INTRODUCTION

This directory provides a list of Community First Medicare Advantage Plan's network providers. **To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).**

You will have to choose one of our network providers listed in this directory to be your Primary Care Provider (PCP). Generally, you must get your health care services from your PCP.

Your relationship with your PCP is an important one because your PCP is responsible for your routine health care needs, coordinates all of your covered services, maintains your medical records, and ensures your continuity of care. If you need an appointment with a network specialist or other network provider who is not your PCP, you should talk with your PCP.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory.

In some situations, our plan must give you approval in advance before you can use other providers in the plan's network, such as specialists, hospitals, skilled nursing facilities, or home health care agencies. This is called giving you a "referral."

Referrals from your PCP are not required for emergency care or urgently needed services. There are also some other kinds of care you can get without having approval in advance from your PCP.

In most cases, care you receive from an out-of-network provider (a provider who is not part of our plan's network) will not be covered. For exceptions, please refer to your Evidence of Coverage (EOC).

In cases where out-of-network providers submit a bill directly to you, please call our Member Services for help to submit the bill to us for processing and determination of enrollee liability, if any.

If you have a medical emergency:

- Get help as quickly as possible. Call 911 for help or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You do not need to get approval or a referral first from your PCP.
- As soon as possible, make sure that our plan has been told about your emergency. We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. Contact Member Services at the phone number listed on the back of your plan membership card.

You must use network providers except in emergency or urgent care situations. If you obtain routine care from out-of-network providers, neither Medicare nor Community First Medicare Advantage Plan will be responsible for the costs.

What is the service area for Community First Medicare Advantage Plan?

Although Medicare is a Federal program, CFHP Medicare Advantage Plan (HMO) is available only to individuals who live in our plan service area. INTRODUCCIÓN

Este Directorio ofrece una lista de los proveedores de la red del plan CFHP Medicare Advantage (HMO). ***Para obtener información detallada sobre su cobertura de atención médica, consulte su Evidencia de cobertura (Evidence of Coverage, EOC).***

Tendrá que elegir a uno de nuestros proveedores de la red que figuran en la lista de este directorio como su médico de atención primaria (PCP). Por lo general, debe obtener los servicios de atención médica de su PCP.

Su relación con su PCP es importante porque su PCP es responsable de sus necesidades de atención médica de rutina, coordina todos sus servicios cubiertos, mantiene su registro médico y garantiza la continuidad de su atención. Si necesita una cita con un especialista de la red u otro proveedor de la red que no sea su PCP, debe hablar con su PCP.

Los proveedores de la red que figuran en este Directorio han acordado brindar servicios de atención médica. Puede acudir a cualquiera de los proveedores de la red que figuren en el listado de este directorio

En la mayoría de los casos, nuestro plan deberá autorizarlo con antelación antes de que acuda a otros proveedores de la red del plan, tales como especialistas, hospitales, centros de atención de enfermería especializada o agencias de atención médica a domicilio. A esto se le denomina darle una "remisión".

Las remisiones de su PCP no son necesarias para la atención de emergencia o los servicios de urgencia. También hay otros tipos de cuidado que usted puede recibir sin tener la autorización previa de su PCP.

En la mayoría de los casos, no se cubrirá la atención que reciba de un proveedor fuera de la red (un proveedor que no forme parte de la red de nuestro plan). Para entender las excepciones, consulte su Evidencia de cobertura (Evidence of Coverage, EOC).

En caso de que los proveedores fuera de la red le envíen una factura directamente, llame a nuestro Departamento de Servicios para Miembros para que le ayuden a enviarnos la factura para procesarla y determinar la responsabilidad del afiliado, si corresponde.

Si tiene una emergencia médica, esto es lo que debe hacer:

- Busque ayuda lo más rápido posible. Llame al 911 para pedir ayuda o acuda a la sala de emergencias u hospital más cercano. Pida una ambulancia por teléfono si la necesita. No es necesario que primero obtenga la autorización o una remisión del PCP.
- Tan pronto como sea posible, asegúrese de que nuestro plan haya sido informado sobre su emergencia. Necesitamos hacer un seguimiento de su atención de emergencia. Usted u otra persona debe llamarnos para informarnos sobre su atención de emergencia, generalmente dentro de las 48 horas. Comuníquese con Servicios para Miembros al número de teléfono que figura en el reverso de su tarjeta de membresía del plan.

Debe utilizar los proveedores de la red, salvo en situaciones de emergencia o atención de urgencia. Si usted recibe atención de rutina de parte de proveedores fuera de la red, ni Medicare ni el plan CFHP Medicare Advantage (HMO) se harán responsables de los costos.

¿Cuál es el área de servicio de el plan CFHP Medicare Advantage (HMO)?

Aunque Medicare es un programa federal, el plan CFHP Medicare Advantage (HMO) se encuentra disponible solo para personas que residen en el área de servicio de nuestro plan. Para seguir siendo miembro de nuestro plan, debe continuar viviendo en el área de servicio del plan. El área de servicio se describe a continuación e incluye los siguientes condados en Texas:

- Atascosa
- Bexar
- Guadalupe
- Medina
- Bandera
- Comal
- Kendall
- Wilson
