

ORIGINAL MEDICARE VS. MEDICARE ADVANTAGE:

Which option is best for you?

ORIGINAL MEDICARE

VS

MEDICARE ADVANTAGE

Managed by the federal government.

Covers inpatient care in hospitals (**Part A**) and doctor's visits (**Part B**). Does not cover prescription drugs; you'll have to join a Medicare drug plan in addition to Original Medicare.

Does not cover extra benefits like dental, vision, or hearing.

Offered by private insurance companies.

Can include **Part A, Part B, AND Part D** (prescription drug coverage), PLUS extra benefits like dental, vision, hearing, fitness, and more – all in **ONE** plan.
