B. Background Information about Community First Medicare Advantage Bexar Dual's Network Providers

B1. Key terms

This section explains key terms in our *Directory*.

- **Providers** are professionals such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, long-term services and supports (LTSS), supplies, drugs, equipment, and other services.
    - The term **providers** includes facilities such as hospitals, clinics, and other places that provide medical services and medical equipment. It also includes LTSS providers that you may use as a Community First Medicare Advantage Bexar Dual member.
    - Providers that are a part of our plan's network are called **network providers**.
- **Network providers** have contracted with us to deliver services to members of our plan. Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. When you use a network provider, you usually pay nothing for covered services.
- A **Primary Care Provider** (PCP) is a network physician (general practice, family practice, or internal medicine provider) who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. Your PCP will also give you a **referral** if you need a specialist or other provider.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
    - Oncologists care for patients with cancer.
    - Cardiologists care for patients with heart conditions.
    - Orthopedists care for patients with certain bone, joint, or muscle conditions.
- Members will be asked to choose a PCP at the time of enrollment. If you do not choose a PCP, one will be selected for you. You can change your PCP at any time.
- You may need a **referral** or **prior authorization** for a specialist or someone that isn't your PCP. A **referral** means that your network PCP must give you approval before you can use the other provider. A **prior authorization** is different than a referral. It means that Community First Medicare Advantage Bexar Dual, not your network PCP, must give you approval **before** we'll cover a specific service, item, or drug or an out-of-network provider. If you don't get a referral or prior authorization, Community First Medicare Advantage Bexar Dual may not cover the service, item, or drug.
    - Referrals or prior authorization aren't needed for:
        - emergency care;
        - urgently needed care;
        - kidney dialysis services that you get at a Medicare-certified dialysis facility when you're outside the plan's service area; or
        - services from a women's health specialist.

- Additionally, if you're eligible to get services from Indian health providers, you may use these providers without a referral. We must pay the Indian health provider for those services even if they're out of our plan's network.
- More information on referrals and prior authorization is available in **Chapter 3** of the *Member Handbook*.

- You'll also be assigned a Service Coordinator who will perform assessments to identify member needs, concerns, and priorities. Everyone on the Service Coordination team works together to make sure your care is coordinated. This means that they make sure that you get all the tests, labs, and other care that you need, and the results are shared with the appropriate providers. It also means that your PCP should know all the medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers. Members of your Service Coordination team may include:
  - A **Service Coordinator** helps you manage your medical providers and services. Service Coordinators are clinically licensed and other professionals who, serving under the direction of the Medical Directors, review Provider requests for acute care and long-term services supports.
  - Your **Service Coordination Team** led by a Service Coordinator, is a group of advocates and providers working together to provide you with medical, behavioral health, substance use treatment, Long Term Services and Supports, and social needs. You have access to and input in the development of your own Service Coordination Team. The Service Coordination Team must include, first and foremost, you and/or your Legally Authorized Representative (LAR). You can tell us who else you would like to participate. The goal of Service Coordination is to collaboratively assess the member's unique health needs, create individualized care plans with prioritized goals, and facilitate services that minimize barriers to care so the member can live in the least restrictive environment with optimal health outcomes. Everyone on the Service Coordination Team works together to make sure your care is coordinated. This means that they make sure that you get all the tests, labs, and other care that you need, and the results are shared with the appropriate providers. It also means that your PCP should know all the medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers. Members of your Service Coordination Team may include:
    - Your **Primary Care Provider**
    - You and/or your Legally Authorized Representative (LAR)
    - Your behavioral health provider (if you have one)
    - Your long-term services and supports (LTSS) providers (if you have them)
    - A pharmacist
    - Representatives from the facility where you receive care

Your Service Coordination Team will also help you find other providers of medical, behavioral health, or long-term services and supports (LTSS) if you need a specialist or other health care provider.

B2. Wait times for primary care and behavioral health

- We must provide you with access to primary care and behavioral health services within the following timeframes: immediately for urgently needed services or an emergency;
- within seven days for services that aren't an emergency or urgently needed, but you require medical attention; or
- within 30 days for routine and preventative care.

B3. How to choose a Primary Care Provider (PCP)

First, you will need to choose a Primary Care Provider (PCP). You can choose any PCP in our network who is accepting new members.

- To choose a PCP, refer to the list of providers in **Section C** and choose a provider:
  - that you use now, **or**
  - who has been recommended by someone you trust, **or**
  - whose offices are easy for you to get to.
- If you don't choose a PCP in our network, Community First Medicare Advantage Bexar Dual will choose one for you.
- If you want help in choosing a PCP, please call Member Services at 1-833-434-2347 (TTY 711), 7 days a week from 8 a.m. to 8 p.m. (October 1 – March 31); Monday – Friday from 8 a.m. to 8 p.m. (April 1 – September 30). The call is free. Or you can visit CommunityFirstMedicare.com.
- If you have questions about whether any service or care that you want or need is covered, talk to your Care Team or call Member Services at 1-833-434-2347 (TTY 711), 7 days a week from 8 a.m. to 8 p.m. (October 1 – March 31); Monday – Friday from 8 a.m. to 8 p.m. (April 1 – September 30) and ask **before** you get the service or care.

B4. Long-term Services and Supports (LTSS) providers

As a Community First Medicare Advantage Bexar Dual member, you'll be able to get long-term services and supports (LTSS) if you need them, such as personal assistance services and nursing facility care. LTSS help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital. LTSS is available to members who meet certain clinical and financial requirements.

If you need LTSS, your Service Coordinator can help you and your care team determine what options are available to support you in the way you want.

B5. How to access Community First Medicare Advantage Bexar Dual's network providers

You may need a referral for someone who isn't a PCP. There's more information about referrals in **Section B1**.

You must get all your covered services from providers within our network. If you use providers who aren't in Community First Medicare Advantage Bexar Dual's network **(without prior authorization), you may have to pay the bill**.

A **prior authorization** is an approval from Community First Medicare Advantage Bexar Dual (HMO D-SNP) to seek services outside of our network or to get services not routinely covered by our network **before** you get the services.

The only exceptions to this rule are when you need urgent or emergency care or dialysis and can't get to a provider in the plan, such as when you're away from home. You can also go outside the plan for other non-emergency services if Community First Medicare Advantage Bexar Dual gives you permission first.

- You may change providers within the network at any time during the year. If you've been using one network provider, you don't have to keep using that same provider. If you want to change your PCP, call Member Services. If the PCP is accepting additional Members, the PCP change will become effective on the first day of the following month. You will receive a new Community First Medicare Advantage Bexar Dual Member ID card that shows this change. For some providers, you may need a referral from your PCP.
- Community First Medicare Advantage Bexar Dual works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.
- If you need a provider and aren't sure if they offer the accommodations you need, Community First Medicare Advantage Bexar Dual can help you. Talk to your Service Coordinator for assistance.

B. Información general sobre los proveedores de la red de Community First Medicare Advantage Bexar Dual

B1. Términos clave

Esta sección explica los términos clave utilizados en nuestro Directorio.

- **Proveedores** son profesionales como médicos, enfermeros, farmacéuticos, terapeutas y otras personas que brindan atención y servicios. **Servicios** incluyen atención médica, servicios y apoyos a largo plazo (LTSS), suministros, medicamentos, equipos y otros servicios.
    - El término **proveedores** también incluye instalaciones como hospitales, clínicas y otros lugares que prestan servicios médicos y suministran equipos médicos. También incluye a los proveedores de LTSS que usted puede utilizar como Miembro de Community First Medicare Advantage Bexar Dual.
    - Los proveedores que forman parte de la red de nuestro plan se denominan **proveedores de la red**.
- Los **proveedores de la red** tienen un contrato con nosotros para brindar servicios a los Miembros de nuestro plan. Participan en nuestro plan, lo que significa que aceptan a nuestros Miembros y prestan los servicios cubiertos por el plan. Cuando utiliza un proveedor de la red, generalmente no paga nada por los servicios cubiertos.
- **Proveedor de Atención Primaria (PCP)** es un médico de la red (medicina general, medicina familiar o medicina interna) que le brinda atención médica de rutina. Su PCP mantendrá sus expedientes médicos y llegará a conocer sus necesidades de salud con el tiempo. Además, le proporcionará una remisión si necesita consultar a un especialista u otro proveedor.
- **Especialistas** son médicos que brindan servicios de atención médica para una enfermedad específica o una parte determinada del cuerpo. Existen muchos tipos de especialistas. Algunos ejemplos:
    - Los oncólogos atienden a pacientes con cáncer.
    - Los cardiólogos atienden a pacientes con afecciones cardíacas.
    - Los ortopedistas atienden a pacientes con determinadas afecciones de huesos, articulaciones o músculos.
- Los Miembros deberán elegir un PCP al momento de la inscripción. Si no elige uno, se le asignará un PCP. Puede cambiar su PCP en cualquier momento.
- Es posible que necesite una **derivación** o una **autorización previa** para consultar a un especialista o a un proveedor que no sea su PCP. Una **derivación** significa que su PCP de la red debe darle aprobación antes de que pueda consultar a otro proveedor. Una **autorización previa** es diferente de una derivación. Significa que Community First Medicare Advantage Bexar Dual, y no su PCP de la red, debe otorgar la aprobación **antes** de que cubramos un servicio, artículo, medicamento específico o un proveedor fuera de la red. Si no obtiene una derivación o autorización previa, es posible que Community First Medicare Advantage Bexar Dual no cubra el servicio, artículo o medicamento.
    - No se requiere derivación ni autorización previa para:
        - Atención de emergencia;
        - Atención de urgencia;
        - Servicios de diálisis renal que reciba en un centro de diálisis certificado por Medicare cuando se encuentre fuera del área de servicio del plan; o
        - Servicios proporcionados por un especialista en salud de la mujer.

Si tiene preguntas, llame a Community First Medicare Advantage Bexar Dual al 1-833-434-2347 (TTY 711), los 7 días de la semana, de 8 a.m. a 8 p.m. (del 1 de octubre al 31 de marzo); de lunes a viernes, de 8 a.m. a 8 p.m. (del 1 de abril al 30 de septiembre). La llamada es gratuita. **Para obtener más información**, visite **CommunityFirstMedicare.com**.

- Además, si usted reúne los requisitos para recibir servicios de proveedores de salud indígenas, puede utilizar estos proveedores sin una derivación. Debemos pagar al proveedor de salud indígena por estos servicios incluso si se encuentra fuera de la red de nuestro plan.
- Puede encontrar más información sobre derivaciones y autorizaciones previas en el **Capítulo 3** del *Manual para Miembros*.

- También se le asignará un Coordinador de Servicios, quien realizará evaluaciones para identificar las necesidades, inquietudes y prioridades del Miembro. Todo el equipo de Coordinación de Servicios trabaja en conjunto para garantizar que su atención esté coordinada. Esto significa que se aseguran de que usted reciba todos los exámenes, análisis de laboratorio y demás cuidados que necesite, y que los resultados se compartan con los proveedores correspondientes. También significa que su PCP debe conocer todos los medicamentos que toma para ayudar a reducir posibles efectos negativos. Su PCP siempre obtendrá su permiso antes de compartir su información médica con otros proveedores. Los integrantes de su equipo de Coordinación de Servicios pueden incluir:
  - Un **Coordinador de Servicios** le ayuda a gestionar sus proveedores y servicios médicos. Los Coordinadores de Servicios son profesionales clínicos autorizados y otros profesionales que, bajo la dirección de los directores médicos, revisan las solicitudes de los proveedores para atención aguda y servicios y apoyos a largo plazo.
  - Su **Equipo de Coordinación de Servicios**, dirigido por un Coordinador de Servicios, es un grupo de representantes y proveedores que trabajan juntos para brindarle atención médica, servicios de salud conductual, tratamiento para el trastorno por consumo de sustancias, Servicios y Apoyos a Largo Plazo (LTSS, por sus siglas en inglés) y apoyo para sus necesidades sociales. Usted tiene acceso y participación en el desarrollo de su propio Equipo de Coordinación de Servicios. Este equipo debe incluir, ante todo, a usted y/o a su Representante Legalmente Autorizado (LAR, por sus siglas en inglés). También puede indicarnos quién más le gustaría que participara. El objetivo de la Coordinación de Servicios es evaluar de manera colaborativa las necesidades únicas de salud del Miembro, crear planes de atención individualizados con metas priorizadas y coordinar servicios que reduzcan las barreras para recibir atención, de modo que el Miembro pueda vivir en el entorno menos restrictivo posible y lograr resultados óptimos de salud. Todos los integrantes del Equipo de Coordinación de Servicios trabajan juntos para asegurarse de que su atención esté coordinada. Esto significa que se aseguran de que reciba todas las pruebas, estudios de laboratorio y demás servicios de atención que necesite, y que los resultados se compartan con los proveedores correspondientes. También significa que su proveedor de atención primaria (PCP) debe conocer todos los medicamentos que toma para ayudar a reducir posibles efectos negativos. Su PCP siempre obtendrá su autorización antes de compartir su información médica con otros proveedores. Los integrantes de su Equipo de Coordinación de Servicios pueden incluir:
    - Su **Proveedor de Atención Primaria (PCP)**
    - Usted y/o su Representante Legalmente Autorizado (LAR)
    - Su proveedor de salud conductual (si tiene uno)
    - Sus proveedores de Servicios y Apoyos a - Largo Plazo (LTSS) (si los tiene)
    - Un farmacéutico
    - Representantes del centro donde recibe atención

Su equipo de Coordinación de Servicios también le ayudará a encontrar otros proveedores de servicios médicos, salud conductual o servicios y apoyos a largo plazo (LTSS) si necesita un especialista u otro proveedor de atención médica.

B2. Tiempos de espera para atención primaria y salud conductual

- Debemos proporcionarle acceso a servicios de atención primaria y salud conductual dentro de los siguientes plazos: de inmediato para los servicios de urgencia o de emergencia;

- dentro de los 30 días para la atención de rutina y preventiva.

Si tiene preguntas, llame a Community First Medicare Advantage Bexar Dual al 1-833-434-2347 (TTY 711), los 7 días de la semana, de 8 a.m. a 8 p.m. (del 1 de octubre al 31 de marzo); de lunes a viernes, de 8 a.m. a 8 p.m. (del 1 de abril al 30 de septiembre). La llamada es gratuita. **Para obtener más información**, visite **CommunityFirstMedicare.com**.

B3. Cómo elegir un Proveedor de Atención Primaria (PCP)

Primero, deberá elegir un Proveedor de Atención Primaria (PCP). Puede elegir cualquier PCP de nuestra red que esté aceptando nuevos miembros.

- Para elegir un PCP, consulte la lista de proveedores en la **Sección C** y seleccione un proveedor:
  - con quien ya recibe atención, **o**
  - que le haya recomendado una persona de confianza, **o**
  - cuyo consultorio le resulte fácil de acceder.
- Si no elige un PCP de nuestra red, Community First Medicare Advantage Bexar Dual le asignará uno.
- Si desea ayuda para elegir un PCP, llame a Servicios para Miembros al 1-833-434-2347 (TTY 711), los 7 días de la semana, de 8 a.m. a 8 p.m. (del 1 de octubre al 31 de marzo); de lunes a viernes, de 8 a.m. a 8 p.m. (del 1 de abril al 30 de septiembre). La llamada es gratuita. También puede visitar CommunityFirstMedicare.com.
- Si tiene preguntas sobre si algún servicio o atención que desea o necesita está cubierto, hable con su Equipo de Atención o llame a Servicios para Miembros al 1-833-434-2347 (TTY 711), los 7 días de la semana, de 8 a.m. a 8 p.m. (del 1 de octubre al 31 de marzo); de lunes a viernes, de 8 a.m. a 8 p.m. (del 1 de abril al 30 de septiembre), y pregunte **antes** de recibir el servicio o la atención.

B4. Proveedores de Servicios y Apoyos a Largo Plazo (LTSS)

Como Miembro de Community First Medicare Advantage Bexar Dual, podrá recibir Servicios y Apoyos a Largo Plazo (LTSS) si los necesita, como servicios de asistencia personal y atención en centros de enfermería especializada. Los LTSS ayudan a las personas que necesitan apoyo para realizar actividades cotidianas, como bañarse, vestirse, preparar alimentos y tomar medicamentos. La mayoría de estos servicios se prestan en su hogar o en su comunidad, aunque también pueden prestarse en un centro de enfermería o en un hospital. Los LTSS están disponibles para los Miembros que cumplen ciertos requisitos clínicos y financieros.

Si necesita LTSS, su Coordinador de Servicios puede ayudarle a usted y a su equipo de atención a determinar qué opciones están disponibles para brindarle el apoyo que necesita de la manera que mejor se adapte a sus preferencias.

B5. Cómo encontrar proveedores de la red de Community First Medicare Advantage Bexar Dual.

Es posible que necesite una derivación para consultar a un proveedor que no sea un PCP. Puede encontrar más información sobre las derivaciones en la **Sección B1**.

Debe recibir todos los servicios cubiertos de proveedores dentro de nuestra red. Si utiliza proveedores que no forman parte de la red de Community First Medicare Advantage Bexar Dual **(sin autorización previa), es posible que tenga que pagar la factura**.

Una **autorización previa** es la aprobación de Community First Medicare Advantage Bexar Dual (HMO D-SNP) para recibir servicios fuera de nuestra red o para obtener servicios que normalmente no están cubiertos por nuestra red **antes** de recibirlos.

? **Si tiene preguntas**, llame a Community First Medicare Advantage Bexar Dual al 1-833-434-2347 (TTY 711), los 7 días de la semana, de 8 a.m. a 8 p.m. (del 1 de octubre al 31 de marzo); de lunes a viernes, de 8 a.m. a 8 p.m. (del 1 de abril al 30 de septiembre). La llamada es gratuita. **Para obtener más información**, visite **CommunityFirstMedicare.com**.

Las únicas excepciones a esta regla son cuando necesita atención de urgencia o de emergencia, o servicios de diálisis, y no puede acudir a un proveedor del plan, por ejemplo, cuando se encuentra fuera de su hogar. También puede recibir otros servicios que no sean de emergencia fuera del plan si Community First Medicare Advantage Bexar Dual le otorga autorización previamente.

- Puede cambiar de proveedor dentro de la red en cualquier momento durante el año. Si ha estado utilizando un proveedor de la red, no tiene que seguir utilizando ese mismo proveedor. Si desea cambiar su PCP, llame a Servicios para Miembros. Si el PCP está aceptando miembros adicionales, el cambio de PCP entrará en vigor el primer día del mes siguiente. Recibirá una nueva tarjeta de identificación de miembro de Community First Medicare Advantage Bexar Dual que reflejará este cambio. Para algunos proveedores, es posible que necesite una derivación de su PCP.
- Community First Medicare Advantage Bexar Dual trabaja con todos los proveedores de nuestra red para atender las necesidades de las personas con discapacidades. Cuando corresponda, la lista de proveedores de la red incluida en este Directorio contiene información sobre las adaptaciones que ofrecen.
- Si necesita un proveedor y no está seguro de que ofrezca las adaptaciones que necesita, Community First Medicare Advantage Bexar Dual puede ayudarle. Hable con su Coordinador de Servicios para recibir ayuda.

Si tiene preguntas, llame a Community First Medicare Advantage Bexar Dual al 1-833-434-2347 (TTY 711), los 7 días de la semana, de 8 a.m. a 8 p.m. (del 1 de octubre al 31 de marzo); de lunes a viernes, de 8 a.m. a 8 p.m. (del 1 de abril al 30 de septiembre).
