMedicare.com.

If we need more information, we may ask you or your doctor for it.

When will I hear about a “standard” appeal decision?

We must give you our answer within 30 calendar days after we get your appeal (or within 7 calendar days after we get your appeal for a Medicare Part B prescription drug). We will give you our decision sooner if your health condition requires us to.

- However, if you ask for more time or if we need to gather more information, we can take up to 14 more calendar days. If we decide we need to take extra days to make the decision, we will send you a letter that explains why we need more time. We can't take extra time to make a decision if your appeal is for a Medicare Part B prescription drug.
- If you believe we should not take extra days, you can file a “fast complaint” about our decision to take extra days. When you file a fast complaint, we will give you an answer to your complaint within 24 hours. For more information about the process for making complaints, including fast complaints, see Section J.
- If we do not give you an answer to your appeal within 30 calendar days (or within 7 calendar days after we get your appeal for a Medicare Part B prescription drug) or by the end of the extra days (if we took them), we will automatically send your case to Level 2 of the appeals process if your problem is about coverage of a Medicare service or item. You will be notified when this happens. For more information about the Level 2 Appeal process, go to Section E4.

If our answer is Yes to part or all of what you asked for, we must approve or give the coverage within 30 calendar days after we get your appeal (or within 7 calendar days after we get your appeal for a Medicare Part B prescription drug).

If our answer is No to part or all of what you asked for, we will send you a letter. If your problem is about coverage of a Medicare service or item, the letter will tell you that we sent your case to the Independent Review Entity for a Level 2 Appeal. For more information about the Level 2 Appeal process, go to Section E4.

When will I hear about a “fast” appeal decision?

If you ask for a fast appeal, we will give you our answer within 72 hours after we get your appeal. We will give you our answer sooner if your health requires us to do so.

- However, if you ask for more time or if we need to gather more information, we can take up to 14 more calendar days. If we decide to take extra days to make the decision, we will send you a letter that explains why we need more time. We can't

You will be notified when this happens. For more information about the Level 2 Appeal process, go to Section E4.

If our answer is Yes to part or all of what you asked for, we must authorize or provide the coverage within 72 hours after we get your appeal.

If our answer is No to part or all of what you asked for, we will send you a letter. If your problem is about coverage of a Medicare service or item, the letter will tell you that we sent your case to the Independent Review Entity for a Level 2 Appeal. For more information about the Level 2 Appeal process, go to Section E4.

Will my benefits continue during Level 1 appeals?

If we decide to change or stop coverage for a service that was previously approved, we will send you a notice before taking the action. If you disagree with the action, you can file a Level 1 Appeal and ask that we continue your benefits. You must **make the request on or before the later of the following** in order to continue your benefits:

- Within 10 business days of the mailing date of our notice of action; or
- The intended effective date of the action.

If you meet this deadline, you can keep getting the disputed service while your appeal is processing.

E4. Level 2 Appeal for services, items, and drugs (not Part D drugs)

If the plan says No at Level 1, what happens next?

- If we say **No** to part or all of your Level 1 Appeal, we will send you a letter. This letter will tell you if the service or item is usually covered by Medicare and/or Texas Medicaid.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

- If your problem is about a **Medicare** service or item, you will automatically get a Level 2 Appeal with the Independent Review Entity (IRE) as soon as the Level 1 Appeal is complete.
- If your problem is about a **Texas Medicaid** service or item, you can ask for a Level 2 Appeal (known as a Fair Hearing) with the Texas Health and Human Services Commission (HHSC) Appeals Division. The letter will tell you how to do this. Information is also below.
- If your problem is about a service or item that could be **covered by both Medicare and Texas Medicaid**, you will automatically get a Level 2 Appeal with the IRE. You can also ask for a Level 2 Appeal (known as a Fair Hearing) with the HHSC Appeals Division.

What is a Level 2 Appeal?

A Level 2 Appeal is an external appeal that is done by an independent organization that is not connected to the plan. Medicare's Level 2 Appeal organization is the Independent Review Entity (IRE). Texas Medicaid's Level 2 Appeal is known as a Fair Hearing. Requests for a Fair Hearing are filed with Community First Medicare Advantage D-SNP but reviewed by the HHSC Appeals Division.

My problem is about a Texas Medicaid service or item. How can I make a Level 2 Appeal?

A Level 2 Appeal for Texas Medicaid services and items is called a "Fair Hearing."

If you want to request a Fair Hearing, you must contact Community First Medicare Advantage D-SNP in writing. We will send your Fair Hearing request to the HHSC Appeals Division. You or your representative must ask for a Fair Hearing within 120 days of the date on the letter telling you we were denying your Level 1 Appeal to our plan. If you have a good reason for being late, the HHSC Appeals Division may extend this deadline for you.

Mail your written request to:

Community First Medicare Advantage D-SNP
12238 Silicon Drive, Ste 100
San Antonio, TX 78249

Or you can call Member Services at 1-833-434-2347. We can help you with this request. If you need a fast decision because of your health, you should call Member Services to ask for an expedited Fair Hearing.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

After your hearing request is received by the HHSC Appeals Division, you will get a packet of information letting you know the date, time, and location of the hearing. Most Fair Hearings are held by telephone. During the hearing, you or your representative can tell the hearing officer why you need the service that we denied.

The HHSC Appeals Division will give you a final decision within 90 days from the date you asked for the hearing. If you qualify for an expedited Fair Hearing, the HHSC Appeals Division must give you an answer within 72 hours. However, if the HHSC Appeals Division needs to gather more information that may help you, it can take up to 14 more calendar days.

My problem is about a Medicare service or item. What will happen at the Level 2 Appeal?

An Independent Review Entity (IRE) will carefully review the Level 1 decision and decide whether it should be changed.

- You do not need to request the Level 2 Appeal. We will automatically send any denials (in whole or in part) to the IRE. You will be notified when this happens.
- The IRE is hired by Medicare and is not connected with this plan.
- You may ask for a copy of your file by calling Member Services at 1-833-434-2347 (TTY 7-1-1).

The IRE must give you an answer to your Level 2 Appeal within 30 calendar days of when it gets your appeal (or within 7 calendar days of when it gets your appeal for a Medicare Part B prescription drug). This rule applies if you sent your appeal before getting medical services or items.

- However, if the IRE needs to gather more information that may benefit you, it can take up to 14 more calendar days. If the IRE needs extra days to make a decision, it will tell you by letter. The IRE can't take extra time to make a decision if your appeal is for a Medicare Part B prescription drug.

If you had a "fast appeal" at Level 1, you will automatically have a fast appeal at Level 2. The IRE must give you an answer within 72 hours of when it gets your appeal.

- However, if the IRE needs to gather more information that may benefit you, it can take up to 14 more calendar days. If the IRE needs extra days to make a decision, it will tell you by letter. The IRE can't take extra time to make a decision if your appeal is for a Medicare Part B prescription drug.

What if my service or item is covered by both Medicare and Texas Medicaid?

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

If your problem is about a service or item that could be covered by both Medicare and Texas Medicaid, we will automatically send your Level 2 Appeal to the Independent Review Entity. You can also ask for a Fair Hearing. Requests for a Fair Hearing are filed with Community First Medicare Advantage D-SNP but reviewed by the HHSC Appeals Division.

Will my benefits continue during Level 2 appeals?

If your problem is about a service covered by **Medicare or both Medicare and Texas Medicaid**, your benefits for that service will not continue during Level 2 Appeals.

If your problem is about a service covered by **Texas Medicaid only**, your benefits for that service will continue during the Level 2 Appeal if:

- Your appeal is about our decision to reduce or stop a service that was previously authorized; **and**
- You request a Level 2 Appeal (Fair Hearing) within 10 business days of our letter telling you that we were denying your Level 1 appeal or before the intended effective date of the action, whichever is later.

How will I find out about the decision?

If your Level 2 Appeal (Fair Hearing) went to the HHSC Appeals Division, it will notify you in writing of the hearing decision.

- If the HHSC Appeals Division says **Yes** to part or all of what you asked for, we must authorize the coverage within 72 hours from the date we receive the hearing decision.
- If the HHSC Appeals Division says **No** to part or all of what you asked for, it means they agree with the Level 1 decision. This is called “upholding the decision.” It is also called “turning down your appeal.”

If your Level 2 Appeal went to the Independent Review Entity (IRE), it will send you a letter explaining its decision.

- If the IRE says **Yes** to part or all of what you asked for in your standard appeal, we must authorize the medical care coverage within 72 hours or give you the service or item within 14 calendar days from the date we get the IRE’s decision. If you had a fast appeal, we must authorize the medical care coverage or give you the service or item within 72 hours from the date we get the IRE’s decision.
- If the IRE says **Yes** to part or all of what you asked for in your standard appeal for a Medicare Part B prescription drug, we must authorize or provide the Medicare Part B prescription drug within 72 hours after we get the IRE’s decision. If you had a fast

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) appeal, we must authorize or provide the Medicare Part B prescription drug within 24 hours from the date we get the IRE's decision.

- If the IRE says **No** to part or all of what you asked for, it means they agree with the Level 1 decision. This is called “upholding the decision.” It is also called “turning down your appeal.”

What if I appealed to both the Independent Review Entity and the HHSC Appeals Division, and they have different decisions?

If either the Independent Review Entity or the HHSC Appeals Division decides **Yes** for all or part of what you asked for, we will give you the approved service or item that is closest to what you requested in your appeal.

If the decision is No for all or part of what I asked for, can I make another appeal?

If your Level 2 Appeal (Fair Hearing) went to the HHSC Appeals Division, you may appeal again by requesting an administrative review. The letter you get from the HHSC Appeals Division will describe this next appeal option.

If your Level 2 Appeal went to the Independent Review Entity (IRE), you can appeal again only if the dollar value of the service or item you want meets a certain minimum amount. The letter you get from the IRE will explain additional appeal rights you may have.

Refer to Section I for more information on additional levels of appeal.

E5. Payment problems

We do not allow our network providers to bill you for covered services and items. This is true even if we pay the provider less than the provider charges for a covered service or item. You are never required to pay the balance of any bill. The only amount you should be asked to pay is the copay for a medical service or supply, like a doctor's visit, hospital outpatient visit, or a prescription drug.

If you get a bill that is more than your copay for covered services and items, send the bill to us. **You should not pay the bill yourself.** We will contact the provider directly and take care of the problem.

For more information, start by reading Chapter 7: “Asking us to pay our share of a bill you have gotten for covered services or drugs.” Chapter 7 describes the situations in which you may need to ask for reimbursement or to pay a bill you got from a provider. It also tells how to send us the paperwork that asks us for payment.

Can I ask you to pay me back for your share of a service or item I paid for?

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

Remember, if you get a bill that is more than your copay for covered services and items, you should not pay the bill yourself. But if you do pay the bill, you can get a refund if you followed the rules for getting services and items.

If you are asking to be paid back, you are asking for a coverage decision. We will see if the service or item you paid for is a covered service or item, and we will check to see if you followed all the rules for using your coverage.

- If the service or item you paid for is covered and you followed all the rules, we will send you the payment for our share of the cost of the service or item within 60 calendar days after we get your request.
- If you haven't paid for the service or item yet, we will send the payment directly to the provider. When we send the payment, it's the same as saying **Yes** to your request for a coverage decision.
- If the service or item is not covered, or you did not follow all the rules, we will send you a letter telling you we will not pay for the service or item and explaining why.

What if we say we will not pay?

If you do not agree with our decision, **you can make an appeal**. Follow the appeals process described in Section E3. When you follow these instructions, please note:

- If you make an appeal for reimbursement, we must give you our answer within 60 calendar days after we get your appeal.
- If you are asking us to pay you back for a service or item you already got and paid for yourself, you cannot ask for a fast appeal.

If we answer **No** to your appeal and the service or item is usually covered by Medicare, we will automatically send your case to the Independent Review Entity (IRE). We will notify you by letter if this happens.

- If the IRE reverses our decision and says we should pay you, we must send the payment to you or to the provider within 30 calendar days. If the answer to your appeal is **Yes** at any stage of the appeals process after Level 2, we must send the payment you asked for to you or to the provider within 60 calendar days.
- If the IRE says **No** to your appeal, it means they agree with our decision not to approve your request. (This is called “upholding the decision.” It is also called “turning down your appeal.”) The letter you get will explain additional appeal rights you may have. You can appeal again only if the dollar value of the service or item you want meets a certain minimum amount. See Section I for more information on additional levels of appeal.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

If we answer **No** to your appeal and the service or item is usually covered by Texas Medicaid, you can file a Level 2 Appeal yourself (refer to Section E4).

F. Part D drugs

F1. What to do if you have problems getting a Part D drug or you want us to pay you back for a Part D drug

Your benefits as a Member of our plan include coverage for many prescription drugs. Most of these drugs are “Part D drugs.” There are a few drugs that Medicare Part D does not cover but that Texas Medicaid may cover. **This section only applies to Part D drug appeals.**

Can I ask for a coverage decision or make an appeal about Part D prescription drugs?

Yes. Here are examples of coverage decisions you can ask us to make about your Part D drugs:

- You ask us to make an exception such as:
 - Asking us to cover a Part D drug that is not on the plan’s Drug List
 - Asking us to waive a restriction on the plan’s coverage for a drug (such as limits on the amount of the drug you can get)
- You ask us if a drug is covered for you (for example, when your drug is on the plan’s Drug List, but we require you to get approval from us before we will cover it for you).

NOTE: If your pharmacy tells you that your prescription cannot be filled, you will get a notice explaining how to contact us to ask for a coverage decision.

- You ask us to pay for a prescription drug you already bought. This is asking for a coverage decision about payment.

The legal term for a coverage decision about your Part D drugs is “**coverage determination.**”

If you disagree with a coverage decision we have made, you can appeal our decision. This section tells you how to ask for coverage decisions **and** how to request an appeal.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

F2. What an exception is

An exception is permission to get coverage for a drug that is not normally on our Drug List or to use the drug without certain rules and limitations. If a drug is not on our Drug List or is not covered in the way you would like, you can ask us to make an “exception.”

When you ask for an exception, your doctor or other prescriber will need to explain the medical reasons why you need the exception.

Here are examples of exceptions that you or your doctor, or another prescriber can ask us to make:

1. Covering a Part D drug that is not on our Drug List.
 - If we agree to make an exception and cover a drug that is not on the Drug List, Community First Medicare Advantage D-SNP Members will need to pay the cost-sharing amount that applies to all the drugs in our plan (25% coinsurance).
 - You cannot ask for an exception to the copay or coinsurance amount we require you to pay for the drug.
2. Removing a restriction on our coverage. There are extra rules or restrictions that apply to certain drugs on our Drug List (for more information, go to Chapter 5).
 - The extra rules and restrictions on coverage for certain drugs include:
 - Being required to use the generic version of a drug instead of the brand name drug.
 - Getting plan approval before we will agree to cover the drug for you. (This is sometimes called “prior authorization.”)
 - Being required to try a different drug first before we will agree to cover the drug you are asking for. (This is sometimes called “step therapy.”)
 - Quantity limits. For some drugs, we limit the amount of the drug you can have.
 - If we agree to make an exception and waive a restriction for you, you can still ask for an exception to the copay amount we require you to pay for the drug.

The legal term for asking for removal of a restriction on coverage for a drug is sometimes called asking for a **“formulary exception.”**

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

F3. Important things to know about asking for exceptions

Your doctor or other prescriber must tell us the medical reasons

Your doctor or other prescriber must give us a statement explaining the medical reasons for requesting an exception. Our decision about the exception will be faster if you include this information from your doctor or other prescriber when you ask for the exception.

Typically, our Drug List includes more than one drug for treating a particular condition. These are called “alternative” drugs. If an alternative drug would be just as effective as the drug you are asking for and would not cause more side effects or other health problems, we will generally not approve your request for an exception.

We will say **Yes** or **No** to your request for an exception

- If we say **Yes** to your request for an exception, the exception usually lasts until the end of the calendar year. This is true as long as your doctor continues to prescribe the drug for you and that drug continues to be safe and effective for treating your condition.
- If we say **No** to your request for an exception, you can ask for a review of our decision by making an appeal. Section F5 tells how to make an appeal if we say **No**.

The next section tells you how to ask for a coverage decision, including an exception.

F4. How to ask for a coverage decision about a Part D drug or reimbursement for a Part D drug, including an exception

What to do

- Ask for the type of coverage decision you want. Call, write, or fax us to make your request. You, your representative, or your doctor (or other prescriber) can do this. You can call us at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. (TTY 7-1-1, 24 hours a day, 7 days a week).
- You or your doctor (or other prescriber) or someone else who is acting on your behalf can ask for a coverage decision. You can also have a lawyer act on your behalf.
- Read Section D to find out how to give permission to someone else to act as your representative.
- You do not need to give your doctor or other prescriber written permission to ask us for a coverage decision on your behalf.
- If you want to ask us to pay you back for a drug, read Chapter 7 of this handbook. Chapter 7 describes times when you may need to ask for reimbursement. It also tells how to send us the paperwork that asks us to pay you back for our share of the cost of a drug you have paid for.
- If you are asking for an exception, provide the “supporting statement.” Your doctor or other prescriber must give us the medical reasons for the drug exception. We call this the “supporting statement.”
- Your doctor or other prescriber can fax or mail the statement to us. Or your doctor or other prescriber can tell us on the phone and then fax or mail a statement.

At a glance: How to ask for a coverage decision about a drug or payment

Call, write, or fax us to ask, or ask your representative or doctor, or other prescriber to ask. We will give you an answer on a standard coverage decision within 72 hours. We will give you an answer on reimbursing you for a Part D drug you already paid for within 14 calendar days.

- If you are asking for an exception, include the supporting statement from your doctor or other prescriber.
- You or your doctor or other prescriber may ask for a fast decision. (Fast decisions usually come within 24 hours.)
- Read this section to make sure you qualify for a fast decision! Read it also to find information about decision deadlines.

If your health requires it, ask us to give you a “fast coverage decision”

We will use the “standard deadlines” unless we have agreed to use the “fast deadlines.”

- A **standard coverage decision** means we will give you an answer within 72 hours after we get your doctor’s statement.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

- A **fast coverage decision** means we will give you an answer within 24 hours after we get your doctor's statement.

The legal term for “fast coverage decision” is “expedited coverage determination.”

You can get a fast coverage decision **only if you are asking for a drug you have not yet received**. (You cannot get a fast coverage decision if you are asking us to pay you back for a drug you already bought.)

You can get a fast coverage decision **only if using the standard deadlines could cause serious harm to your health or hurt your ability to function**.

If your doctor or other prescriber tells us that your health requires a “fast coverage decision,” we will automatically agree to give you a fast coverage decision, and the letter will tell you that.

- If you ask for a fast coverage decision on your own (without your doctor's or other prescriber's support), we will decide whether you get a fast coverage decision.
- If we decide that your medical condition does not meet the requirements for a fast coverage decision, we will use the standard deadlines instead.
 - We will send you a letter telling you that. The letter will tell you how to make a complaint about our decision to give you a standard decision.
 - You can file a “fast complaint” and get a response to your complaint within 24 hours. For more information about the process for making complaints, including fast complaints, see Section J.

Deadlines for a “fast coverage decision”

- If we are using the fast deadlines, we must give you our answer within 24 hours. This means within 24 hours after we get your request. Or, if you are asking for an exception, 24 hours after we get your doctor's or prescriber's statement supporting your request. We will give you our answer sooner if your health requires it.
- If we do not meet this deadline, we will send your request to Level 2 of the appeals process. At Level 2, an Independent Review Entity will review your request.
- **If our answer is Yes** to part or all of what you asked for, we must give you the coverage within 24 hours after we get your request or your doctor's or prescriber's statement supporting your request.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

- **If our answer is No** to part or all of what you asked for, we will send you a letter that explains why we said **No**. The letter will also explain how you can appeal our decision.

Deadlines for a “standard coverage decision” about a drug you have not yet received

- If we are using the standard deadlines, we must give you our answer within 72 hours after we get your request. Or if you are asking for an exception after we get your doctor’s or prescriber’s supporting statement. We will give you our answer sooner if your health requires it.
- If we do not meet this deadline, we will send your request on to Level 2 of the appeals process. At Level 2, an Independent Review Entity will review your request.
- **If our answer is Yes** to part or all of what you asked for, we must approve or give the coverage within 72 hours after we get your request or, if you are asking for an exception, your doctor’s or prescriber’s supporting statement.
- **If our answer is No** to part or all of what you asked for, we will send you a letter that explains why we said **No**. The letter will also explain how you can appeal our decision.

Deadlines for a “standard coverage decision” about payment for a drug you already bought

- We must give you our answer within 14 calendar days after we get your request.
- If we do not meet this deadline, we will send your request to Level 2 of the appeals process. At Level 2, an Independent Review Entity will review your request.
- **If our answer is Yes** to part or all of what you asked for, we will make payment to you within 14 calendar days.
- **If our answer is No** to part or all of what you asked for, we will send you a letter that explains why we said **No**. The letter will also explain how you can appeal our decision.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

F5. Level 1 Appeal for Part D drugs

- To start your appeal, you, your doctor or other prescriber, or your representative must contact us.
- If you are asking for a standard appeal, you can make your appeal by sending a request in writing. You may also ask for an appeal by calling us at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. (TTY 7-1-1, 24 hours a day, 7 days a week).
- If you want a fast appeal, you may make your appeal in writing, or you may call us.
- Make your appeal request **within 60 calendar days** from the date on the notice we sent to tell you our decision. If you miss this deadline and have a good reason for missing it, we may give you more time to make your appeal. For example, good reasons for missing the deadline would be if you have a serious illness that kept you from contacting us or if we gave you incorrect or incomplete information about the deadline for requesting an appeal.
- You have the right to ask us for a copy of the information about your appeal. To ask for a copy, call Member Services at 1-833-434-2347 (TTY 7-1-1).

At a glance: How to make a Level 1 Appeal

You, your doctor or prescriber, or your representative may put your request in writing and mail or fax it to us. You may also ask for an appeal by calling us.

- Ask **within 60 calendar days** of the decision you are appealing. If you miss the deadline for a good reason, you may still appeal.
- You, your doctor or prescriber, or your representative can call us to ask for a fast appeal.
- Read this section to make sure you qualify for a fast decision! Read it also to find information about decision deadlines.

The legal term for an appeal to the plan about a Part D drug coverage decision is plan “redetermination.”

If you wish, you and your doctor or other prescriber may give us additional information to support your appeal.

If your health requires it, ask for a “fast appeal”

- If you are appealing a decision our plan made about a drug you have not yet received, you and your doctor or other prescriber will need to decide if you need a “fast appeal.”

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

- The requirements for getting a “fast appeal” are the same as those for getting a “fast coverage decision” in Section F4.

The legal term for “fast appeal” is “expedited redetermination.”

Our plan will review your appeal and give you our decision

- We take another careful look at all of the information about your coverage request. We check to see if we were following all the rules when we said **No** to your request. We may contact you or your doctor or other prescriber to get more information. The reviewer will be someone who did not make the original coverage decision.

Deadlines for a “fast appeal”

- If we are using the fast deadlines, we will give you our answer within 72 hours after we get your appeal, or sooner if your health requires it.
- If we do not give you an answer within 72 hours, we will send your request to Level 2 of the appeals process. At Level 2, an Independent Review Entity will review your appeal.
- **If our answer is Yes** to part or all of what you asked for, we must give the coverage within 72 hours after we get your appeal.
- **If our answer is No** to part or all of what you asked for, we will send you a letter that explains why we said **No**.

Deadlines for a “standard appeal”

- If we are using the standard deadlines, we must give you our answer within 7 calendar days after we get your appeal, or sooner if your health requires it, except if you are asking us to pay you back for a drug you already bought. If you are asking us to pay you back for a drug you already bought, we must give you our answer within 14 calendar days after we get your appeal. If you think your health requires it, you should ask for a “fast appeal.”
- If we do not give you a decision within 7 calendar days or 14 calendar days if you asked us to pay you back for a drug you already bought, we will send your request to Level 2 of the appeals process. At Level 2, an Independent Review Entity will review your appeal.
- **If our answer is Yes** to part or all of what you asked for:

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

- If we approve a request for coverage, we must give you the coverage as quickly as your health requires, but no later than 7 calendar days after we get your appeal or 14 calendar days if you asked us to pay you back for a drug you already bought.
- If we approve a request to pay you back for a drug you already bought, we will send payment to you within 30 calendar days after we get your appeal request.
- **If our answer is No** to part or all of what you asked for, we will send you a letter that explains why we said **No** and tells how to appeal our decision.

F6. Level 2 Appeal for Part D drugs

If we say **No** to part or all of your appeal, you can choose whether to accept this decision or make another appeal. If you decide to go on to a Level 2 Appeal, the Independent Review Entity (IRE) will review our decision.

- If you want the IRE to review your case, your appeal request must be in writing. The letter we send about our decision in the Level 1 Appeal will explain how to request the Level 2 Appeal.
- When you make an appeal to the IRE, we will send them your case file. You have the right to ask us for a copy of your case file by calling Member Services at 1-833-434-2347 (TTY 7-1-1).
- You have a right to give the IRE other information to support your appeal.
- The IRE is an independent organization that is hired by Medicare. It is not connected with this plan, and it is not a government agency.
- Reviewers at the IRE will take a careful look at all of the information related to your appeal. The organization will send you a letter explaining its decision.

At a glance: How to make a Level 2 Appeal

If you want the Independent Review Entity to review your case, your appeal request must be in writing.

- Ask **within 60 calendar days** of the decision you are appealing. If you miss the deadline for a good reason, you may still appeal.
- You, your doctor or other prescriber, or your representative can request the Level 2 Appeal.
- Read this section to make sure you qualify for a fast decision! Read it also to find information about decision deadlines.

The legal term for an appeal to the IRE about a Part D drug is “**reconsideration.**”

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

Deadlines for “fast appeal” at Level 2

- If your health requires it, ask the Independent Review Entity (IRE) for a “fast appeal.”
- If the IRE agrees to give you a “fast appeal,” it must give you an answer to your Level 2 Appeal within 72 hours after getting your appeal request.
- If the IRE says **Yes** to part or all of what you asked for, we must authorize or give you the drug coverage within 24 hours after we get the decision.

Deadlines for “standard appeal” at Level 2

- If you have a standard appeal at Level 2, the Independent Review Entity (IRE) must give you an answer to your Level 2 Appeal within 7 calendar days after it gets your appeal, or 14 calendar days if you asked us to pay you back for a drug you already bought.
- If the IRE says **Yes** to part or all of what you asked for, we must authorize or give you the drug coverage within 72 hours after we get the decision.
- If the IRE approves a request to pay you back for a drug you already bought, we will send payment to you within 30 calendar days after we get the decision.

What if the Independent Review Entity says No to your Level 2 Appeal?

No means the Independent Review Entity (IRE) agrees with our decision not to approve your request. This is called “upholding the decision.” It is also called “turning down your appeal.”

If you want to go to Level 3 of the appeals process, the drugs you are requesting must meet a minimum dollar value. If the dollar value is less than the minimum, you cannot appeal any further. If the dollar value is high enough, you can ask for a Level 3 appeal. The letter you get from the IRE will tell you the dollar value needed to continue with the appeal process.

G. Asking us to cover a longer hospital stay

When you are admitted to a hospital, you have the right to get all hospital services that we cover that are necessary to diagnose and treat your illness or injury.

During your covered hospital stay, your doctor and the hospital staff will work with you to prepare for the day when you leave the hospital. They will also help arrange for any care you may need after you leave.

- The day you leave the hospital is called your “discharge date.”
- Your doctor or the hospital staff will tell you what your discharge date is.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

If you think you are being asked to leave the hospital too soon, you can ask for a longer hospital stay. This section tells you how to ask.

G1. Learning about your Medicare rights

Within two days after you are admitted to the hospital, a caseworker or nurse will give you a notice called An Important Message from Medicare about Your Rights. If you do not get this notice, ask any hospital employee for it. If you need help, please call Member Services at 1-833-434-2347 (TTY 7-1-1). You can also call 1-800-MEDICARE (1-800-633-4227) 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

Read this notice carefully and ask questions if you don't understand. The Important Message tells you about your rights as a hospital patient, including your rights to:

- Get Medicare-covered services during and after your hospital stay. You have the right to know what these services are, who will pay for them, and where you can get them.
- Be a part of any decisions about the length of your hospital stay.
- Know where to report any concerns you have about the quality of your hospital care.
- Appeal if you think you are being discharged from the hospital too soon.

You should sign the Medicare notice to show that you got it and understand your rights. Signing the notice does **not** mean you agree to the discharge date that may have been told to you by your doctor or hospital staff.

Keep your copy of the signed notice so you will have the information in it if you need it.

- To look at a copy of this notice in advance, you can call Member Services at 1-833-434-2347 (TTY 7-1-1). You can also call 1-800 MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048. The call is free.
- You can also see the notice online at www.cms.gov/Medicare/Medicare-General-Information/BNI/HospitalDischargeAppealNotices.
- If you need help, please call Member Services at the numbers listed above.

G2. Level 1 Appeal to change your hospital discharge date

If you want us to cover your inpatient hospital services for a longer time, you must request an appeal. A Quality Improvement Organization will do the Level 1 Appeal review to see if your planned discharge date is medically appropriate for you. In Texas, the Quality Improvement Organization is called KEPRO.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit CommunityFirstMedicare.com.

To make an appeal to change your discharge date, call KEPRO at 888-315-0636 (TTY 855-843-4776).

Call right away!

Call the Quality Improvement Organization **before** you leave the hospital and no later than your planned discharge date. An Important Message from Medicare about Your Rights contains information on how to reach the Quality Improvement Organization.

- **If you call before you leave**, you are allowed to stay in the hospital after your planned discharge date without paying for it while you wait to get the decision on your appeal from the Quality Improvement Organization.
- **If you do not call to appeal** and you decide to stay in the hospital after your planned discharge date, you may have to pay all of the costs for hospital care you get after your planned discharge date.
- **If you miss the deadline** for contacting the Quality Improvement Organization about your appeal, you can make your appeal directly to our plan instead. For details, see Section G4.

At a glance: How to make a Level 1 Appeal to change your discharge date

Call the Quality Improvement Organization for your state and ask for a “fast review.”

Call before you leave the hospital and before your planned discharge date.

We want to make sure you understand what you need to do and what the deadlines are.

- **Ask for help if you need it.** If you have questions or need help at any time, please call Member Services at 1-833-434-2347 (TTY 7-1-1). You can also call the State Health Insurance Assistance Program (SHIP) at **1-800-252-3439**.

What is a Quality Improvement Organization?

It is a group of doctors and other health care professionals who are paid by the federal government. These experts are not part of our plan. They are paid by Medicare to check on and help improve the quality of care for people with Medicare.

Ask for a “fast review”

You must ask the Quality Improvement Organization for a “**fast review**” of your discharge. Asking for a “fast review” means you are asking the organization to use the fast deadlines for an appeal instead of using the standard deadlines.

The legal term for “fast review” is “**immediate review.**”

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

What happens during the fast review?

- The reviewers at the Quality Improvement Organization will ask you or your representative why you think coverage should continue after the planned discharge date. You don't have to prepare anything in writing, but you may do so if you wish.
- The reviewers will look at your medical record, talk with your doctor, and review all of the information related to your hospital stay.
- By noon of the day after the reviewers tell us about your appeal, you will get a letter that gives your planned discharge date. The letter explains the reasons why your doctor, the hospital, and we think it is right for you to be discharged on that date.

The legal term for this written explanation is called the “**Detailed Notice of Discharge.**” You can get a sample by calling Member Services at 1-833-434-2347 (TTY 7-1-1). You can also call 1-800-MEDICARE (1-800-633-4227) 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048. Or you can see a sample notice online at www.cms.gov/Medicare/Medicare-General-Information/BNI/HospitalDischargeAppealNotices.

What if the answer is Yes?

- If the Quality Improvement Organization says **Yes** to your appeal, we must keep covering your hospital services for as long as they are medically necessary.

What if the answer is No?

- If the Quality Improvement Organization says **No** to your appeal, they are saying that your planned discharge date is medically appropriate. If this happens, our coverage for your inpatient hospital services will end at noon on the day after the Quality Improvement Organization gives you its answer.
- If the Quality Improvement Organization says **No** and you decide to stay in the hospital, then you may have to pay for your continued stay at the hospital. The cost of the hospital care that you may have to pay begins at noon on the day after the Quality Improvement Organization gives you its answer.
- If the Quality Improvement Organization turns down your appeal and you stay in the hospital after your planned discharge date, then you can make a Level 2 Appeal.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit CommunityFirstMedicare.com.

G3. Level 2 Appeal to change your hospital discharge date

If the Quality Improvement Organization has turned down your appeal and you stay in the hospital after your planned discharge date, then you can make a Level 2 Appeal. You will need to contact the Quality Improvement Organization again and ask for another review.

Ask for the Level 2 review **within 60 calendar days** after the day when the Quality Improvement Organization said No to your Level 1 Appeal. You can ask for this review only if you stayed in the hospital after the date that your coverage for the care ended.

In Texas, the Quality Improvement Organization is called KEPRO. You can reach KEPRO at 888-315-0636 (TTY 855-843-4776).

- Reviewers at the Quality Improvement Organization will take another careful look at all of the information related to your appeal.
- Within 14 calendar days of receipt of your request for a second review, the Quality Improvement Organization reviewers will make a decision.

At a glance: How to make a Level 2 Appeal to change your discharge date

Call the Quality Improvement Organization for your state at 888-315-0636 (TTY 855-843-4776) and ask for another review.

What happens if the answer is Yes?

- We must pay you back for our share of the costs of hospital care you got since noon on the day after the date of your first appeal decision. We must continue providing coverage for your inpatient hospital care for as long as it is medically necessary.
- You must continue to pay your share of the costs, and coverage limitations may apply.

What happens if the answer is No?

It means the Quality Improvement Organization agrees with the Level 1 decision and will not change it. The letter you get will tell you what you can do if you wish to continue with the appeal process.

If the Quality Improvement Organization turns down your Level 2 Appeal, you may have to pay the full cost for your stay after your planned discharge date.

G4. What happens if you miss an appeal deadline?

If you miss appeal deadlines, there is another way to make Level 1 and Level 2 Appeals, called Alternate Appeals. But the first two levels of appeal are different.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

Level 1 Alternate Appeal to change your hospital discharge date

If you miss the deadline for contacting the Quality Improvement Organization (which is within 60 days or no later than your planned discharge date, whichever comes first), you can make an appeal to us, asking for a “fast review.” A fast review is an appeal that uses the fast deadlines instead of the standard deadlines.

- During this review, we take a look at all of the information about your hospital stay. We check to see if the decision about when you should leave the hospital was fair and followed all the rules.
- We will use the fast deadlines rather than the standard deadlines for giving you the answer to this review. This means we will give you our decision within 72 hours after you ask for a “fast review.”
- **If we say Yes to your fast review**, it means we agree that you still need to be in the hospital after the discharge date. We will keep covering hospital services for as long as it is medically necessary.
- It also means that we agree to pay you back for our share of the costs of care you got since the date when we said your coverage would end.
- **If we say No to your fast review**, we are saying that your planned discharge date was medically appropriate. Our coverage for your inpatient hospital services ends on the day we said coverage would end.
 - If you stayed in the hospital after your planned discharge date, then you may have to pay the full cost of hospital care you got after the planned discharge date.
- To make sure we were following all the rules when we said **No** to your fast appeal, we will send your appeal to the “Independent Review Entity.” When we do this, it means that your case is automatically going to Level 2 of the appeals process.

At a glance: How to make a Level 1 Alternate Appeal

Call our Member Services number and ask for a “fast review” of your hospital discharge date.

We will give you our decision within 72 hours.

The legal term for “fast review” or “fast appeal” is “**expedited appeal.**”

Level 2 Alternate Appeal to change your hospital discharge date

We will send the information for your Level 2 Appeal to the Independent Review Entity (IRE) within 24 hours of when we give you our Level 1 decision. If you think we are not meeting this

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

deadline or other deadlines, you can make a complaint. Section J tells how to make a complaint.

During the Level 2 Appeal, the IRE reviews the decision we made when we said **No** to your “fast review.” This organization decides whether the decision we made should be changed.

- The IRE does a “fast review” of your appeal. The reviewers usually give you an answer within 72 hours.
- The IRE is an independent organization that is hired by Medicare. This organization is not connected with our plan, and it is not a government agency.
- Reviewers at the IRE will take a careful look at all of the information related to your appeal of your hospital discharge.
- If the IRE says **Yes** to your appeal, then we must pay you back for our share of the costs of hospital care you got since the date of your planned discharge. We must also continue our coverage of your hospital services for as long as it is medically necessary.
- If the IRE says **No** to your appeal, it means they agree with us that your planned hospital discharge date was medically appropriate.
- The letter you get from the IRE will tell you what you can do if you wish to continue with the review process. It will give you the details about how to go on to a Level 3 Appeal, which is handled by a judge.

At a glance: How to make a Level 2 Alternate Appeal

You do not have to do anything. The plan will automatically send your appeal to the Independent Review Entity.

H. What to do if you think your home health care, skilled nursing care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services are ending too soon

This section is about the following types of care only:

- Home health care services.
- Skilled nursing care in a skilled nursing facility.
- Rehabilitation care you are getting as an outpatient at a Medicare-approved Comprehensive Outpatient Rehabilitation Facility (CORF). Usually, this means you

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) are getting treatment for an illness or accident or you are recovering from a major operation.

- With any of these three types of care, you have the right to keep getting covered services for as long as the doctor says you need it.
- When we decide to stop covering any of these, we must tell you before your services end. When your coverage for that care ends, we will stop paying for your care.

If you think we are ending the coverage of your care too soon, **you can appeal our decision**. This section tells you how to ask for an appeal.

H1. We will tell you in advance when your coverage will be ending

You will get a notice at least two days before we stop paying for your care. This is called the “Notice of Medicare Non-Coverage.” The written notice tells you the date when we will stop covering your care and how to appeal this decision.

You or your representative should sign the written notice to show that you got it. Signing it does **not** mean you agree with the plan that it is time to stop getting the care.

When your coverage ends, we will stop paying for your care.

H2. Level 1 Appeal to continue your care

If you think we are ending coverage of your care too soon, you can appeal our decision. This section tells you how to ask for an appeal.

Before you start your appeal, understand what you need to do and what the deadlines are.

- **Meet the deadlines.** The deadlines are important. Be sure that you understand and follow the deadlines that apply to things you must do. There are also deadlines our plan must follow. (If you think we are not meeting our deadlines, you can file a complaint. Section J tells you how to file a complaint.)
- **Ask for help if you need it.** If you have questions or need help at any time, please call Member Services at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. (TTY 7-1-1, 24 hours a day, 7 days a week). Or call your State Health Insurance Assistance Program at 1-800-252-3439.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

During a Level 1 Appeal, a Quality Improvement Organization will review your appeal and decide whether to change the decision we made. In Texas, the Quality Improvement Organization is called KEPRO. You can reach KEPRO at 888-315-0636 (TTY 955-843-4776). Information about appealing to the Quality Improvement Organization is also in the Notice of Medicare Non-Coverage. This is the notice you got when you were told we would stop covering your care.

What is a Quality Improvement Organization?

It is a group of doctors and other health care professionals who are paid by the federal government. These experts are not part of our plan. They are paid by Medicare to check on and help improve the quality of care for people with Medicare.

What should you ask for?

Ask them for a “fast-track appeal.” This is an independent review of whether it is medically appropriate for us to end coverage for your services.

What is your deadline for contacting this organization?

- You must contact the Quality Improvement Organization no later than noon of the day after you got the written notice telling you when we will stop covering your care.
- If you miss the deadline for contacting the Quality Improvement Organization about your appeal, you can make your appeal directly to us instead. For details about this other way to make your appeal, see Section H4.

The legal term for the written notice is “**Notice of Medicare Non-Coverage.**” To get a sample copy, call Member Services at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. (TTY 7-1-1, 24 hours a day, 7 days a week) or 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048. Or see a copy online at www.cms.gov/Medicare/Medicare-General-Information/BNI/MAEDNotices.

What happens during the Quality Improvement Organization’s review?

- The reviewers at the Quality Improvement Organization will ask you or your representative why you think coverage for the services should continue. You don’t have to prepare anything in writing, but you may do so if you wish.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit CommunityFirstMedicare.com.

At a glance: How to make a Level 1 Appeal to ask the plan to continue your care

Call the Quality Improvement Organization for your state and ask for a “fast-track appeal.”

Call before you leave the agency or facility that is providing your care and before your planned discharge date.

- When you ask for an appeal, the plan must write a letter to you and the Quality Improvement Organization explaining why your services should end.
- The reviewers will also look at your medical records, talk with your doctor, and review information that our plan has given to them.
- **Within one full day, after reviewers have all the information they need, they will tell you their decision.** You will get a letter explaining the decision.

The legal term for the letter explaining why your services should end is “**Detailed Explanation of Non-Coverage.**”

What happens if the reviewers say Yes?

- If the reviewers say **Yes** to your appeal, then we must keep providing your covered services for as long as they are medically necessary.

What happens if the reviewers say No?

- If the reviewers say **No** to your appeal, then your coverage will end on the date we told you. We will stop paying our share of the costs of this care.
- If you decide to keep getting the home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services after the date your coverage ends, then you will have to pay the full cost of this care yourself.

H3. Level 2 Appeal to continue your care

If the Quality Improvement Organization said **No** to the appeal **and** you choose to continue getting care after your coverage for the care has ended, you can make a Level 2 Appeal.

During the Level 2 Appeal, the Quality Improvement Organization will take another look at the decision they made at Level 1. If they say they agree with the Level 1 decision, you may have to pay the full cost for your home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services after the date when we said your coverage would end.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. - The letter you get will tell you what to do if you wish to continue with the review process. It will give you the details about how to go on to the next level of appeal, which is handled by a judge.

Level 2 Alternate Appeal to continue your care for longer

We will send the information for your Level 2 Appeal to the Independent Review Entity (IRE) within 24 hours of when we give you our Level 1 decision. If you think we are not meeting this deadline or other deadlines, you can make a complaint. Section J tells how to make a complaint.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

At a glance: How to make a Level 2 Appeal to require that the plan continue your care

You do not have to do anything. The plan will automatically send your appeal to the Independent Review Entity.

The letter you get from the IRE will tell you what you can do if you wish to continue with the review process. It will give you details about how to go on to a Level 3 Appeal, which is handled by a judge.

I. Taking your appeal beyond Level 2

I1. Next steps for Medicare services and items

If you made a Level 1 Appeal and a Level 2 Appeal for Medicare services or items, and both your appeals have been turned down, you may have the right to additional levels of appeal. The letter you get from the Independent Review Entity will tell you what to do if you wish to continue the appeals process.

Level 3 of the appeals process is an Administrative Law Judge (ALJ) hearing. The person who makes the decision in a Level 3 appeal is an ALJ or an attorney adjudicator. If you want an ALJ or attorney adjudicator to review your case, the item or medical service you are requesting must meet a minimum dollar amount. If the dollar value is less than the minimum level, you cannot appeal any further. If the dollar value is high enough, you can ask an ALJ or attorney adjudicator to hear your appeal.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

If you do not agree with the ALJ or attorney adjudicator's decision, you can go to the Medicare Appeals Council. After that, you may have the right to ask a federal court to look at your appeal.

I2. Next steps for Texas Medicaid services and items

You also have more appeal rights if your appeal is about services or items that might be covered by Texas Medicaid. If you have questions about your additional appeal rights, you can call the HHSC Ombudsman's Office at 1-866-566-8989.

If you do not agree with a decision given by the Fair Hearings officer, you may request an Administrative Review within 30 days of the date on the decision.

The letter you get from the HHSC Appeals Division will tell you what to do if you wish to continue the appeals process.

A. When can you end your membership in our plan

Most people with Medicare can end their membership only during certain times of the year. You may be able to end your membership in our plan or switch to a different plan one time during each of the following **Special Enrollment Periods**:

- January to March
- April to June
- July to September

In addition to these three Special Enrollment periods, you may end your membership in our plan during the following periods:

- The **Annual Enrollment Period**, which lasts from October 15 to December 7. If you choose a new plan during this period, your membership in Community First Medicare Advantage D-SNP will end on December 31, and your membership in the new plan will start on January 1.
- The **Medicare Advantage Open Enrollment Period**, which lasts from January 1 to March 31. If you choose a new plan during this period, your membership in the new plan will start the first day of the next month.

There may be other situations when you are eligible to make a change to your enrollment. For example, when:

- Medicare or Texas has enrolled you into a Medicare-Medicaid Plan,
- Your eligibility for Medicaid or Extra Help has changed,
- You recently moved into, currently are getting care in, or just moved out of a nursing home or a long-term care hospital, **or**
- You have moved out of our service area

Your membership will end on the last day of the month that we get your request to change your plan. For example, if we get your request on January 18, your coverage with our plan will end on January 31. Your new coverage will begin the first day of the next month (February 1, in this example).

The main laws that apply to this handbook are federal laws about the Medicare and Medicaid programs. Other federal and state laws may apply too.

B. Notice about nondiscrimination

Every company or agency that works with Medicare and Texas Medicaid must obey laws that protect you from discrimination or unfair treatment. We don't discriminate or treat you differently because of your age, claims experience, color, ethnicity, evidence of insurability, gender, genetic information, geographic location within the service area, health status, medical history, mental or physical disability, national origin, race, religion, or sex.

Activities of daily living: The things people do on a normal day, such as eating, using the toilet, getting dressed, bathing, or brushing the teeth.

Aid paid pending: You can continue getting your benefits while you are waiting for a decision about an appeal or fair hearing. This continued coverage is called “aid paid pending.”

Ambulatory surgical center: A facility that provides outpatient surgery to patients who do not need hospital care and who are not expected to need more than 24 hours of care.

Appeal: A way for you to challenge our action if you think we made a mistake. You can ask us to change a coverage decision by filing an appeal. Chapter 9 explains appeals, including how to make an appeal.

Brand name drug: A prescription drug that is made and sold by the company that originally made the drug. Brand name drugs have the same active ingredients as the generic versions of the drugs. Generic drugs are made and sold by other drug companies.

Catastrophic coverage stage: The stage in the Part D drug benefit where the plan pays all of the costs of your drugs until the end of the year.

Centers for Medicare & Medicaid Services (CMS): The federal agency in charge of Medicare. Chapter 2 explains how to contact CMS.

Complaint: A written or spoken statement saying that you have a problem or concern about your covered services or care. This includes any concerns about the quality of your care, our network providers, or our network pharmacies. The formal name for “making a complaint” is “filing a grievance.”

Comprehensive Health Risk Assessment: An assessment used to confirm your appropriate risk level and to develop your Plan of Care. Comprehensive Health Risk Assessments will include, but not be limited to, physical and behavioral health, social needs, functional status, wellness and prevention domains, caregiver status and capabilities, as well as your preferences, strengths, and goals.

Comprehensive outpatient rehabilitation facility (CORF): A facility that mainly provides rehabilitation services after an illness, accident, or major operation. It provides a variety of services, including physical therapy, social or psychological services, respiratory therapy, occupational therapy, speech therapy, and home environment evaluation services.

Copay: A fixed amount you pay as your share of the cost each time you get a service or supply. For example, you might pay \$2 or \$5 for a service or a prescription drug.

Cost sharing: Amounts you have to pay when you get services or drugs. Cost sharing includes copays and coinsurance.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

Cost sharing tier: A group of drugs with the same copay. Every drug on the *List of Covered Drugs* (also known as the Drug List) is in one of five cost-sharing tiers. In general, the higher the cost-sharing tier, the higher your cost for the drug.

Coverage decision: A decision about what benefits we cover. This includes decisions about covered drugs and services or the amount we will pay for your health services. Chapter 9 explains how to ask us for a coverage decision.

Covered drugs: The term we use to mean all of the prescription drugs covered by our plan.

Covered services: The general term we use to mean all of the health care, long-term services, and supports, supplies, prescription, and over-the-counter drugs, equipment, and other services covered by our plan.

Cultural Competence training: Training that provides additional instruction for our health care providers that helps them better understand your background, values, and beliefs to adapt services to meet your social, cultural, and language needs.

Daily cost-sharing rate: A rate that may apply when your doctor prescribes less than a full month's supply of certain drugs for you and you are required to pay a copay. A daily cost-sharing rate is the copay divided by the number of days in a month's supply.

Here is an example: Let's say the copay for your drug for a full month's supply (a 30-day supply) is \$1.30. This means that the amount you pay for your drug is a little more than \$0.04 per day. If you get a 7-day supply of the drug, your payment will be a little more than \$0.04 per day multiplied by 7 days, for a total payment of \$0.30.

Disenrollment: The process of ending your membership in our plan. Disenrollment may be voluntary (your own choice) or involuntary (not your own choice).

Durable medical equipment (DME): Certain items your doctor orders for use in your own home.

Examples of these items are wheelchairs, crutches, powered mattress systems, diabetic supplies, hospital beds ordered by a provider for use in the home, IV infusion pumps, speech-generating devices, oxygen equipment and supplies, nebulizers, and walkers.

Emergency: A medical emergency is when you, or any other person with an average knowledge of health and medicine, believe that you have medical symptoms that need immediate medical attention to prevent death, loss of a body part, or loss of function of a body part. The medical symptoms may be a serious injury or severe pain.

Fair hearing: A chance for you to tell your problem in court and show that a decision we made is wrong.

Generic drug: A prescription drug that is approved by the federal government to use in place of a brand name drug. A generic drug has the same active ingredients as a brand name drug. It is usually cheaper and works just as well as the brand name drug.

Grievance: A complaint you make about us or one of our network providers or pharmacies. This includes a complaint about the quality of your care.

Health plan: An organization made up of doctors, hospitals, pharmacies, and providers of long-term services, and other providers. It also has Service Coordinators to help you manage all your providers and services. They all work together to provide the care you need.

Health risk assessment: A review of a patient’s medical history and current condition. It is used to figure out the patient’s health and how it might change in the future.

Show your Community First Medicare Advantage D-SNP Member ID Card when you get any services or prescriptions. Call Member Services if you get any bills you do not understand.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) As a Member of Community First Medicare Advantage Plan and D-SNP (HMO), you only have to pay the plan's cost-sharing amounts when you get services covered by our plan. We do not allow providers to bill you more than this amount.

Initial coverage stage: The stage before your total Part D drug expenses reach a certain amount. This includes amounts you have paid, what our plan has paid on your behalf, and the low-income subsidy. You begin in this stage when you fill your first prescription of the year. During this stage, the plan pays part of the costs of your drugs, and you pay your share.

Inpatient: A term used when you have been formally admitted to the hospital for skilled medical services. If you were not formally admitted, you might still be considered an outpatient instead of an inpatient, even if you stay overnight.

List of Covered Drugs (Drug List): A list of prescription drugs covered by the plan. The plan chooses the drugs on this list with the help of doctors and pharmacists. The Drug List tells you if there are any rules you need to follow to get your drugs. The Drug List is sometimes called a "formulary."

Long-term services and supports (LTSS): Long-term services and supports are services that help improve a long-term medical condition. Most of these services help you stay in your home, so you don't have to go to a nursing home or hospital.

Low-income subsidy (LIS): See "Extra Help."

Medicaid (or Medical Assistance): A program run by the federal government and the state that helps people with limited incomes and resources pay for long-term services and supports and medical costs.

- It covers extra services and drugs not covered by Medicare.
- Medicaid programs vary from state to state, but most health care costs are covered if you qualify for both Medicare and Medicaid.
- See Chapter 2 for information about how to contact Texas Medicaid.

Medically necessary: This describes services, supplies, or drugs you need to prevent, diagnose, or treat a medical condition or to maintain your current health status. This includes care that keeps you from going into a hospital or nursing home. It also means the services, supplies, or drugs meet accepted standards of medical practice.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

Medicare: The federal health insurance program for people 65 years of age or older, some people under age 65 with certain disabilities, and people with end-stage renal disease (generally those with permanent kidney failure who need dialysis or a kidney transplant). People with Medicare can get their Medicare health coverage through Original Medicare or a managed Plan of Care (see “Health plan”).

Medicare Advantage Plan: A Medicare program, also known as “Medicare Part C” or “MA Plans,” that offers plans through private companies. Medicare pays these companies to cover your Medicare benefits.

Medicare-covered services: Services covered by Medicare Part A and Part B. All Medicare health plans, including our plan, must cover all of the services that are covered by Medicare Part A and Part B.

Medicare-Medicaid enrollee: A person who qualifies for Medicare and Texas Medicaid coverage. A Medicare-Medicaid enrollee is also called a “dually eligible individual.”

Medicare-Medicaid Plan (MMP): A Medicare-Medicaid Plan is an organization made up of doctors, hospitals, pharmacies, providers of long-term services and supports, and other providers. It also has Service Coordinators to help you manage all your providers and services. They all work together to provide the care you need.

Medicare Part A: The Medicare program that covers most medically necessary hospital, skilled nursing facility, home health, and hospice care.

Medicare Part B: The Medicare program that covers services (like lab tests, surgeries, and doctor visits) and supplies (like wheelchairs and walkers) that are medically necessary to treat a disease or condition. Medicare Part B also covers many preventive and screening services.

Medicare Part C: The Medicare program that lets private health insurance companies provide Medicare benefits through a Medicare Advantage Plan.

Medicare Part D: The Medicare prescription drug benefit program. (We call this program “Part D” for short.) Part D covers outpatient prescription drugs, vaccines, and some supplies not covered by Medicare Part A or Part B, or Texas Medicaid. Community First Medicare Advantage D-SNP includes Medicare Part D.

Medicare Part D drugs: Drugs that can be covered under Medicare Part D. Congress specifically excluded certain categories of drugs from coverage as Part D drugs. Texas Medicaid may cover some of these drugs.

Member (Member of our plan, or plan Member): A person with Medicare and Texas Medicaid who qualifies to get covered services, who has enrolled in our plan, and whose enrollment has been confirmed by the Centers for Medicare & Medicaid Services (CMS) and the state.

Member Handbook and Disclosure Information: This document, along with your enrollment form and any other attachments, or riders, which explain your coverage, what we must do, your rights, and what you must do as a Member of our plan.

Member Services: A department within our plan responsible for answering your questions about your membership, benefits, grievances, and appeals. See Chapter 2 for information about how to contact Member Services.

Network pharmacy: A pharmacy (drug store) that has agreed to fill prescriptions for our plan Members. We call them “network pharmacies” because they have agreed to work with our plan. In most cases, your prescriptions are covered only if they are filled at one of our network pharmacies.

Network provider: “Provider” is the general term we use for doctors, nurses, and other people who give you services and care. The term also includes hospitals, home health agencies, clinics, and other places that give you health care services, medical equipment, and long-term services and supports.

- They are licensed or certified by Medicare and by the state to provide health care services.
- We call them “network providers” when they agree to work with the health plan and accept our payment and not charge our Members an extra amount.
- While you are a Member of our plan, you must use network providers to get covered services. Network providers are also called “plan providers.”

Nursing home or facility: A place that provides care for people who cannot get their care at home but who do not need to be in the hospital.

Ombudsman: An office in your state that works as an advocate on your behalf. They can answer questions if you have a problem or complaint and can help you understand what to do. The ombudsman’s services are free. You can find more information about the ombudsman in Chapters 2 and 9 of this handbook.

Organization determination: The plan has made an organization determination when it, or one of its providers, makes a decision about whether services are covered or how much you have to pay for covered services. Organization determinations are called “coverage decisions” in this handbook. Chapter 9 explains how to ask us for a coverage decision.

Original Medicare (traditional Medicare or fee-for-service Medicare): Original Medicare is offered by the government. Under Original Medicare, Medicare services are covered by paying doctors, hospitals, and other health care providers amounts that are set by Congress.

If you have questions, please call Community First Medicare Advantage D-SNP at 1-833-434-2347, 8 a.m. to 8 p.m., 7 days a week. Message service available on weekends and holidays from April 1–September 30. (TTY 7-1-1, 24 hours a day, 7 days a week.) The call is free. **For more information**, visit [CommunityFirstMedicare.com](https://www.CommunityFirstMedicare.com).

- You can see any doctor, hospital, or other health care provider that accepts Medicare. Original Medicare has two parts: Part A (hospital insurance) and Part B (medical insurance).
- Original Medicare is available everywhere in the United States.
- If you do not want to be in our plan, you can choose Original Medicare.

Out-of-network pharmacy: A pharmacy that has not agreed to work with our plan to coordinate or provide covered drugs to Members of our plan. Most drugs you get from out-of-network pharmacies are not covered by our plan unless certain conditions apply.

Out-of-network provider or Out-of-network facility: A provider or facility that is not employed, owned, or operated by our plan and is not under contract to provide covered services to Members of our plan. Chapter 3 explains out-of-network providers or facilities.

Out-of-pocket costs: The cost-sharing requirement for Members to pay for part of the services or drugs they get is also called the “out-of-pocket” cost requirement. See the definition for “cost-sharing” above.

Over-the-counter (OTC) drugs: Over-the-counter drugs refer to any drug or medicine that a person can buy without a prescription from a health care professional.

Part A: See “Medicare Part A.”

Part B: See “Medicare Part B.”

Part C: See “Medicare Part C.”

Part D: See “Medicare Part D.”

Part D drugs: See “Medicare Part D drugs.”

Plan of Care: A person-centered Plan of Care that addresses health care services you will get and how you will get them. The plan is developed by the Service Coordinator with you, your family, as appropriate, and your providers. The Plan of Care will contain your health history; a summary of current, short-term, and long-term health and social needs, concerns, and goals; and a list of required services, their frequency, and a description of who will provide such services.

- See Chapter 3 for information about getting care from primary care providers.

Prior authorization: An approval from Community First Medicare Advantage D-SNP you must get before you can get a specific service or drug or see an out-of-network provider. Community First Medicare Advantage D-SNP may not cover the service or drug if you don't get approval.

- Covered services that need our plan's prior authorization are marked in the Benefits Charts in Chapter 4.

Some drugs are covered only if you get prior authorization from us.

- Covered drugs that need our plan's prior authorization are marked in the *List of Covered Drugs*.

Quality improvement organization (QIO): A group of doctors and other health care experts who help improve the quality of care for people with Medicare. They are paid by the federal government to check and improve the care given to patients. See Chapter 2 for information about how to contact the QIO for your state.

Quantity limits: A limit on the amount of a drug you can have. Limits may be on the amount of the drug that we cover per prescription.

Referral: A referral means that your primary care provider (PCP) must give you approval before you can see someone that is not your PCP. If you don't get approval, Community First Medicare Advantage D-SNP may not cover the services. You don't need a referral to see certain specialists, such as women's health specialists. You can find more information about referrals in Chapter 3 and about services that require referrals in Chapter 4.

Rehabilitation services: Treatment you get to help you recover from an illness, accident, or major operation. See Chapter 4 to learn more about rehabilitation services.

Service area: A geographic area where a health plan accepts Members if it limits membership based on where people live. For plans that limit which doctors and hospitals you may use, it is also generally the area where you can get routine (non-emergency) services. Only people who live in our service area can get Community First Medicare Advantage D-SNP.
