This is a 7 month period to include the 3 months before an individual meets eligibility and the 3 months after the individual meets eligibility.
- **Annual Enrollment Period (AEP)** – Period when Medicare eligible consumers can make changes to their Medicare coverage to ensure it meets their healthcare needs for the upcoming year. This period runs from October 15th through December 7th.
- **Special Enrollment Period (SEP)** – Period where individuals can make changes to their Medicare Advantage and Medicare drug coverage when certain events happen in their life such as moving and losing other coverage.

Individuals can switch to another Medicare Advantage plan or switch back to Original Medicare. Changes take effect the 1st of the following month after receipt of the enrollment request.

Beneficiary Protections

Beneficiary Protections

- The first step a member should take to file a grievance is to call Member Services at 210-358-6386 or Toll Free at 1-833-434-2347. If a member needs to take additional action they can refer to the Evidence of Coverage (EOC) for detailed steps.
- Part D Plan (PDP) Enrollments:
 - Enrollees who are enrolled in a MSA or a MA-PFS plan will need to call 1-800-Medicare or submit a written disenrollment request to disenroll as it is not automatic.
 - Enrollees who are enrolled in any MA coordinated care plan (HMO, PPO) or an MA-PFFS plan that includes drug coverage, who is joining a PDP will be automatically disenrolled from their current plan upon enrolling in a PDP.
- Plans may end an enrollee's membership if the following occurs:
 - Enrollee does not stay continuously enrolled in Medicare Part A or Part B.
 - Enrollee is no longer eligible for the plan's SNP category.
 - Enrollee is away from the service area for more than 6 months.

Communications and Marketing Regulations

Communication and Marketing Regulations

- A state insurance department can investigate a sales agent/broker that they suspect is violating Medicare communications and marketing regulations.
- Plan sales agents include those employed by the plan itself and those who are contracted with the plan through direct or downstream contracts. A marketing entity, independent plan agent, and a plan broker can all be considered a plan sales agent.
- Plans can communicate direct plan comparisons provided the information is factual and there is supporting data. Plans may not use ‘scare tactics’ or pressure beneficiaries to enroll.

Agent and Broker Compensation

Agent and Broker Compensation

- Generally, agents/brokers receive an initial payment in the first year of the policy.
- Renewal compensation should be paid up to 50% of the current fair market value (FMV), regardless of whether the member is new to the organization or not.
- Compensation stops if enrollee changes plans that does not use broker/agents.

Medicare Marketing Activities

Medicare Marketing Activities

- Scope of Appointment is needed in all personal or individual face-to-face marketing appointments to include walk-ins and unexpected beneficiaries who wish to attend a pre-scheduled one-on-one meeting with another beneficiary. Scope of Appointment forms are not needed for public marketing event.
- Marketing Activities should not include
 - Meals to potential enrollees regardless of value.
 - Cash or other monetary rebates as an inducement for enrollment.
 - Unsolicited marketing materials to any MA enrollee during the Open Enrollment Period (OEP).
