Nota para los miembros actuales: Este formulario ha cambiado desde el año pasado. Revise este documento para asegurarse de que aún contenga los medicamentos que usted toma.

Cuando esta lista de medicamentos (formulario) se refiere a “nosotros”, “nos” o “nuestro”, se refiere a Community First Health Plans, Inc. (Community First). Cuando se refiere a “plan” o “nuestro plan”, se refiere a Community First Medicare Advantage Alamo Plan y D-SNP.

Este documento incluye una lista de medicamentos (formulario) para nuestro plan que está vigente al **1 de mayo del 2025**. Para obtener un formulario actualizado, comuníquese con nosotros. Nuestra información de contacto, junto con la fecha de la última actualización del formulario, aparece en la portada y la contraportada.

Por lo general, usted debe utilizar farmacias de la red para utilizar su beneficio de medicamentos recetados. Los beneficios, el formulario, la red de farmacias y/o los copagos/coseguros pueden cambiar el 1 de enero del 2025 y de vez en cuando durante el año.

1 de mayo del 2025

¿Qué es el formulario de Community First Medicare Advantage Parte D?

En este documento, utilizamos los términos *lista de medicamentos* y *formulario* para significar lo mismo. Un formulario es una lista de medicamentos cubiertos seleccionados por Community First en consulta con un equipo de proveedores de atención médica, que representa las terapias recetadas que se consideran una parte necesaria de un programa de tratamiento de calidad. Community First generalmente cubrirá los medicamentos incluidos en nuestro formulario siempre que el medicamento sea médicamente necesario, la receta se obtenga en una farmacia de la red de Community First y se cumplan otras reglas del plan. Para obtener más información sobre cómo obtener sus recetas, revise su evidencia de cobertura.

¿Puede cambiar el formulario?

La mayoría de los cambios en la cobertura de medicamentos se producen el 1 de enero, pero podemos agregar o eliminar medicamentos de la lista de medicamentos durante el año, trasladarlos a diferentes niveles de costos compartidos o agregar nuevas restricciones. Debemos seguir las reglas de Medicare al realizar estos cambios. Las actualizaciones del formulario se publican mensualmente en nuestro sitio en línea en [Medicare.CommunityFirstHealthPlans.com/Resources/Plan-Year-2025](https://www.Medicare.CommunityFirstHealthPlans.com/Resources/Plan-Year-2025).

Cambios que pueden afectarle este año: En los siguientes casos, se verá afectado/a por cambios en la cobertura durante el año:

- **Sustituciones inmediatas de ciertas versiones nuevas de medicamentos de marca y productos biológicos originales.** Podemos eliminar inmediatamente un medicamento de nuestro formulario si lo reemplazamos con una determinada versión nueva de ese medicamento que aparecerá en el mismo nivel de costo compartido o en uno inferior y con las mismas restricciones o menos. Cuando agregamos una nueva versión de un medicamento a nuestro formulario, podemos decidir mantener el medicamento de marca o el producto biológico original en nuestro formulario, pero moverlo inmediatamente a un nivel de costo compartido diferente o agregar uno nuevo. Podemos realizar estos cambios inmediatos solo si agregamos una nueva versión genérica de un medicamento de marca o agregamos ciertas nuevas versiones biosimilares de un producto biológico original que ya estaba en el formulario (por ejemplo, agregar un biosimilar intercambiable que una farmacia puede sustituir por un producto biológico original sin una nueva receta).

Si actualmente usted está tomando el medicamento de marca o el producto biológico original, es posible que no le informemos con anticipación antes de realizar un cambio inmediato, pero luego le brindaremos información sobre el cambio o los cambios específicos que hemos realizado.

Si realizamos un cambio de este tipo, usted o su médico pueden solicitarnos que hagamos una excepción y que sigamos cubriendo el medicamento que se está modificando. Para

obtener más información, consulte la sección a continuación titulada “¿Cómo solicito una excepción al formulario de Community First Medicare Advantage?”

Algunos de estos tipos de medicamentos pueden ser nuevos para usted. Para obtener más información, consulte la sección a continuación titulada “¿Qué son los productos biológicos originales y cómo se relacionan con los biosimilares?”

- **Medicamentos retirados del mercado.** Si el fabricante retira un medicamento de la venta o la administración de alimentos y medicamentos (FDA) determina que se debe retirar por razones de seguridad o eficacia, podemos retirarlo inmediatamente de nuestro formulario y notificarlo posteriormente a los miembros que lo toman.
- **Otros cambios.** Podemos realizar otros cambios que afecten a los miembros que actualmente toman un medicamento. Por ejemplo, podemos agregar un nuevo medicamento genérico para reemplazar un medicamento de marca que actualmente se encuentra en el formulario, o agregar un nuevo biosimilar para reemplazar un producto biológico original que actualmente se encuentra en el formulario, o agregar nuevas restricciones o mover un medicamento que mantenemos en el formulario a un nivel de costo compartido más alto o ambas cosas después de agregar un medicamento correspondiente. Podemos realizar cambios en función de nuevas pautas clínicas. Si eliminamos medicamentos de nuestro formulario, agregamos autorización previa, límites de cantidad y/o restricciones de terapia escalonada en un medicamento, o movemos un medicamento a un nivel de costo compartido más alto, debemos notificar a los miembros afectados sobre el cambio al menos 30 días antes de que el cambio entre en vigencia. Alternativamente, cuando un miembro solicita una recarga del medicamento, puede recibir un suministro de 30 días del medicamento y una notificación del cambio.

Si realizamos estos otros cambios, usted o su médico pueden solicitarnos que hagamos una excepción para usted y que sigamos cubriendo el medicamento que ha estado tomando. La notificación que le proporcionamos también incluirá información sobre cómo solicitar una excepción, y también puede encontrar información en la sección a continuación titulada “¿Cómo solicito una excepción al formulario de Medicare Advantage de Community First?”

Cambios que no lo afectarán si actualmente está tomando el medicamento. Por lo general, si está tomando un medicamento incluido en nuestro formulario de 2025 que estaba cubierto al comienzo del año, no interrumpiremos ni reduciremos la cobertura del medicamento durante el año de cobertura del 2025, excepto como se describe anteriormente. Esto significa que estos medicamentos seguirán estando disponibles al mismo costo compartido y sin nuevas restricciones para aquellos miembros que los tomen durante el resto del año de cobertura. No recibirá un aviso directo este año sobre los cambios que no lo afecten. Sin embargo, el 1 de enero del año siguiente, dichos cambios lo afectarán y es importante consultar la lista de medicamentos para el nuevo año de beneficios para conocer los cambios en los medicamentos.

El formulario adjunto está actualizado al **1 de mayo del 2025**. Para obtener información actualizada sobre los medicamentos cubiertos por Community First, comuníquese con nosotros. Nuestra información de contacto aparece en la portada y la contraportada.

En caso de que se produzcan cambios en el formulario y para obtener la información más completa y actualizada sobre los medicamentos cubiertos, puede visitar el sitio en línea del formulario del plan en [MedicareAlamo.com](https://www.MedicareAlamo.com) o llamar al servicio de atención al cliente para obtener la versión más actualizada.

¿Cómo uso el formulario?

Hay dos formas de encontrar su medicamento en el formulario:

Condición médica

El formulario comienza en la **página 8**. Los medicamentos de este formulario se agrupan en categorías según el tipo de condición médica para la que se usan. Por ejemplo, los medicamentos que se usan para tratar una afección cardíaca se enumeran en la categoría de antihipertensivos. Si sabe para qué se usa su medicamento, busque el nombre de la categoría en la lista que comienza en la **página 8**. Luego, busque su medicamento debajo del nombre de la categoría.

Listado alfabético

Si no está seguro de en qué categoría buscar, debe buscar su medicamento en el índice que comienza en la **página 92**. El índice proporciona una lista alfabética de todos los medicamentos incluidos en este documento. En el índice se enumeran tanto los medicamentos de marca como los genéricos. Busque en el índice y encuentre su medicamento. Junto a su medicamento, verá el número de página donde puede encontrar información sobre la cobertura. Vaya a la página que aparece en el índice y busque el nombre de su medicamento en la primera columna de la lista.

¿Qué son los medicamentos genéricos?

Community First Medicare Advantage cubre tanto los medicamentos de marca como los medicamentos genéricos. La FDA aprueba un medicamento genérico porque tiene el mismo ingrediente activo que el medicamento de marca. Por lo general, los medicamentos genéricos funcionan tan bien como los medicamentos de marca y suelen costar menos. Hay sustitutos de medicamentos genéricos disponibles para muchos medicamentos de marca. Los medicamentos genéricos suelen poder sustituir al medicamento de marca en la farmacia sin necesidad de una nueva receta, según las leyes estatales.

¿Qué son los productos biológicos originales y cómo se relacionan con los biosimilares?

En el formulario, cuando nos referimos a medicamentos, esto podría significar un medicamento o un producto biológico. Los productos biológicos son medicamentos que son más complejos que los medicamentos típicos. Dado que los productos biológicos son más complejos que los medicamentos típicos, en lugar de tener una forma genérica, tienen alternativas que se denominan biosimilares. Por lo general, los biosimilares funcionan tan bien como el producto biológico original y pueden costar menos. Existen alternativas biosimilares para algunos productos biológicos originales. Algunos biosimilares son intercambiables y, según las leyes estatales,

pueden sustituir al producto biológico original en la farmacia sin necesidad de una nueva receta, al igual que los medicamentos genéricos pueden sustituir a los medicamentos de marca.

¿Existen restricciones en mi cobertura?

Algunos medicamentos cubiertos pueden tener requisitos o límites adicionales en la cobertura. Estos requisitos y límites pueden incluir:

- **Autorización previa:** Community First Medicare Advantage requiere que usted (o su médico/a) obtenga una autorización previa para ciertos medicamentos. Esto significa que deberá obtener la aprobación de Community First Medicare Advantage antes de surtir sus recetas. Si usted no obtiene la aprobación, es posible que Community First Medicare Advantage no cubra el medicamento.
- **Límites de cantidad:** Para ciertos medicamentos, Community First Medicare Advantage limita la cantidad del medicamento que su plan cubrirá. Por ejemplo, Community First Medicare Advantage proporciona 30 comprimidos por receta de JANUMET. Esto puede ser adicional a un suministro estándar de uno o tres meses.
- **Terapia escalonada:** En algunos casos, Community First Medicare Advantage requiere que usted primero pruebe ciertos medicamentos para tratar su condición médica antes de que cubramos otro medicamento para esa condición. Por ejemplo, si el medicamento A y el medicamento B tratan su condición médica, Community First Medicare Advantage puede no cubrir el medicamento B a menos que pruebe primero el medicamento A. Si el medicamento A no funciona para usted, Community First cubrirá el medicamento B.

Puede averiguar si su medicamento tiene requisitos o límites adicionales consultando el formulario que comienza en la **página 8**. Usted también puede obtener más información sobre las restricciones que se aplican a medicamentos cubiertos específicos visitando nuestro sitio en línea. Hemos publicado documentos en línea que explican nuestras restricciones de autorización previa y terapia escalonada. También puede solicitarnos que le enviemos una copia. Nuestra información de contacto, junto con la fecha de la última actualización del formulario, aparece en las páginas de portada y contraportada.

Usted puede solicitar a Community First Medicare Advantage que haga una excepción a estas restricciones o límites o una lista de otros medicamentos similares que pueden tratar su condición de salud. Consulte la sección "¿Cómo solicito una excepción al formulario de Community First Medicare Advantage?" en la página 5 para obtener información sobre cómo solicitar una excepción.

¿Qué son los medicamentos de venta libre (OTC, por sus siglas en inglés)?

Los medicamentos OTC son medicamentos que no requieren receta y que normalmente no están cubiertos por un plan de medicamentos recetados de Medicare. Community First Medicare Advantage paga ciertos medicamentos OTC. Community First Medicare Advantage paga ciertos medicamentos OTC a través de una tarjeta OTC prepaga que puede usar en varios minoristas como H-E-B, CVS y Walgreens. Community First Medicare Advantage le proporcionará estos medicamentos OTC sin costo alguno. El costo para Community First Medicare Advantage de estos medicamentos OTC no se contabilizará para los costos totales de medicamentos de la Parte D.

¿Qué sucede si mi medicamento no está en el formulario?

Si su medicamento no está incluido en este formulario (lista de medicamentos cubiertos), primero debe comunicarse con Servicios para miembros y preguntar si su medicamento está cubierto. Para obtener más información, comuníquese con nosotros. Nuestra información de contacto, junto con la fecha de la última actualización del formulario, aparece en las portadas delantera y trasera.

Si se entera de que Community First no cubre su medicamento, tiene dos opciones:

- Puede solicitar a Servicios para miembros una lista de medicamentos similares que estén cubiertos por Community First Medicare Advantage. Cuando reciba la lista, muéstrela a su médico/a y pídale que le recete un medicamento similar que esté cubierto por Community First Medicare Advantage.
- Puede solicitar a Community First Medicare Advantage que haga una excepción y cubra su medicamento. Vea a continuación la información sobre cómo solicitar una excepción.

¿Cómo solicito una excepción al formulario de Community First Medicare Advantage?

Usted puede solicitar a Community First Medicare Advantage que haga una excepción a nuestras reglas de cobertura. Existen varios tipos de excepciones que puede solicitarnos.

- Usted puede solicitarnos que cubramos un medicamento incluso si no está en nuestro formulario. Si se aprueba, este medicamento estará cubierto a un nivel de costo compartido predeterminado y no podrá solicitarnos que le proporcionemos el medicamento a un nivel de costo compartido más bajo.
- Usted puede solicitarnos que no apliquemos una restricción de cobertura, incluida la autorización previa, la terapia escalonada o un límite de cantidad para su medicamento. Por ejemplo, para ciertos medicamentos, Community First Medicare Advantage limita la cantidad del medicamento que cubriremos. Si su medicamento tiene un límite de cantidad, puede solicitarnos que no apliquemos el límite y cubramos una cantidad mayor.
- Usted puede solicitarnos que cubramos un medicamento del formulario a un nivel de costo compartido más bajo a menos que el medicamento esté en el nivel de especialidad. Si se aprueba, esto reduciría el monto que debe pagar por su medicamento.

En general, Community First Medicare Advantage solo aprobará su solicitud de excepción si los medicamentos alternativos incluidos en el formulario del plan, [el medicamento con menor costo compartido] o la aplicación de la restricción no serían tan efectivos para usted y/o le causarían efectos adversos.

Usted o su médico prescriptor deben comunicarse con nosotros para solicitar una excepción de nivel o formulario, incluida una excepción a una restricción de cobertura. **Cuando usted solicita una excepción, su médico/a prescriptor/a deberán explicar las razones médicas por las que usted necesita la excepción.** En general, debemos tomar nuestra decisión dentro de las 72 horas posteriores a la recepción de la declaración de respaldo de su médico prescriptor. Usted puede solicitar una decisión acelerada (rápida) si cree, y nosotros estamos de acuerdo, que su salud podría verse gravemente perjudicada si espera hasta 72 horas para recibir una decisión. Si estamos de acuerdo, o si su médico prescriptor solicita una decisión rápida, debemos darle una decisión a más tardar 24 horas después de recibir la declaración de respaldo de su médico/a prescriptor/a.

¿Qué puedo hacer si mi medicamento no está en el formulario o tiene una restricción?

Como miembro nuevo o permanente de nuestro plan, es posible que usted esté tomando medicamentos que no están en nuestro formulario. O puede estar tomando un medicamento que está en nuestro formulario, pero su capacidad para obtenerlo es limitada. Por ejemplo, es posible que necesite una autorización previa de nuestra parte antes de poder obtener su receta. Debe hablar con su médico para decidir si debe cambiar a un medicamento adecuado que cubramos o solicitar una excepción al formulario para que cubramos el medicamento que toma. Mientras habla con su médico para determinar el curso de acción adecuado para usted, es posible que cubramos su medicamento en ciertos casos durante los primeros 90 días que sea miembro de nuestro plan.

Para cada uno de sus medicamentos que no está en nuestro formulario o si su capacidad para obtener sus medicamentos es limitada, cubriremos un suministro temporal de 30 días. Si su receta está escrita para menos días, permitiremos recargas para proporcionar un suministro máximo de 30 días de medicamento. Después de su primer suministro de 30 días, no pagaremos por estos medicamentos, incluso si ha sido miembro del plan menos de 90 días.

Si usted es residente de un centro de atención a largo plazo y necesita un medicamento que no está en nuestro formulario o si su capacidad para obtener sus medicamentos es limitada, pero ya pasaron los primeros 90 días de membresía en nuestro plan, cubriremos un suministro de emergencia de ese medicamento para 31 días mientras solicita una excepción al formulario.

Formulario de la Parte D de Community First Medicare Advantage

El formulario que aparece a continuación, que comienza en la **página 8**, proporciona información sobre la cobertura de los medicamentos cubiertos por Community First. Si tiene problemas para encontrar su medicamento en la lista, consulte el índice que comienza en la **página 92**.

La primera columna del cuadro enumera el nombre del medicamento. Los medicamentos de marca se escriben con mayúscula inicial (p. ej., ADVAIR) y los medicamentos genéricos se enumeran en cursiva y minúscula (p. ej., lisinopril).

La información en la columna requisitos/límites le indica si Community First Medicare Advantage tiene algún requisito especial para la cobertura de su medicamento.

Índice de abreviaturas

Suministro limitado a 1 mes (FF): Es posible que pueda recibir un suministro de más de 1 mes de la mayoría de los medicamentos de su formulario. Los medicamentos marcados con “FF” están limitados a un suministro de 1 mes para pedidos minoristas y por correo solo en su primer suministro. Después del primer suministro, estará disponible un suministro de días extendidos.

Suministro de días no extendidos (NDS): Es posible que pueda recibir un suministro de más de 1 mes de la mayoría de los medicamentos de su formulario a través de pedidos por correo a un costo compartido reducido. Los medicamentos marcados con “NDS” están limitados a un suministro de 1 mes tanto para pedidos minoristas como por correo.

Autorización previa (PA): Community First Medicare Advantage requiere que usted [o su médico] obtenga una autorización previa para ciertos medicamentos. Esto significa que deberá obtener nuestra aprobación antes de surtir sus recetas. Si no obtiene la aprobación, es posible que no cubramos el medicamento.

Restricción de autorización previa para la determinación de la Parte B frente a la Parte D (PA_BvD): El medicamento puede ser elegible para el pago según la Parte B o la Parte D de Medicare. Usted (o su médico/a) deben obtener nuestra autorización previa para determinar que el medicamento esté cubierto por la Parte D de Medicare antes de que obtenga su receta para el medicamento. Sin aprobación previa, es posible que no cubramos el medicamento.

Restricción de autorización previa solo para nuevos comienzos (PA_NSO): Si el medicamento es nuevo para usted, usted (o su médico/a) deben obtener nuestra autorización previa antes de que obtenga su receta para el medicamento. Sin aprobación previa, es posible que no cubramos el medicamento.

Terapia escalonada (ST): En algunos casos, le solicitamos que primero pruebe ciertos medicamentos para tratar su afección médica antes de cubrir otro medicamento para esa afección. Por ejemplo, si el medicamento A y el medicamento B tratan su afección médica, es posible que no cubramos el medicamento B a menos que pruebe primero el medicamento A. Si el medicamento A no funciona para usted, cubriremos el medicamento B.

Terapia escalonada solo para nuevos comienzos (ST_NSO): Si el medicamento es nuevo para usted, primero debe probar ciertos medicamentos para tratar su afección médica antes de que cubramos otro medicamento para esa afección.

Límites de cantidad (QL): Para ciertos medicamentos, limitamos la cantidad del medicamento que cubriremos. Esto podría incluir una limitación por llenado, diario, mensual o anual.

Insulinas (INS): Productos de insulina con un máximo de \$35 por mes.

Productos excluidos (EX): Productos excluidos de CMS que se eligen para que estén cubiertos por el plan.

Vacunas (VAC): Vacunas de la Parte D de Medicare cubiertas a \$0.
